Still Sovereign Contemporary Perspectives On Election Foreknowledge And Grace:

Still Sovereign Thomas R. Schreiner, Bruce A. Ware, 2000-03-01 The relationship between divine sovereignty and the human will is a topic of perennial theological dispute and one that is gaining increased attention among contemporary evangelicals In *Still Sovereign* thirteen scholars write to defend the classical view of God's sovereignty According to the editors Ours is a culture in which the tendency is to exalt what is human and diminish what is divine Even in evangelical circles we find increasingly attractive a view of God in which God is one of us as it were a partner in the unfolding drama of life In contrast the vision of God affirmed in these pages is of one who reigns supreme over all whose purposes are accomplished without fail and who directs the course of human affairs including the central drama of saving a people for the honor of his name all with perfect holiness and matchless grace The fourteen chapters of *Still Sovereign* originally part of the two volume *The Grace of God the Bondage of the Will* are divided into three parts Part 1 offers fresh exegesis of the biblical texts that bear most directly on the doctrines of election foreknowledge and perseverance of the saints Part 2 explores theological and philosophical issues related to effectual calling prevenient grace assurance of salvation and the nature of God's love The final section applies the doctrines of election and divine sovereignty to Christian living prayers evangelism and preaching

The Race Set Before Us Thomas R. Schreiner, Ardel B. Caneday, 2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation

Perspectives on the Extent of the Atonement Andrew David Naselli, Mark A. Snoeberger, 2015-02-01 *Perspectives on the Extent of the Atonement* presents a point counterpoint exchange concerning God's intention in sending Christ to die on the cross All three contributors recognize a substitutionary element in the atoning work of Christ but disagree over the nature and objects of that substitution

A Multi-Intentioned View of the Extent of the Atonement Gary L. Shultz Jr., 2014-01-07 Christians strongly disagree about the extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God's intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins

Hello? Is Anyone There? Roger Philip Abbott, 2014-11-10 According to the Bible the God of Christianity has a reputation for answering prayer However many

Christians have been sometimes severely tempted to think they have been sold short as they have found themselves in some crisis and have cried out to God in all sincerity and found that he has been out. From years of pastoral experience in addressing crises and after having to face crises in his own experience Roger Abbott attempts to help Christians who are struggling with what seem to be very real instances of God not answering their heartfelt prayers. There are many books about prayer but there are not many that attempt to face the huge struggles with prayer that pray ers can face. This book while refusing to shirk those struggles and the debilitating emotional impact they can have also attempts to navigate those emotional struggles with the use of a practical theology. Some Christians think other Christians pray. Hello Is Anyone There combines a passion for thoughtful theology and a passion for prayer out of a passion for a relationship with God in Christ.

Orthodoxy and Orthopraxis Douglas R. Cullum, J. Richard Middleton, 2020-04-28 These essays on matters biblical, theological, historical, and beyond pay tribute to the multidisciplinary impact of Paul Livermore, founding faculty member and Professor Emeritus of Northeastern Seminary at Roberts Wesleyan College, Rochester, NY. **Christian Theology** Adam Harwood, 2022-10-19 The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction. Adam Harwood's Christian Theology is both biblically faithful and historically informed, providing a fresh synthesis of the essential doctrines of the faith. Writing from a Baptist perspective, Harwood brings fresh insights that many systematic theologies lack. With readable prose, suggestions for further study and discussion questions, Christian Theology will equip students and pastors to clarify and articulate what they believe and why. **1, 2**

Peter, Jude Thomas R. Schreiner, 2003-09-01 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text. **To Save Sinners** Michael Riccardi, 2023-04-12 The atoning work of the Lord Jesus Christ on the cross stands as the very epicenter of Christianity, the very heart of the gospel. Because of this, one does not stray far from the heart of the Christian faith when he asks, "For whom has Christ accomplished so great a salvation?" Answers

to that question have historically fallen in two broad categories Either Jesus died for all people without exception or he died only for those whom the Father has chosen to save Recently a mediating view has arisen arguing that we should not choose between these options but that Jesus died with multiple intentions for all without exception and for the elect alone In this book Michael Riccardi offers a critical evaluation of the multiple intentions view from the perspective of classic particularism The book demonstrates that while the third way proposed is attractive at first blush beneath the surface it faces insurmountable biblical and theological problems including the redefinition of the nature of the atonement itself Riccardi demonstrates that particular redemption is the teaching of the text of Scripture against the objections of one of its strongest opponents

