NIV Stewardship Study Bible, 2012-06-19. Stewardship is an idea that most of us don't think about until we find ourselves in personal financial crisis or the nation does. And we may know that stewardship is about more than money, but the whole idea can be so overwhelming. How do we figure it out? How do we live lives of stewardship? Is it achievable? What does it mean? Through 366 Exploring Stewardship notes, profiles of individuals, notes on challenges to stewardship, quotes on stewardship from respected Christians throughout the ages, and other articles, it helps the NIV Stewardship Study Bible project a positive picture of the privilege we have in managing what God has given us to give him glory and to build his kingdom. More than just money, this Bible emphasizes stewardly responsibility in all areas of life, including relationships, creation care, money management, institutions, and caring for the poor. It's been pulled together with the purpose of changing perceptions about what the word stewardship means, not something intended to be draining and guilt-inducing, but rather motivating, empowering, and uplifting. The NIV Stewardship Study Bible has been endorsed by Crown Ministries, Dave Ramsey Goodense Ministries, the Barnabas Foundation, Prison Fellowship, and various other programs and ministries that seek to encourage responsible stewardship among Christians. This Bible is a natural next step for people who benefit from these ministries and take part in their programs.

NIV 2011: The New International Version. NIV translation of the Bible is the world's most popular modern English Bible, easy to understand yet rich with the detail found in the original languages.

A New Vision, a New Heart, a Renewed Call, David Claydon, 2005.

God's Heart for Children, Rosalind Tan, Nativity A. Petallar, Lucy Kajidori, 2022-05-31. In the New Testament, Jesus is explicit in communicating God's heart for children. Yet what does it look like for that heart to encounter the contextual realities of life in the twenty-first century? This book explores the theological implications and practical realities of ministry with children in a globalized world. Affirming eight core beliefs regarding the place of children in creation—that they are created with dignity and intended to be placed in families, cared for in community, advocated by society, secured in hope, affirmed in God's church, included in God's mission, and engaged in creation care—this book traces the impact of such far-reaching issues as displacement, climate change, human trafficking, persecution, and gender discrimination on childhood development. Written by over twenty contributors from around the world, each section roots its premise in contextual theology, examines the implications for praxis, provides a case study, and includes questions for discussion and reflection. Through each chapter, the conversation around childhood development is broadened, prioritizing the experiences of children and

practitioners to truly reflect the realities of our changing world This is an excellent resource for all those concerned with the current risks facing children especially among the world s most vulnerable populations and what best practice looks like as the people of God work to bring God s heart and hope to children in their communities and beyond *Hippie Voices to God's Heart* David L. Ream,2024-01-24 Here is a phenomenological inquiry into the fruitful ministry of Calvary Chapel Costa Mesa s Sunday Morning Worship Service The purpose was to uncover and explicate the quintessential elements of worship leading from the life experiences of those worship leaders who shared the platform with Pastor Chuck Smith known as the father of the Jesus Movement The book examines Calvary Chapel s inauspicious beginnings in a senior citizen trailer park recreation center as it explores key elements of Kay and Chuck Smith s ministry The church and the couple combined in 1965 By 1968 the church and the Smiths became a spiritual home replete with a spiritual mama and papa ministering to hippies seeking everlasting love and eternal peace The fruitfulness of Calvary Chapel s ministry is its ability to reproduce maturing Christians that reproduce maturing Christians This replication occurred thousands of times as the movement blossomed and spread to new churches and new ministries across the United States and globally The phenomenon spawned a megachurch movement and birthed the modern Christian worship music industry The hippies were alternately loathed and loved in their era Perhaps the hippies most enduring and endearing contributions to twenty first century culture are traced to the Jesus movement

Educational work today is considered a delicate task of accompaniment, a shared life project. Intentionally proposed goals and values assimilated by those who facilitate the educational experience itself. Educators vitally linked to the educator is the student, the center of all educational action in his own social context, in his personal dynamism, in his generational sensitivity, in his dreams, and in his aspirations. The educator and the student are key factors in the learning experience. Both are an essential element in the educational universe. Both are, metaphorically speaking, a binary star, two bodies with similar mass orbiting around a center of mass in elliptical orbits. In the absence or loss of one of them in the relationship or in their own individuality, the educational experience itself is destroyed. Both must fluctuate in the role of each other, linked but not assimilated. In this book, education is an art that touches the most sensitive fibers of the whole student, the heart. The heart is understood as the center of decision-making, as the place where affections are clearly present, as the meeting point where will and reason converge, like the horizon in which educational love meets and intertwines with reason and openness to transcendence.
