

A surreal, dark landscape under a starry night sky. In the center, a large, white pyramid stands on a dark, undulating surface. A bright, horizontal band of pink and purple light glows behind the pyramid. In the lower-left foreground, a small, dark silhouette of a person stands on the dark surface, looking towards the pyramid. The overall mood is mysterious and contemplative.

Still Listening Norvene Vest, 2000-10 Cutting edge essays written by seasoned spiritual directors which examine a variety of new frontiers in spiritual direction in the 21st century

**Still Listening** Susan Vitalis, 2017-05-30 God sets a path for anyone who wants to follow but it's rarely a singular event. Instead, God nudges almost continuously those who listen. Dr. Susan Vitalis followed His call to put her medical training to use in some of the most poverty-stricken areas of the world to make her calling her vocation a supremely satisfying and enlightening time in her life. But one day, through unimaginable changes, He nudged her another direction. Traversing that wilderness of loneliness and uncertainty was neither simple nor easy, but with God's help, she found the wisdom to start again to turn her new calling into her new vocation. Still Listening is every person's journey through life's stages of passion, authenticity, despair, and hope. It's an authentic look into what it means to listen to not only the good but the best God has for your life because He will never nudge you toward a dead end but simply a crossroad. Dr. Vitalis has worked with patients and trained health care workers in 15 countries, and her impact is felt around the globe. Her message is one of clarity for college students, health care professionals, nonprofit leaders, and anyone who has a passion to see the world changed.

**Secrets Of The People Whisperer** Perry Wood, 2008-09-04 In 1990, Perry Wood shelved his music career to breed, break in, and train horses. All my work with horses, he says, has been about exploring deeper communication, learning to understand and influence another being for the mutual benefit of both parties. As time went on, I realised that more communication was happening below the surface than people normally noticed. I started to apply these observations to the people who came to me to learn, at which point it was suggested that what I was doing with the horses and people would be transformational if it was brought into corporations. He was right; it is. What I bring to this work is not only my learning from years of horse whispering and people training but also the non-judgemental spiritual essence of unconditional love that is present in everything. In *Secrets of the People Whisperer*, Perry Wood shows with unique simplicity how to listen to yourself, how to listen to others, and once you've mastered these skills, how to set goals and turn your life into a stunning success story.

**Vigilance** Robert Jackson Bennett, 2019-01-29 Robert Jackson Bennett's *Vigilance* is a dark science fiction action parable from an America that has permanently surrendered to gun violence. The United States 2030. John McDeane, executive producer, produces *Vigilance*, a reality game show designed to make sure American citizens stay alert to foreign and domestic threats. Shooters are introduced into a game environment, and the survivors get a cash prize. The TV audience is not the only one that's watching, though, and McDeane soon finds out what it's like to be on the other side of the camera. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Dog Eat Dog** Niq Mhlongo, 2012-06-13 *Dog Eat Dog* is a remarkable record of being young in a nation undergoing tremendous turmoil and provides a glimpse into South Africa's pivotal kwaito South African hip hop generation and life in Soweto. Set in 1994, just as South Africa is making its post-apartheid transition, *Dog Eat Dog* captures the hopes and crushing

disappointments that characterize such moments in a nation's history. *Raucous and darkly humorous Dog Eat Dog* is narrated by Dingamanzi Makhedama Njomane, a college student in South Africa who spends his days partying, skipping class, and picking up girls. But Dingz, as he is known to his friends, is living in charged times and his discouraging college life plays out against the backdrop of South Africa's first democratic elections, the spread of AIDS, and financial difficulties that threaten to force him out of school.

**Father of Lies** Susan C. Ryan, 2021-06-08. Father James Ennis's life is fulfilling enough. He is content to tend to the concerns of his aging parishioners at St. Patrick's, including the Brennans whom he suspects are being swindled, and be a loving if remote uncle to his sister Lizzie's two children. There's also the matter of coping with the growing insistence of the sinister, unseen presence that has inhabited his life for two decades now. Twenty-seven-year-old Emily Bell is desperate to fit into the rarefied world of her colleagues at the Manhattan auction house where she works. When a weekend jaunt to Newport, Rhode Island, ends in pain and humiliation, it's too much to bear. On a hot, sticky summer night, Father Ennis gets a phone call that upends more than the routine of his days. It brings Jim and Emily together, marking the start of a friendship between savior and saved that will change them both forever. It also marks the beginning of a battle against evils, both ordinary and supernatural. Alive with memorable characters, Ryan's finely crafted novel explores the ability of love to forge bonds of friendship, to mend broken places, and to summon the courage to face even the most daunting darkness.

Billy Don't William Baker, 2013-02. Billy Don't, a novel, takes place in Oakland and other parts of California during the 1930s. It is a story of the conflicts and behaviors which take place in a young boy who is placed with his older sister and younger brother in a boarding home run by the Blairs. The conflict comes from the evangelistic preaching of Mrs. Blair, who constantly tells Billy, "Your soul will turn black or God will send you to the Devil," and the other understandings he has gained from his grandmother, who has taught God sees the good in you. Billy's often wild and vicious behaviors are driven by his hatred for Mrs. Blair. It is a story of a young boy's desperate search for love and understanding.

**The Shore of Him (The Sea of Her)** 6) Lynn Robin, 2022-06-21. The sea has sent Leilani and Keanu back to Hibiscus Island. This is where it all began. And where it all will end. They soon become the people's hope for defeating the false Queen poisoning their ocean, their island, and even their children. But Leilani and Keanu both know that this battle is different from the one they fought against the Twins. This has become a war. One they cannot hope to win on their own. But even as familiar and unexpected allies arrive, Leilani and Keanu soon realize nothing is as it seems, and that they'll have to look with more than their eyes in order to see through the games that are played and the masks that are worn. As Yuka opens the hunt for the fourth Ocean Spirit in order to prevent Leilani and Keanu from awakening him, time is quickly slipping as shadows gather between the walls of the fallen castle where he resides. Even with their pasts and true identities unraveled, Leilani and Keanu both still have demons to conquer and choices to make. It brings them closer and deepens their love, but will it last? Will the outcome to this war bind them together forever or tear them apart instead?
