one of the most seminal events in the history of the philosophy With his defense of Socrates s method of intellectual inquiry and the development of his Theory of Forms Plato caused a now familiar cluster of metaphysical and epistemological issues to become central to philosophy The Donnellys James Reaney, 2008-05-12 Based on the true story of an Irish family with seven sons and one daughter immigrating to Biddulph Township near London Ontario in 1844 The Donnellys tells the tale of mystery and truths stranger than fiction It is the story of a secret society and a massacre that shocked the Canadian public a story overlooked by the artistic community until Reaney s play elevated the events to the level of legend First published in 1975 this script takes its place among other true Canadian classics on university and college course listings and in the hearts of drama lovers everywhere The Donnellys is a trilogy comprised of Sticks Stones St Nicholas Hotel and Handcuffs three tense and mythic tragedies that garnered critical praise at the 1973 Tarragon Theatre opening and continue to acquire accolades from professors actors and artistic directors across the country As with the drama of Yeats Eliot O Neill Brecht and Beckett this rendering of a generation of Irish settlers and their brutal murder at the hands of more than thirty vigilante killers is controversial and exciting to this day Foreword Afterword and Chronology by James Noonan Sticks, Stones, Roots & Bones Stephanie Rose Bird, 2004 Tracing the magical roots of hoodoo back to West Africa the author provides a history of this nature based healing tradition and offers practical advice on how to apply hoodoo magic to everyday life
