Wiens, 2024-10-31 Delbert Wiens was born during the depression to an ethnic German speaking Mennonite family As an adult he became the righteous older sibling who wanted oddly to identify with his elders Returning home to Corn Oklahoma with a severe case of culture shock after living in Vietnam he wrote *New Wineskins for Old Wine* to tell Mennonites they were succumbing to evangelical forms of modernism Unfortunately the relentlessness of his analysis convinced many that he had a dangerous mind This book tells the story of his recovery of the wisdom of his elders In response Wiens develops metaphors like concrete and abstract to clarify how civilizations evolve He centers his attempt to tell stories that like biblical narratives and parables evoke traditional attitudes and lifestyles Phrases like mutual aid and ethnic cliches like Gottesfurcht honoring God and Gelassenheit letting go and letting God are used to describe their qualities and virtues The final chapters use a more abstract style to trace some of the positive and negative consequences of progress This book circles around its center chapters 4-9 that describes the faithfulness and character of his elders May these meditations better evoke the desire to imitate them Yoga Journal

Block,2012-04 When instruments are harmoniously joined together beautiful music ensues Just as in a classic symphony life often occurs in phases or movements In his creative comparison *Symphony 1 in a Minor Key* literary exegete Alan Block shares his philosophies on four movements reflected in his own life each loosely modeled on a different musical form linked to the emotions of a life both fully lived and joyously celebrated In the first movement *Sonata Allegro* Block juxtaposes biblical stories with personal experiences as he explores the contradictory nature of what it means to leave home in search of another home In the second movement representing a slow march to and from the grave he focuses his examination on the funerals of three very different people from a Jewish perspective In strong contrast Block presents a glimpse into his absurd daily world in the third movement punctuated by jokes and commentary Finally he shares a celebration of life and hope inspired by the final movement of Beethoven s *Seventh Symphony* encouraging others to be open to the sublime and realize that none of our worlds is perfect *Symphony 1 in a Minor Key* shares one man s reflections as he offers a fascinating meditation on life death and everything in between
