Still Point Dance Photographs:

Stillpoint Ronald Compton, 1999 A passionate study of the transitory beauty of dance In *Still Point* photographer Ronald Compton captures on film the visceral beauty of classical ballet and modern dance The former CEO of a major worldwide insurance company Compton eschewed the monochromatic world of spreadsheets and meetings in favor of a more aesthetic pursuit photographing members of dance companies in New York City and Hartford Connecticut Compton's work exhibits a remarkable sensitivity to subtleties of form and a flair for theatrical color Hours spent watching rehearsals and performances have given him a fine eye for the grace of dancers movements and the effort and determination necessary to photograph them *Stillpoint* is a paean to the capabilities and beauty of the human body and the creative spirit *Still Point* contains an Introduction by Larry Alan Smith president of the School of American Ballet and an essay by photographer Ralph Gibson In an interview conducted by Robert S Miller chairman and CEO of Waste Management the world's biggest environmental services firm Compton discusses the differences and similarities between his two careers *Still Turning* Jessica

Hood, David Wlazlo, 2011-05-26 Catalogue accompanying *Still Turning* an exhibition held at Screen Space Melbourne Australia *Inert Cities* Stephanie Hemelryk Donald, Christoph Lindner, 2014-10-01 We usually associate contemporary urban life with movement and speed But what about those instances when the forms of mobility associated with globalized cities the flow of capital people labour and information freeze or decelerate How can we assess the value of interruption in a city What does valuing stillness mean in regards to the forward march of globalization When does inertia presage decay and when does it promise immanence and rebirth Bringing together original contributions by international specialists from the fields of architecture photography film sociology and cultural analysis this cutting edge book considers the poetics and politics of inertia in cities ranging from Amsterdam Berlin Beirut and Paris to Beijing New York Sydney and Tokyo Chapters explore what happens when photography film mixed media works architecture and design intervene in public spaces and urban communities to disrupt speed and growth both intellectually and or practically and question the degree to which mobility is aspirational or imaginary absolute or transient Together they encourage a re assessment of what it means to be urban in an unevenly globalizing world to live in cities built around mythologies of perpetual progress These new analyses of visual culture's strategic interruptions in global cities allow a more in depth understanding of the new forms of space experience and community that are emerging in today's rapidly transforming urban environments **Reading**

Contemporary Performance Gabrielle Cody, Meiling Cheng, 2015-09-25 As the nature of contemporary performance continues to expand into new forms genres and media it requires an increasingly diverse vocabulary **Reading Contemporary Performance** provides students critics and creators with a rich understanding of the key terms and ideas that are central to any discussion of this evolving theatricality Specially commissioned entries from a wealth of contributors map out the many and varied ways of discussing performance in all of its forms from theatrical and site specific performances to live and New

Media art The book is divided into two sections Concepts Key terms and ideas arranged according to the five characteristic elements of performance art time space action performer audience Methodologies and Turning Points The seminal theories and ways of reading performance such as postmodernism epic theatre feminisms happenings and animal studies Case Studies entries in both sections are accompanied by short studies of specific performances and events demonstrating creative examples of the ideas and issues in question Three different introductory essays provide multiple entry points into the discussion of contemporary performance and cross references for each entry also allow the plotting of one's own pathway Reading Contemporary Performance is an invaluable guide providing not just a solid set of familiarities but an exploration and contextualisation of this broad and vital field

Inside the Photograph Peter C. Bunnell, 2006 Over some 30 years as a professor and curator at Princeton University Peter C Bunnell has been a profoundly influential force in conversations about photography's past and present He has written extensively articles books catalogue essays and this up to date collection of texts from throughout his career supersedes the beloved out of print Degrees of Guidance which collected his work through the early 1980s Most of these 34 essays are devoted to individual photographers predominantly American with the balance written about three key galleries that played crucial early roles in the medium's recognition and marketing Over the years Bunnell has sustained deep and mutually respectful relationships with photographers ranging from Minor White to Ruth Bernhard Aaron Siskind and Jerry Uelsmann His unsurpassed understanding of their work as well as that of contemporary masters makes his an enlightening view of a field that has undergone extraordinary changes under his watch Inside the Photograph offers a unique personal perspective on the world of art photography during its shift from a small group of practitioners collected by an even smaller group of devotees to a supercharged international marketplace Includes writings on Diane Arbus Walker Evans Robert Frank Eikoh Hosoe Alfred Stieglitz Edward Weston and others

