Ward Powers, 2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul s meaning held by the Early Church Fathers although he explains and expounds

those views This is particularly the case in relation to chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today's world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul's opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God *The Man Christ Jesus* Bruce A. Ware, 2012-11-30 Liberal attacks on the doctrine of the divinity of Christ have led evangelicals to rightly affirm the centrality of Jesus's divine nature for his person and work At times however this defense of orthodoxy has led some to neglect Christ's full humanity To counteract this oversight theologian Bruce Ware takes readers back to the biblical text where we meet a profoundly human Jesus who struggled with many of the same difficulties and limitations we face today Like us he grew in faith and wisdom tested by every temptation common to man And like us he too received power for godliness through the Holy Spirit and thus serves not only as the divine Lord to be worshiped but also the supreme Human to be followed **The Wiersbe Bible Commentary: Old Testament** Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe's popular Be series of Bible study books this commentary carefully unpacks all of God's Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe's trustworthy insights on the entire Old Testament's New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that's free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It's the trusted reference you'll love to read **Interpreting the New Testament Text** Darrell L. Bock, Buist M. Fanning, 2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible *Communion A Practical Approach to Partaking in Communion* Mildred

Mukong,2025-03-26 Partaking of communion and partaking in communion is a lifestyle Our sanctification journey is Blood and Word dependent The Blood of Jesus Christ begins the process for us the Word of God sustains the journey Therefore Jesus also that He might sanctify the people with His own blood suffered outside the gate Hebrews 13 12 NKJV Let us draw near with a true heart in full assurance of faith having our hearts sprinkled from an evil conscience and our bodies washed with pure water Hebrews 10 22 KJV Our knowledge of the Word of God is only as effective as our knowledge of the Blood of Jesus Christ Understanding the communion makes a difference in our fellowship and service in the kingdom of God How much more shall the blood of Christ who through the eternal Spirit offered Himself without spot to God cleanse your conscience from dead works to serve the living God Hebrews 9 14 NKJV *Come Now, Let Us Argue It Out* Jon Burrow-Branine,2021-11 *Come Now Let Us Argue It Out* provides a look into a community that challenges common narratives about what it means to be LGBTQ and Christian in the contemporary United States Based on his participant observation fieldwork with a faith based organization called the Reformation Project Jon Burrow Branine provides an ethnography of how some LGBTQ and LGBTQ supportive Christians negotiate identity and difference and work to create change in evangelicalism *Come Now Let Us Argue It Out* tells the story of how this activism can be understood as a community of counter conduct Drawing on a concept proposed by the philosopher and historian Michel Foucault Burrow Branine documents everyday moments of agency and resistance that have the potential to form new politics ethics and ways of being as individuals in this community navigate the exclusionary politics of mainstream evangelical institutions culture and theology More broadly Burrow Branine considers the community s ongoing conversation about what it means to be LGBTQ and a Christian grappling with the politics of inclusion and representation in LGBTQ evangelical activism itself *The Expositor's Bible Commentary* David E. Garland,2007-04-29 This is a revision of the Gold Medallion Award winning commentary series It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint *The Bible in American Life* Philip Goff,Arthur Emery Farnsley,Peter Johannes Thuesen,2017 There is a paradox in American Christianity According to Gallup nearly eight in ten Americans regard the Bible as either the literal word of God or inspired by God At the same time surveys have revealed gaps in these same Americans biblical literacy These discrepancies reveal the complex relationship between American Christians and Holy Writ a subject that is widely acknowledged but rarely investigated *The Bible in American Life* is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the Internet shape individuals comprehension of scripture Employing both quantitative methods the General Social Survey and the National Congregations Study and qualitative research historical studies for context *The Bible in American Life* provides an unprecedented perspective on the Bible s role outside of worship in the lived religion of a broad cross section of Americans both now and in the past The Bible has been central to Christian practice and has functioned as a cultural

touchstone From the broadest scale imaginable national survey data about all Americans down to the smallest details such as the portrayal of Noah and his ark in children s Bibles this book offers insight and illumination from scholars across the intellectual spectrum It will be useful and informative for scholars seeking to understand changes in American Christianity as well as clergy seeking more effective ways to preach and teach about scripture in a changing environment **The Bible**

Exposition Commentary Warren W. Wiersbe,2003 With this final installation in this six volume set Dr Wiersbe has covered the entire Bible **Genesis** John H. Walton,2011-01-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written Good Ole Rotten Apples Judy Frankamp,2014 Judy Frankamp discovered that being raised

in a religious home was not enough It was only when Jesus her Saviour became the Lord of her life she truly understood what it meant to be born again Then she could not help but be honest and confront those around her She takes us into specific issues that have bothered many Christians but they could not quite get a handle on them Frankamp knows how to put them into words With an engaging homey style the author explains how she learned that her favorite Christian talk show host was really pushing the New Age She puts into plain language what is wrong with Harry Potter She describes her confrontation with liberal pastors who didn t care if their Bible had removed or changed the words of God They just didn t want to make waves On several occasions she writes from the point of view of Satan and his devils scheming how to derail Christians There are some things like the Harry Potter craze that we just know aren t right but can t explain it After reading Frankamp s story you ll know how **NET Bible - Novum Testamentum Graece Diglot (Greek / English) -Tan Bonded Leather**