A God of Many Understandings Todd Miles, 2010-10-01 Western Christianity's interaction with world religions used to be for the most part overseas Today religious others often live next door At a changing time when one public prayer spoken during the 2009 U S presidential inauguration festivities was addressed to O god of our many understandings the evangelical Christian church should do more than simply dismiss non Christian religions as pagan without argument or comment The Church needs a theology of religions that is Christ honoring biblically faithful intellectually satisfying compassionate and that will encourage Spirit powered mission Oregon based theology professor Todd L Miles writes to that end in *A God of Many Understandings* attempting as the scholar Veli Matti Kärkkäinen puts it to think theologically about what it means for Christians to live with people of other faiths and about the relationship of Christianity to other religions

Peckham, 2019-09-05 John C Peckham introduces and engages with major questions about God's nature and how God relates to the world Does God change Does God have emotions Can God do anything Does God know the future Does God always attain what God desires And is God entirely good This textbook provides a clear and concise overview of the issues involved in these and other questions exploring prominent contemporary approaches to the main issues relative to how to conceive of the God world relationship within Christian theology In so doing Peckham surveys a range of live options regarding each of the primary questions briefly considering where each falls within the spectrum of the Christian tradition and providing clear and readily understandable explanations of the technical issues involved The result is a stimulating survey of the most prominent options in Christian theology relative to divine attributes and the God world relationship offered in an accessible format for students Designed for classroom use this volume includes the following features study questions for each chapter suggestions for further reading for each chapter glossary

Let the Nations Be Glad! John Piper, 2022-09-27 John Piper's bestselling book on missions draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach Piper offers a biblical defense of God's supremacy in all things providing readers with a sound theological foundation for missions This 30th anniversary edition of a contemporary classic now in paperback incorporates insights from the author's refined thinking over the past 10 years Used extensively as a textbook for missions courses and a resource for ministries *Let the Nations Be Glad*

provides a passionate plea for God centeredness in the whole enterprise of world evangelization and explores the role of prayer and spiritual warfare The book is essential reading for those involved in or preparing for missions work It also offers enlightenment for students pastors youth workers campus ministers and all who want to connect their labors to God s global purposes *Four Views on Eternal Security* Zondervan,2011-10-11 Does the Bible support the concept of once saved always saved or can a person lose his or her salvation Among the most hotly debated topics in the history of Christian theology has been the perseverance of the saints How do the Scriptures portray the complex interplay between grace and free will These and related questions are explored from different angles in this thought provoking Counterpoints volume The contributors each state their case for one of four prominent views on eternal security Classical Calvinist presented by Michael S Horton Moderate Calvinist presented by Norman L Geisler Reformed Arminian presented by Stephen M Ashby Wesleyan Arminian presented by J Steven Harper In keeping with the forum approach of the Counterpoints series each view is first presented by its proponent then critiqued and defended This fair and respectful approach allows you to weigh for yourself the strengths and weaknesses of the different doctrinal stances By furnishing you with scholarly and thoughtful perspectives on the topic of eternal security this book helps you sift through opposing views to arrive at your own informed conclusions *God Reforms Hearts* Thaddeus Williams,2021-08-11 Must we be free to truly love Evil is a problem for all Christians When responding to objections that both evil and God can exist many resort to a free will defense where God is not the creator of evil but of human freedom by which evil is possible This response is so pervasive that it is just as often assumed as it is defended But is this answer biblically and philosophically defensible In *God Reforms Hearts* Thaddeus J Williams offers a friendly challenge to the central claim of the free will defense that love is possible only with true or libertarian free will Williams argues that much thinking on free will fails to carve out the necessary distinction between an autonomous will and an unforced will Scripture presents a God who desires relationship and places moral requirements on his often rebellious creatures but does absolute free will follow Moreover God s work of transforming the human heart is more thorough than libertarian freedom allows With clarity precision and charity Williams judges the merits and shortcomings of the relational free will defense while offering a philosophically and biblically robust alternative that draws from theologians of the past to point a way forward The Fallenness of Man and the Graciousness of God Brian Orr,2014-07-25 This book is a defense of the five points of Calvinism written in response to an article written by Stephen Richardson Chair of the Biblical Studies Department and Associate Professor at Pacific Christian College of Ministry and Biblical Studies Fullerton Ca His article was published in the Christian Standard periodical to give warning about and to dismiss Calvinism claiming that it is contradictory to the Word of God However he failed to defend and demonstrate his thesis in the Scriptures he actually did not even use one Bible verse against Calvinism and in the supporting of his view which is some form of Arminianism My ultimate goal in this work is to open the hearts and eyes of Christians to a bigger view of God That is what Calvinism seeks to do Glorify God Calvinism Brad J.

