it has also fuelled many problems from climate impacts and air pollution to digital manipulation and the invasion of privacy In many parts of the world there are demands for government action to restrain greed irresponsibility and short termism But what about positive solutions How do we define the contributions that we all want business and investment to make That is the challenge to which Ong Boon Hwee and Mark Goyder respond They argue that if our societies are to be set on a forward looking virtuous cycle and a less damaging course we will need every ounce of human ingenuity the inventiveness of entrepreneurs the dynamism of companies and the adaptability of markets We need a sense of ownership and purpose anchored on strong values We need to be better at valuing the future and rewarding those whose work will benefit future generations We need a better form of capitalism one which while promoting competition is there to serve and not dominate to respect human beings and not exploit them to nurture our surrounding environment and not destroy it This will only be achieved by injecting the spirit and principles of stewardship into the decisions of investors business leaders regulators and citizens The authors draw on their combined experience gelling the perspectives of East and West to offer a vision and agenda for responsible wealth creation Stewardship means that we manage nurture and grow what has been entrusted to us so that we hand it over in a better condition to the next generation This book offers ideas and guidance for people in all levels of business asset owners asset managers investors shareholders board directors management policymakers and regulators It is a handbook for all those willing to play their part in responsible wealth creation now and for future generations It says to each participant consider what you have been entrusted with and then decide what you are doing about your stewardship responsibilities

The Stewardship Companion: Lectionary Resources for Preaching William H. Willimon, David N. Mosser, 2007 *Environmental Stewardship* J. Douma, 2015-03-17 If any single word in the Christian vocabulary captures our relationship to and responsibility for the environment that word is stewardship It is a word that brings into view the relationship between humanity and the natural world of water land animals and fellow human beings Nevertheless today some people think Christianity especially Calvinism is largely responsible for many of our environmental problems The language of exercising dominion subduing the earth creation mandate and technological progress somehow suggests abuse exploitation and pollution But are these criticisms correct In this book you will receive an honest and clearheaded analysis from a Christian perspective of our role as human beings in caring for the environment along with careful explanation of important Bible passages and teachings relating to environmental stewardship What about humanity's relationship to the earth to animals to their own genetic capacities What about genetic screening Germline therapy Eugenics When do science and scientific experimentation cross the moral boundary line This primer will introduce you to this timely moral discussion while placing before your eyes with honest detail both the damage resulting from our human interaction with the creation and our personal duties toward the Creator of this earth

Mutonono, 2018-03-14 Africa's national leaders have failed the continent So have Africa's church leaders In Stewards of Power Restoring Africa's Dignity Dwight Mutonono identifies the leadership problems plaguing the continent and appeals for good leadership in the style of the biblical Joseph rather than the xenophobic self centred style exemplified by Jonah He offers practical suggestions for how African Christians can reject sycophancy and demand accountability from their leaders

The Missions and Missional Purpose of Ephesians Timothy A. van Aarde, 2023-01-12 The purpose of the letter to the Ephesians is unknown The book suggests that the purpose of Ephesians is about missions and being missional The author of Ephesians committed the task of missions to the church The author located the mission of the church in the redemptive plan of God The redemptive plan oikonomia of God consists of historical epochs of missions the mission of Israel the mission of Christ the mission of the disciples the mission of the apostles and the mission of the church The term missional has been used ambiguously The existence of a distinction between the mission of the church and missional church is demonstrated and both expressions of mission are grounded in the biblical text of Ephesians The mission of the church is grounded in an exposition of Eph 1:3 and the missional church is grounded in an exposition of Eph 4:6 The author of the letter intended for the mission to the nations to be continued by the church this is the mission of the church He intended for the members of the church to continue to reach out to their local community this is expressed by the missional church The mission of the church has been grounded in the Great Commission The missional church is grounded in the values morals and lifestyle principles set out in Eph 4:6

The Not So Subtle Art of Caring Phillip Kane, 2022-06-24. Virgin's Richard Branson, Zappos' Tony Hsieh, and Tesla's Elon Musk, apart from their obvious success, all share another thing in common: Each utilizes storytelling to maximize their effectiveness as leaders. Many of the most influential leaders of our and all time, including arguably the most influential leader in history, used storytelling whenever they had a particularly important point to make. Encouraged by these influences, a father who was a known storyteller and a Nigerian priest who used stories to bridge a language barrier, author and successful businessperson Phillip Kane used stories each Friday throughout his career to help business associates relate to key issues facing the organizations he had the privilege to lead. These weekly letters had less to do with what was going on in the business than how people thought about what was going on in the business. By helping shift and align his teams' point of view, Kane and the teams he led were able to accomplish more and win more often. All because of the stories he told. Many of them are assembled here in one place for the first time. Organized around key themes like encouragement, trust, and gratitude, Kane also provides additional insights for existing or aspiring leaders looking for a different, better way to appeal to those who should be following them. Featured twice in Kouzes and Posner's *The Leadership Challenge*, Wiley first-time author Phillip Kane's storytelling technique and the leadership lessons he imparts are key for any leader seeking to create winning teams built on a fundamental foundation of caring and service to others.
