Still Telling:

Still Telling It As It Was (More Memories of the Black Country) Kathleen Hann, 2005 The second part of Kathleen Hann's autobiography *Still Telling It As It Was* sees us through her early married life in the Black Country from 1951 to her move to Telford in 1969. With her husband Peter just demobbed they face financial hardship due to low wages and high housing costs. Bringing up three children at the time Kathleen shows her love, care, mettle and great skills with make do and mend which have been passed on by her mother. Unwittingly renting a room to a prostitute and her pimp buying a war bombed house and getting a failing public house back on its feet are just a few of the trials and tribulations which Kathleen and Peter face in this story. Tales of terribly hard physical labour for both of them which left permanent physical and mental scars are retold with chilling accuracy. The progress of her son's major illness is also described with great passion and dignity especially considering the way she was treated by some of the medical profession at the time. There are lighter notes though the DIY chimney sweeping saga, the Golden Child who stuffed her knickers down the drains and Kathleen's own very short fuse to an exploding temper. These all bring very different and sometimes highly amusing insights into this very closely knit and loving family. A vital document for any social historian or a grippingly real story of hardship in the Black Country of the 1950s and 60s, this book is a prime candidate for anyone's must read list.

Tell Me an Ending Jo Harkin, 2022-03 About a tech company that deletes unwanted memories, the consequences for those forced to contend with what they tried to forget and the dissenting doctor who seeks to protect her patients from further harm.

THE GRANDMOTHER KISHORE SHARMA SARASWAT, Revolving around the life of a distressed woman, namely Ram Asari, and her adopted son Munna, it is a saga which tells about her unprecedented motherly love and affection towards him, even at the cost of her own life. It won't be an exaggeration to say that like the protagonist Pelagea Nilovana of the famous novel *The Mother* of the great Russian Writer Maxim Gorki, Ram Asari, despite being an uneducated woman, also emerged as a lustrous idol of a woman of strong will and feelings. The only difference between them is that where Nilovana is a face of radicalization, Ram Asari is a symbol of affection and selflessness. With a hope kindled in her mind, she did hard labour to raise her Munna as a personage, and in this pursuit, she ultimately loses the race of her own life. This is such an affectionate story that there could hardly be any reader who won't shed tears from the core of his/her heart by reading this book. It is a very fascinating novel full of attractions, horripilation and curiosity, and thus has great appeal to keep the readers engrossed in it till the finishing of the last line.

A Warrior of the People Joe Starita, 2016-11 An important and riveting story of a 19th century feminist and change agent. Starita successfully balances the many facts with vivid narrative passages that put the reader inside the very thoughts and emotions of La Flesche. *Chicago Tribune* On March 14, 1889, Susan La Flesche Picotte received her medical degree, becoming the first Native American doctor in U.S. history. She earned her degree thirty-one years before women could vote and thirty-five years before Indians could become citizens in their own country. By age twenty-six, this fragile but indomitable Native

woman became the doctor to her tribe Overnight she acquired 1 244 patients scattered across 1 350 square miles of rolling countryside with few roads Her patients often were desperately poor and desperately sick tuberculosis small pox measles influenza families scattered miles apart whose last hope was a young woman who spoke their language and knew their customs This is the story of an Indian woman who effectively became the chief of an entrenched patriarchal tribe the story of a woman who crashed through thick walls of ethnic racial and gender prejudice then spent the rest of her life using a unique bicultural identity to improve the lot of her people physically emotionally politically and spiritually Joe Starita's *A Warrior of the People* is the moving biography of Susan La Flesche Picotte's inspirational life and dedication to public health and it will finally shine a light on her numerous accomplishments T-Shirt Swim Club Ian Karmel, Alisa Karmel, PsyD, 2024-06-11 NATIONAL BESTSELLER Comedian Ian Karmel with help from his sister Dr Alisa Karmel opens up about the daily humiliations of being fat and why it's so hard to talk about something so visible As charming and funny as it is poignant and thoughtful Roxane Gay author of *Hunger A Memoir of My Body* Ian Karmel has weighed eight pounds and he has weighed 420 pounds and right now he's almost exactly in between the two but this book is not a weight loss book It's about being a fat person in a skinny world It's about gym class and football practice about chicken wings and juice cleanses about airplane seats and roller coasters about fat jokes and Jabba the Hutt about crying in the Big and Tall section and the joys of being a sneakerhead about prediabetes and gout and about realizing that you actually don't want to eat yourself to death and hoping it's not too late This book also includes a What Now section from Ian's sister Alisa who herself cycled through so many fad diets that she eventually pursued a master's in nutrition and a doctorate in psychology with the goal of changing the contemporary narrative around fatness Ian and Alisa Karmel grew up fat As kids they never talked about it They were too busy fighting over the last SnackWell's Devil's Food cookie Now decades later having both turned into fat adults who eventually figured out how to get their health under control they are finally ready to unpack the impact that their weight has had on them For them the T-Shirt Swim Club is meant to be a place of support for anyone who struggles with weight issues A place of care and candor free of shame A place to not deny or avoid the emotions you feel the experiences you go through the embarrassment the anger the resentment T-Shirt Swim Club is about being a fat person and how the world treats fat people but also an acknowledgment that maybe it doesn't always have to feel quite so lonely **Through Tear-Filled Eyes** Paula Owston, 2013-01-04 When my parents were fighting the same lung cancer at the same time in 2009 my world suddenly turned upside down I had reached a point where I did not care about anything I believed the Lord had abandoned me in my darkness I was ready to toss the towel in on everything and walk away I had no idea how to regain my faith or if I wanted to find it *Through Tear Filled Eyes* is my story *A Safari Guide's Tales from Zimbabwe* Gavin Ford, 2015-05-15 This book is an illustrated collection of short stories and memories of a Zimbabwean Professional Guide who loves what he does All of the stories are factual accounts that happened to me except the one about Alistair Hull a close colleague These stories were

about incidents that happened to me during the early years of eco tourism in Zimbabwe prior to 2000 All of the photographs except where indicated were collected by myself at different times during this period and I have attempted to present them in a sequence similar to the stories His Love Was All I Needed T.
