Stepping Out of Darkness Into the Light Edna L. Lester, 2003-10 One million Three million Five million dollars How much money would it take for you to consider robbing a bank especially if you were certain to get away with it What if you also had nothing left to lose When paramedic Dalton Barnett finds his pregnant wife dead her skull crushed by an apparent fall in the bathtub of their home he is devastated But before Dalton can deal with his grief his friend Sheriff Brandon Bailey comes to him with a plan What the small town sheriff had always joked about is no longer a joke Bailey plans to rob the town s bank and wants Dalton to help him The plan seems foolproof and the reward is a cool five million dollars There s one problem though Dalton now suspects that his friend might be a murderer Proving that could put Dalton s life at risk and the lives of others including a beautiful woman named Leigh who s looking to make a name for herself with the Georgia Bureau of Investigation The decision Dalton makes could lead to catching his wife s killer or wealth beyond his wildest dreams Before things end he ll wonder if he made the right choice Stepping Out of Darkness Into the Light Edna L. Lester Blue, 2021-12-10 Stepping Out of Darkness into the Light is a book of action The Word of the Lord says faith without works is dead Jms 2 20 26 This book assists God s people in the appointed time to move out from the comfort zone and into a faith walk where the power of God resides Whenever there is need for change there is also resistance to change This resistance presents evidence of fear Since fear is the absent of faith it must be dealt with by any means necessary The Bible says that without faith it is impossible to please God Heb 11 6 Therefore it is pertinent that we be relieved of this fear whatever the cost The absolute absence of fear will probably never be accomplished in our human state of being However there are some steps that we can take that will alleviate many of the symptoms and allow us to move to the next level in God through our Lord Jesus Christ Stepping Out of Darkness into the Light ushers the reader into the presence of God beginning with ten chapters of devotional reading Devotional time spent with God is preparation for the coming events at any given time The segments that follow introduce a transitory method utilizing biblical steps that bring the readers into an even more intimate relationship with God When we are confident about our relationship with God we are better able to represent Him in our daily walk The world's need for peace is more prevalent than ever before While God's people may not be in position to bring peace to the world we can start with ourselves Utilizing the steps presented in this book will assist in uncovering the dark places in our lives and stepping into the light one step at a time Out of Darkness, Into Light Jamal Rahman, Kathleen Schmitt Elias, Ann Holmes Redding, 2009-03 An introduction to the major themes and passages of the holy book of Islam this book invites readers of any religion or none to meditate on verses of the Quran as support for spiritual practices and growth It guides the reader through the rich tapestry of the Quran weaving through a number of themes including the mystery of God surrender to the divine will and provisions for the spiritual journey Quranic verses are supplemented by sayings of the Prophet Muhammad the words of Rumi and other Sufi poets and relevant quotations and insights from Jewish and Christian
