

Stepping Out of the Shadows

ALABAMA WOMEN,
1819-1990

*Edited by
Mary Martha Thomas*

Stepping Out Of The Shadows Alabama Women 1819 1990

Glenda Elizabeth Gilmore

Stepping Out Of The Shadows Alabama Women 1819 1990:

Stepping Out of the Shadows Mary Martha Thomas, 1995-01-30 This text explores the place of women from the perspective of race class and gender It discusses the lives of women in antebellum Alabama and the roles of both black and white women as missionaries during Reconstruction as reformers and suffrage leaders and as members of the state legislature

Racial Union Julie Novkov, 2009-09-11 In November 2001 the state of Alabama opened a referendum on its long standing constitutional prohibition against interracial marriage A bill on the state ballot offered the opportunity to relegate the state s antimiscegenation law to the dustbin of history The measure passed but the margin was alarmingly slim more than half a million voters 40 percent of those who went to the polls voted to retain a racist and constitutionally untenable law Julie Novkov s *Racial Union* explains how and why nearly forty years after the height of the civil rights movement Alabama struggled to repeal its prohibition against interracial marriage the last state in the Union to do so Novkov s compelling history of Alabama s battle over miscegenation shows how the fight shaped the meanings of race and state over ninety years Novkov s work tells us much about the sometimes parallel sometimes convergent evolution of our concepts of race and state in the nation as a whole A remarkably nuanced account of interlocked struggles over race gender class and state power Novkov s site is Alabama but her insights are for all America Rogers M Smith Christopher H Browne Distinguished Professor of Political Science University of Pennsylvania Hannah Arendt shocked Americans in the 1950s by suggesting that interracial intimacy was the true measure of a society s racial order Julie Novkov s careful illuminating powerful book confirms Arendt s judgment By ruling on who may be sexually linked with whom Alabama s courts and legislators created a racial order and even a broad political order Novkov shows us just how it worked in all of its painful humiliating power Jennifer L Hochschild Henry LaBarre Jayne Professor of Government Professor of African and African American Studies and Harvard College Professor

The Hidden Half of the Family Christina K. Schaefer, 1999 Offers information on finding female ancestors in each state highlighting those laws both federal and state that indicate when a woman could own real estate in her own name devise a will and enter into contracts In addition entries contain information on marriage and divorce law immigration citizenship passports suffrage and slave manumission Material is included on African American Native American and Asian American women as well as patterns of European immigration Period covered is from the 1600s to the outbreak of WWII Annotation copyrighted by Book News Inc Portland OR

Alabama Women Susan Youngblood Ashmore, Lisa Lindquist Dorr, 2017 An addition to the Southern Women series *Alabama Women* celebrates the contributions of women and enriches our understanding of the past Exploring such subjects as politics arts and civic organizations this collection of eighteen biographical essays provides insight into the historical significance of these women

Boles,2004-03-12 A Companion to the American South

surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women s history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns *ICGR 2018 International Conference on Gender Research* Dr Ana Azevedo, Dr Anabela Mesquita, 2018-04-12 *Votes for Women* Kate Clarke Lemay, Susan Goodier, Martha Jones, Lisa Tetrault, 2019-03-26 Published to accompany the exhibition *Votes for Women A Portrait of Persistence* at the National Portrait Gallery Smithsonian Institution Washington D C March 1 2019 January 5 2020 Colophon *The Harvard Guide to African-American History* Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Reconstruction in the United States David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government s official role in reforming the postwar South and protecting the rights of Black citizens In detailed annotations the book covers a range of literature from scholarly and popular studies to published memoirs letters and documents as well as reference sources and teaching tools The issues of Reconstruction civil rights states rights and federal state relations racism nationalism government aid to individuals continue to be relevant today and the literature on Reconstruction is large This book provides a systematic and comprehensive bibliographic guide to that literature It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South In addition to a variety of literature it covers the relevant Supreme Court cases through 1883 provides full citations to federal acts and cases cited and includes the texts of the 13th 14th and 15th Amendments to the Constitution The book will be useful to scholars and students researching a wide range of topics in Southern history constitutional history and national politics in post Civil War United States

Alabama in Africa Andrew Zimmerman, 2012-05-27 This work recounts an expedition sent by Tuskegee Institute to transform the German colony of Togo West Africa into a cotton economy like the American South This book reveals a transnational politics of labour sexuality and race invisible to earlier national imperial and comparative historical perspectives *Stealing from the Mother* Jerry Aldridge, Lois McFadyen Christensen, 2013-08-11 This book is the only available compilation of women in education and psychology whose work has been marginalized forgotten or attributed to their male colleagues This resource includes women from the progressive era 1900 1950 the psychological period 1950 2000 and the political period 2000 2010 Caucasian and African American scholars from the Northeast Southern and Midwestern

states are highlighted Some of the chapters are shorter than others due to the limited literature concerning some of the women In addition chapters describing the elimination of gender inequity in early childhood education the marginalization of women in education under No Child Left Behind as well as discrimination of women in higher education are included The book concludes with the need to rethink teacher education to include the exceptional contributions of the women who are showcased in this book Finally this source is an attempt to eliminate gender inequity in teacher education and educational psychology by restoring the contributions of feminine scholars

