*Amazing Grace at 250* Martin V. Clarke, Gareth Atkins, 2025-08-01 This book focuses on arguably the best known Christian hymn worldwide From the slave trade to the civil rights movement and from obscurity in its country of origin to global recognition the origins history influence and legacy of Amazing Grace are uniquely complex The volume brings together historians theologians literary scholars and musicologists to shed new light on the ways in which the hymn's lyrics familiar musical setting and its performance by leading vocalists contribute to its enduring popularity and the meanings and value ascribed to it by diverse communities across time and place The chapters explore the literary and religious qualities of the text its relationship with the ubiquitous NEW BRITAIN melody its adoption and adaptation by famous singers and in Christian churches from South America to Asia The contributors highlight significant facets of the hymn's origins and legacy while the collection as a whole provides a focused emphasis on the importance of historical literary theological and musical approaches in understanding the ways in which Christian congregational music acquires meaning and influences thought and practice in local and global contexts

*The Public Work of Christmas* Pamela E. Klassen, Monique Scheer, 2019-06-15 Christmas is not a holiday just for Christians anymore if it ever was Embedded in calendars around the world and long a lucrative merchandising opportunity Christmas enters multicultural multi religious public spaces provoking both festivity and controversy hospitality and hostility The Public Work of Christmas provides a comparative historical and ethnographic perspective on the politics of Christmas in multicultural contexts ranging from a Jewish museum in Berlin to a shopping boulevard in Singapore A seasonal celebration that is at once inclusive and assimilatory Christmas offers a clarifying lens for considering the historical and ongoing intersections of multiculturalism Christianity and the nationalizing and racializing of religion The essays gathered here examine how cathedrals banquets and carols serve as infrastructures of memory that hold up Christmas as a civic yet unavoidably Christian holiday At the same time the authors show how the public work of Christmas depends on cultural forms that mark mask and resist the ongoing power of Christianity in the lives of Christians and non Christians alike Legislated into paid holidays and commodified into marketplaces Christmas has arguably become more cultural than religious making ever wider both its audience and the pool

of workers who make it happen every year The Public Work of Christmas articulates a fresh reading of Christmas as fantasy ethos consumable product site of memory and terrain for the revival of exclusionary visions of nation and whiteness at a time of renewed attention to the fragility of belonging in diverse societies Contributors include Herman Bausinger T bingen Marion Bowman Open Juliane Brauer MPI Berlin Simon Coleman Toronto Yaniv Feller Wesleyan Christian Marchetti T bingen Helen Mo Toronto Katja Rakow Utrecht Sophie Reimers Berlin Tiina Sepp Tartu and Isaac Weiner Ohio State
