Seduced by the Light Alexandra Rimer, 2023-05-01. Seduced by the Light is the first and only biography of Mina Miller Edison, the wife of Thomas Edison, the woman who created and shaped the myth of one of the most seminal figures in America's history. The Thomas Edison we think we know was essentially created by Mina Miller Edison. Exhaustively researched by author Alexandra Rimer, this account draws on unprecedented access to Edison family diaries, memoirs, and letters to look below the surface of the Edison family during the Gilded Age from the little-known perspective of this female protagonist. Following his first wife's death, Thomas Edison went in search of the next mother to his children and chose a wealthy twenty-year-old socialite from Ohio who was nineteen years his junior. What Mina did not know at the time was that Edison was a terrible father, completely neglecting his children, and ultimately Mina herself. Absorbed in his work, he only interacted with his family at dinner and sometimes not even then. The result was a dysfunctional family overseen by a saintly matriarch who went to great lengths to protect Edison's reputation as well as that of his wayward children.

Stepson to the Mob Marc Bradley, 2021-11-29. From the time I was old enough to form my first memory, my childhood was already headed down the inevitable path of dysfunction. With divorce in the books and a new man in the house, these events actually turned out to be the easy part. The hard part was absolutely everything else that followed. From the depths of addiction to the height of recovery, from a life-threatening diagnosis to the ultimate loss of a lifetime, my story will take you through a journey of one mother's love for her two young boys and the relentless courage to protect us at any cost from the very danger that she unwittingly had a hand in creating. It

was a danger that would force us to disappear without a trace from the only home we ever knew to a small town that no one could even pronounce And as our lives were so quickly being turned upside down all reasons for this upheaval could only point to one thing the new man in the house As the secrets began to pile up there seemed to be far more questions than answers The pressure to keep these secrets from us would inevitably take its toll and by the time the truth was finally revealed the emotional damage had already been done No matter what degree of dysfunction that was dealt us as two innocent boys from Chicago thanks to our mother s unwavering love we always had one thing to hold on to hope Hope of a second chance Hope of a fresh start The hope of a better ending to our story than the tragic beginning we were so unfairly given