To Raise Up the South Sally G. McMillen, 2001-12-01 In the half century after the Civil War evangelical southerners turned increasingly to Sunday schools as a means of rejuvenating their destitute region and adjusting to an ever modernizing world By educating children and later adults in Sunday school and exposing them to Christian teachings biblical truths and exemplary behavior southerners felt certain that a better world would emerge and cast aside the death and destruction wrought by the Civil War In To Raise Up the South Sally G. McMillen offers an examination of Sunday schools in seven black and white denominations and reveals their vital role in the larger quest for southern redemption McMillen begins by explaining how the schools were established detailing northern missionaries collaboration in their creation and the eventual southern resistance to this northern aid She then turns to the classroom discussing the roles of church officials teachers ministers and parents in the effort to raise pious children the different functions of men and women and the social benefits of such participation Though denominations of both races saw Sunday schools as a way to increase their numbers and mold their children white southerners rarely raised the race issue in the classroom Black evangelicals on the other hand used their Sunday schools to discuss and decry Jim Crow laws rising violence and widespread injustices Integrating the study of race class gender and religion To Raise Up the South provides an exciting new lens through which to view the turbulent years of Reconstruction and the emergence of the New South It charts the rise of an institution that became a mainstay in the lives of millions of southerners

Reading Southern History Glenn Feldman, 2001-10-09 This collection of essays examines the contributions of some of the most notable interpreters of American southern history and culture The volume includes 18 chapters on such notable historians as John Hope Franklin Anne Firoz Scott and W J Cash

Taking Off the White Gloves Michele Gillespie, Catherine Clinton, 1998 When southern women remove their gloves they speak their minds The ten timely and provocative essays in Taking Off the White Gloves represent the collective wisdom of some of the finest scholars on women's history in the American South On the eve of the thirtieth anniversary of the Southern Association for Women Historians this volume brings together some of the outstanding lectures delivered by distinguished members of the association over the past fifteen years Spanning four centuries of women's experiences in the South the topics featured in Taking Off the White Gloves range from Native American sexuality and European conquest to woman suffrage in the South from black women's protest history to the status of women in the historical profession at the end of the twentieth century Despite diverse subject matter these rich essays share a number of

important qualities They take an integrative approach combining literary analysis social history cultural interpretation labor history popular culture and oral history Embracing the distinctiveness of the southern past and women s experiences within that past they also recognize the inextricability of critical categories such as sexuality and gender race and gender and women and work Finally these essays emphasize the authors commitment to the belief that the personal is political they reveal the subtle and not so subtle ways that women transform theory into practice Taking Off the White Gloves invites a new understanding of the complexities that surround the history of southern women across race class place and time A model of innovative and imaginative scholarly historical writing this book provides fertile ground for young scholars and is sure to inspire new research This thought provoking volume has much to offer scholars and students as well as the general reader

Gender and Jim Crow Glenda Elizabeth Gilmore, 2013-04-01 Glenda Gilmore recovers the rich nuances of southern political history by placing black women at its center She explores the pivotal and interconnected roles played by gender and race in North Carolina politics from the period immediately preceding the disfranchisement of black men in 1900 to the time black and white women gained the vote in 1920 Gender and Jim Crow argues that the ideology of white supremacy embodied in the Jim Crow laws of the turn of the century profoundly reordered society and that within this environment black women crafted an enduring tradition of political activism According to Gilmore a generation of educated African American women emerged in the 1890s to become in effect diplomats to the white community after the disfranchisement of their husbands brothers and fathers Using the lives of African American women to tell the larger story Gilmore chronicles black women s political strategies their feminism and their efforts to forge political ties with white women Her analysis highlights the active role played by women of both races in the political process and in the emergence of southern progressivism In addition Gilmore illuminates the manipulation of concepts of gender by white supremacists and shows how this rhetoric changed once women black and white gained the vote

Women of the American South Christie Anne Farnham, 1997-11-01 Among the most prominent icons of the American south is that of the southern belle immortalized by such figures as Scarlett O Hara Dolly Madison and Lucy Pickens whose elegant image graced the Confederate 100 bill And yet the women of America s south have always defied pat generalization no more readily forced into facile categories than women in the country s other regions Never before has a book of southern history so successfully integrated the experiences of white and non white women Among the myriad subjects addressed in the book are black women s suffrage the economic realities of Choctaw women female kin and female slaves in planters s wills the northern myth of the rebel girl second wave feminism in the South and southern lesbians Bringing to light the lives of Cherokee women Appalachian coal daughters and Jewish women in the South the essays all but one published in this book for the first time ensure that monolithic representations of southern womanhood are a thing of the past Filling a crucial gap in southern history and women s history Women of the American South is a valuable reference and pedagogical aid for a wide range of scholars and students

Adopting the Beat of Appearance: An Emotional Symphony within **Stepping Out Of The Shadows Alabama Women 1819 1990**

In some sort of used by displays and the ceaseless chatter of immediate conversation, the melodic beauty and psychological symphony developed by the prepared word usually disappear into the background, eclipsed by the constant sound and disruptions that permeate our lives. But, located within the pages of **Stepping Out Of The Shadows Alabama Women 1819 1990** a wonderful fictional treasure overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful composer of language, that interesting masterpiece conducts readers on a mental journey, well unraveling the concealed melodies and profound affect resonating within each cautiously crafted phrase. Within the depths with this emotional review, we shall investigate the book is key harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