The Routledge Companion to Performance Practitioners Franc Chamberlain, Bernadette Sweeney, 2020-08-16 The Routledge Companion to Performance Practitioners collects the outstanding biographical and production overviews of key theatre practitioners first featured in the popular Routledge Performance Practitioners series of guidebooks Each of the chapters is written by an expert on a particular figure from Stanislavsky and Brecht to Laban and Decroux and places their work in its social and historical context Summaries and analyses of their key productions indicate how each practitioner's theoretical approaches to performance and the performer were manifested in practice All 22 practitioners from the original series are represented with this volume covering those born after 1915 This is the definitive first step for students scholars and practitioners hoping

to acquaint themselves with the leading names in performance or deepen their knowledge of these seminal figures **Anna Halprin** Libby Worth, Helen Poynor, 2018-06-13 Anna Halprin traces the life's work of this radical dance maker documenting her early career as a modern dancer in the 1940s through to the development of her groundbreaking approach to dance as an accessible and life enhancing art form Now revised and reissued this book sketches the evolution of the San Francisco Dancers Workshop exploring Halprin's connections with the avant garde theatre music visual art and architecture of the 1950s and 60s offers a detailed analysis of Halprin's work from this period provides an important historical guide to a time when dance was first explored beyond the confines of the theatre and considered as a healing art for individuals and communities As a first step towards critical understanding and an initial exploration before going on to further primary research Routledge Performance Practitioners offer unbeatable value for today's student **Dictionary Catalog of the Dance Collection** New York Public Library. Dance Collection, 1974 The British Journal of Photography, 1877 *On the Move* Timothy Cresswell, 2012-11-12 On the Move presents a rich history of one of the key concepts of modern life mobility Increasing mobility has been a constant throughout the modern era evident in mass car ownership plane travel and the rise of the Internet Typically people have equated increasing mobility with increasing freedom However as Cresswell shows while mobility has certainly increased in modern times attempts to control and restrict mobility are just as characteristic of modernity Through a series of fascinating historical episodes Cresswell shows how mobility and its regulation have been central to the experience of modernity The Dance Photography of Carl Van Vechten Carl Van Vechten, 1981 **Austrian Information**, 2005 *The Myth of Shangri-La* Peter Bishop, 1989-01-01 Bishop's engrossing and readable account provides us with a fascinating picture of European myths concerning the Land of the Snows and of the role these myths played in shaping perceptions of the Orient Bishop's riveting portrait of European conceptions is an important and exceptionally well written contribution to an understanding of Western attitudes toward Tibet and all of East Asia Morris Rossabi author of *Khubilai Khan His Life and Times* *New York Magazine*, 1980-12-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea American Political Plays after 9/11 Allan Havis, 2010-05-10 American Political Plays after 9/11 is a diverse collection of bold urgent and provocative plays that respond to the highly charged post 9/11 political landscape Sparked by the terrorist attacks of September 11 2001 and subsequently fueled by a series of controversial events the Iraq war the passing and enforcement of the U S A Patriot Act and the revelation of torture and other scandals at the Abu Ghraib prison American political theater is currently experiencing a surge in activity The plays in this collection include *The Guys* by Anne Nelson *At the Vanishing Point* by Naomi Iizuka *The Venus de Milo Is Armed* by Kia

Corthron Back of the Throat by Yusseff El Guindi Three Nights in Prague by Allan Havis and Question 27 Question 28 by Chay Yew The characters range from a New York City fire captain trying to respectfully memorialize eight of his lost comrades to the citizens of a hog killing Louisville neighborhood who poignantly exemplify the underside of the economic crisis to an Arab American citizen being harshly and possibly unfairly interrogated by two officers as a person of interest Though not all of the plays deal explicitly with the Al Qaeda attacks they collectively reveal themes of sorrow and anxiety moral indignation alarmist self preservation and economic and social insecurity stemming from the United States fairly sudden shift from cold war superpower to vulnerable target The lively introduction by Allan Havis includes a brief history of political theater in the United States an extensive discussion about how theater communities responded to 9 11 and an informative analysis of the six plays in the book A collection of dramatic material framed by this significant historical event American Political Plays after 9 11 will be indispensable for theater and cultural studies scholars and students
