Steps Along The Way:

Steps Along the Way Diogenes Allen, 2002 In his latest book Diogenes Allen recounts his search for the Providence of God His journey includes reflections on the evolving role of faith in the world an exploration of the anguished and eloquent poetry of George Herbert a reading of the messages of love duty and forgiveness in the stories of Joseph and his brothers and the Prodigal Son and finally a single but moving tracing of his own regrets and joys as a person of faith Whether recounting a simple excursion or unraveling a complex poem Diogenes Allen shows us the pain of loss the wellsprings of joy and the power of a deep and lovingly cultivated faith

Steps Along the Healing Path Eric M. Rice, 2000-12 STEPS ALONG THE HEALING PATH is for the person who wants to know about true self healing how to become his or her own self healer The AMA recently disclosed that one out of every eight dollars spent for medical care in this country is for alternative health care It is clear that Americans are searching for the best methods available in health care STEPS ALONG THE HEALING PATH teaches us to first look within to solve our health problems so we can gain access to the inner wisdom that is our birthright It illustrates how many people have tapped into this inner wisdom and used it to find their own solutions to illnesses and other problems in their lives

With You Every Step of the Way Christopher B. Wolf, 2011-09 Where are you on your faith journey Many have described faith as a journey and it seems very accurate and appropriate to do so Now to be sure it s no random jaunt or spree It is a lifelong expedition with much uncertainty and loneliness The weight we carry rarely gets lighter and it requires more strength than we know we have Along this journey we lose our way and our confidence We get distracted and stuck and sometimes become hopeless and despairing but we also learn and gain wisdom celebrate and find meaning and ultimately arrive at discovering who God created us to be and who God really is As with every long journey our faith journey needs a map perhaps even an atlas Thankfully each and every step of our journey is intimately and definitively known by our loving God who is there With You Every Step of the Way Christopher B Wolf s new book is for everyone who desires to navigate and draw closer to God along the unpredictable but exhilarating journey of faith It serves as a word atlas of both the things we need along the way and what we receive assurance heart and soul fellowship possibilities and transformation Formatted for the individual who needs insight and support as well as for the small group that wants to grow study and think together With You Every Step of the Way includes thoughtful messages as well as reflection questions that will inspire compelling contemplation and discussion Christopher B Wolf is the author of *Giving Faith a Second Chance Restarts Mulligans and Do Overs* He has served and led churches in New Jersey and Michigan and now lives in Saddle Brook New Jersey with his wife Jennifer and children Brian and Madelyn He also writes a weekly message called *Living Water* To sign up and visit with him go to his website www.christopherbwolf.com or you can find him on Facebook and Twitter
