The Poetry of T.S. Eliot B.M. Mishra,2002 The Poetry Of T S Eliot Is An Incisive Interpretation Of Eliot S Poetry In The Indian Context Vis A Vis The Views Of Western Critics In So Far As The Christian Coloration Of His Poetry Is Concerned A Good Deal Of Light Is Thrown On The Early Middle And Later Poetry Of Eliot A Special Emphasis Has Been Laid On The Genesis And Culminating Experience Of Eliot As A Man And As An Artist **A Half-century of Eliot Criticism** Mildred Martin,1972 Listing and commenting on almost 2700 items the work provides the only annotated bibliography of a major contemporary author that is virtually complete Includes three indexes **Epiphanies in the Modernist Short Story** Valeria Taddei,2024-04-10 The poetics of epiphany have long been recognised as a broad aesthetic trend of modernism related to the power of art to reveal the hidden essence of reality Yet the critical use of the concept is still contested complicated by the fact that in many modernist works exceptional moments are anything but revealing This book embraces the blurred nature of epiphanies and sets out to explore their effects in a comparative journey paralleling Anglophone and Italian modernist short fiction The work of four modernist short story writers Luigi Pirandello James Joyce Federigo Tozzi and Katherine Mansfield illuminates epiphanies as complex phenomena connected to multiple aspects of modernist culture which appear in artistic experiences developed independently in the same decades The ideas of Henri Bergson William James Martin Heidegger and Maurice Merleau Ponty among others nuance our understanding of the stories and of the author s vision behind them At least three threads emerge as a result as common characteristics of modernist epiphanies First they are a result of the inward turn and of the curiosity about the psyche s subconscious processes Second they attempt to rediscover lived experience as a source of partial but reliable knowledge Third they re actualise mystical experiences as conduits to a secular insight about life The main appeal of these modernist moments of enlightenment is precisely that they establish an atmosphere of ambiguity where multiple and sometimes irreconcilable potential meanings can be found By so doing they succeed in evoking the undifferentiated creative potential that according to the widespread vitalist philosophies of the age constitutes the essence of life In reframing ambiguity and indeterminacy as spaces of creation and choice epiphanies thus bring out a lesser known life affirming but not naive vein of modernist inspiration *Routledge Revivals: D.H. Lawrence (1983)* Thomas Jackson Rice,2018-02-01 Originally published in 1983 D H Lawrence is an annotated bibliographic collection of works by and about D H Lawrence Consisting of three parts the primary bibliography contains separate bibliographies of Lawrence s major publications of collection editions of his works of his letters and of concordances to his writings The secondary bibliography contains bibliographies of biographical and critical publications concerning Lawrence generally or his individual works Appendixes and Indexes include an extensive checklist of major foreign language publications concerning Lawrence and a useful topical and thematic subject index for the guide **Beyond the Analogical Imagination** Barnabas Palfrey,Andreas Telsler,2023-10-12 David Tracy is arguably the most influential Roman Catholic

theologian writing in English of the past fifty years both internationally and beyond confessional borders His generous and ever expanding conversations says contributor Willemien Otten make the future of theology now Tracy himself says that they lead him like Dante to the love that moves the sun and the other stars Tracy s most famous book *The Analogical Imagination* is now over four decades old Yet in two volumes of his essays published in 2020 Tracy emphasises the ground breaking new work that he did in the 2010s His mature theological and cultural vision is in need of fresh assessment which this book provides An international cohort of experts introduces the core themes of Tracy s thought critically exploring their relevance for theology today Tracy offers a short response of his own as well as the edited text of a previously unpublished and recent lecture [Routledge Library Editions: Virginia Woolf](#) Various Authors,2021-03-01 The volumes in this set originally published between 1963 and 1990 draw together research by leading academics on Virginia Woolf and provide a rigorous examination of related key issues The volumes include literary criticism on Virginia Woolf s novels poetry plays and essays through the lens of linguistics narrative theory psychoanalysis and textual analysis whilst also exploring the literary modernist movement This set will be of particular interest to students of literature history and linguistics respectively

The Elusive Self Louise A. Poresky,1981 The complex novels by Virginia Woolf are seen with clarity and coherence in *The Elusive Self* a thorough and detailed literary interpretation by Louise A Poresky The result is a reliable map that guides the reader through the nine novels Adding the wisdom of religion and psychology to her literary criticism Dr Poresky demonstrates how Woolf s characters strive to achieve personal wholeness The quest progresses sequentially through the novels as a major character in each work struggles against certain demons whether the superficial dictates of society or the voices that say women cannot be artists and thus realizes the difference between ego and essence [A Bibliography of D. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **D.H.
