Douglas Kenneth Peary, 2004-04-08 Each of the 17 chapters of this book is an introduction to the life and beliefs of a great scientist philosopher poet or thinker who rejects faith in theistic concepts of religion developed by primitive people They run from Voltaire Thomas Paine and Robert Ingersoll to Walt Whitman Isaac Asimov and Carl Sagan These thinkers expound on their views of the natural world and on what we can hope and believe based on the scientific method and discoveries They fill us with overwhelming sense of wonder and awe by what they teach about how to view our wonderful world They teach us to thrill to evolving life and to be at peace with ourselves despite the limits of our lives Past President of the Humanist Association of Central Connecticut Dr David Schafer said For several years among the talks most consistently popular with our members have been those in Doug Peary s long running series Humanist Heroes One reason seems to be the emotional intensity Doug brings to his research on each of his subjects

an intensity that continues to reward him and us deeply with each of his subjects with each new biography he touches These are not just interesting stories from and about the lives of Humanists they are intimate glimpses of more meaningful insights into living working loving and dying profoundly inspirational for Doug and his audiences *Jumpin' Jehovah* Paul Tice,2007-07 With this book your views on God will never be the same With clear Biblical evidence Jehovah is shown to be an entity with no sense of ethics forgiveness or compassion Was Jehovah a god or a demon Why did he never promise a heaven or any kind of reward to his followers Does any entity that murders thousands of devoted followers deserve to be worshiped Jehovah has stopped punishing people in terrible ways so its probably safe to buy this book **Dumbth** Steve Allen,2009-12-04 Critics have raved about this delightful book Allen addresses the muddleheadedness or dumbth that pervades all segments of American life and work and offers 81 rules for good thinking **Vulgarians at the Gate** Steve Allen,2010-10-05 In an effort to raise the standards of popular culture the late Steve Allen speaks out against trash TV and raunch radio in *Vulgarians at the Gate* The honorary chairman of The Parents Television Council describes what the group is doing to raise a chorus of protest and shows what all concerned citizens can do to help No Sense of Obligation Matt Young,2001-06-28 Rejecting belief without evidence a scientist scrutinizes scientific theological and philosophical literature for a sign from God and finds God to be an allegory This remarkable book leaves no room for unproven ideas and exposes a universe without reason or purpose **But Seriously...** Steve Allen,2010-10-05 Versatile entertainer Steve Allen is the creator of The Tonight Show and PBS s award winning Meeting of the Minds In But Seriously he explores such topics as nuclear war interracial justice and Frank Sinatra One article titled How to Attack a Liberal advises conservatives how to best ethically confront his beliefs His reflections tackle weighty topics sure to be thought provoking **How to Be Funny** Steve Allen,2010-11-02 No one knows more about comedy than Steve Allen For more than five decades as a writer performer and keen observer of the social scene he has looked into every aspect of who s funny what s funny and why Allen shares his discoveries in How to Be Funny the book designed to help everyone develop their special talent for funniness Now reissued in paperback How to Be Funny covers all the basics including joke telling ad libbing writing humorously performing comedy emceeing and much more Allen takes you inside the world of comedy from the early writings of Mark Twain to the more contemporary work of Rodney Dangerfield and Bill Maher Allen even provides homework assignments for the budding comic Yet How to Be Funny is far more than just a book for aspiring comedians it will help anyone who wants to be a more amusing conversationalist a more effective public speaker and everyone who just wants to be the life of the party **Make 'Em Laugh** Steve Allen,2013-05-24 The success of Steve Allen s How To Be Funny led first to the republication of that book and now occasioned a companion volume Make Em Laugh This new how to book about the art of comedy includes an even richer assortment of examples of the author s unique humor In Make Em Laugh Allen laces his formal instruction with hilarious ad libs written jokes TV comedy sketches satires song parodies humorous essays amusing autobiographical reminiscences one

act plays witty speeches and stand up monologues from his comedy concerts Noel Coward called Steve Allen the most talented man in America and he is probably the most borrowed from comedian of all time The perceptive reader will recognize many of the comic ideas that Allen originated during the Golden Age of television comedy ideas that are still influential in the 1990 s If there were a college course in creating and performing comedy Make Em Laugh would be the ideal textbook

**The Code for Global Ethics** Rodrigue Tremblay, 2010-12 Humanists have long contended that morality is a strictly human concern and should be independent of religious creeds and dogma This principle was clearly articulated in the two Humanist Manifestos issued in the mid twentieth century and in Humanist Manifesto 2000 which appeared at the beginning of the twenty first century Now this code for global ethics further elaborates ten humanist principles designed for a world community that is growing ever closer together In the face of the obvious challenges to international stability from nuclear proliferation environmental degradation economic turmoil and reactionary and sometimes violent religious movements a code based on the natural dignity and inherent worth of all human beings is needed more than ever In separate chapters the author delves into the issues surrounding these ten humanist principles preserving individual dignity and equality respecting life and property tolerance sharing preventing domination of others eliminating superstition conserving the natural environment resolving differences cooperatively without resort to violence or war political and economic democracy and providing for universal education This forward looking optimistic and eminently reasonable discussion of humanist ideals makes an important contribution to laying the foundations for a just and peaceable global community
