represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Library Journal ,2002 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Broken Dishes** Earlene Fowler,2005-05-03 When Benni Harper s friend passes away he leaves his Broken DIS ranch to his daughter Shawna and her husband Instead of raising cattle the couple decides to turn it into a dude ranch And while their intentions may be good business is not Leave it to Benni and her family to come to the rescue Her plan To tempt vacationers with a quilting and western extravaganza It works And soon Benni and her family are cooking quilting and horseback riding with a whole slew of western tenderfoots But the west gets a little too wild when one of the ranch dogs discovers a human bone on the property It s enough to scare any reasonable guest away To top it off there s a rumor that one of the visitors is a nationally known travel writer secretly working on a write up A bad review could easily kill business Before long Benni s old nemesis Detective Ford Hud Hudson is on board investigating Together they uncover the remains of a murdered man buried in a shallow grave Now Benni must keep the guests safe and happy while unearthing the truth behind a terrible crime Sequels Janet G.
