musician's contribution to the music of our age. The single song focus makes the book unique. It's a playlist for R n R professors and the general public written with a collegiate vocabulary, tight organization, and a respect for all. Hearing Elvis for the first time was like busting out of jail. Bob Dylan? That being said, no one is being incited here to bust out of jail or to emulate the quixotic habits of rock stars. There's nothing in here to hide from the kids, the clergy, or grandma. Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold Rush takes thousands of songs spanning three centuries and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's *Movie Guide* helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that went gold from the 1897 Alaska Klondike Gold Rush to the 1 songs of today and beyond.