Waggoner, E. Ray Clendenen, 2008-06-01 What impact is the Calvinist non Calvinist debate having on the Southern Baptist Convention today This book holds a theological conversation between followers of Christ about issues on which they often disagree And while such controversial points of doctrine cannot be ignored neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs Calvinism A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin Tom Ascol David Dockery Charles Lawless and Ed Stetzer that address misperceptions stereotypes and caricatures of the debate over Reformed theology Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel improving the health of our churches and seeking the kingdom of Christ above all Endorsements What do we have to agree on The doctrines of what it means for us to be lost and of how we are saved could not be more important This book explores how much we can disagree over these things and still work together If you care about both evangelistic cooperation and doctrinal integrity this book is a book for you Mark Dever pastor Capitol Hill Baptist Church and president of 9Marks org *Men of One Book* Ian J Maddock, 2012-08-30 The proposal of this book is to guide the reader to the contrastive ministries of the two most dominant preachers of the eighteen century evangelical revival In a wonderful comparative approach the author draws John Wesley and George Whitefield s portraits and explores their life and practice as well as their relationship Committed to the principle that the whole world was their parish Wesley and Whitefield manifested their singular desire to be men of one book through preaching ministries that were equally committed to the spread of the gospel throughout the transatlantic world *Love, Freedom, and Evil* Thaddeus J. Williams, 2011-01-01 The defining premise of the Relational Free Will Defense is the claim that authentic love requires free will Many scholars including Gregory Boyd and Vincent Brummer champion this claim Best selling books such as Rob Bell s *Love Wins* echo that love cannot be forced manipulated or coerced It always leaves room for the other to decide The claim that love requires free will has even found expression in mainstream Hollywood films including *Frailty* *Bruce Almighty* and *The Adjustment Bureau* The analysis shows convincingly that the claim that authentic love requires free will does not meet the criteria of consistency compatibility with Scriptural sources and the demands of concrete encounter with problems of moral evil *Desiring God, Revised Edition* John Piper, 2011-01-18 Experience the Lifelong Pleasures of Knowing God Satisfaction Happiness Joy According to John Piper the pursuit of pleasure in God is not only permissible it s essential *Desiring God* is a paradigm shattering work that dramatically alters common perspectives on relating to God Piper reveals that there really is no need to choose between duty and delight in the Christian life In fact for the follower of Jesus delight is the duty as Christ is most magnified in His people when they are most satisfied in Him Constantly drawing on Scripture to build his case Piper shows why pursuing maximum joy is essential to glorifying God He discusses the implications of this for conversion worship love Scripture prayer money marriage missions and suffering Piper beckons us to approach God with the hedonist s abandon Finally we are freed to enjoy Jesus not only as our Lord and Savior

but also as our all surpassing soul satisfying Treasure Desiring God may turn your Christian world upside down And that will be a good thing for the glory of God and for your deepest joy Includes a study guide for individual and small group use
