Sting In The Wattle:

The Collected Poems of Fay Zwicky Fay Zwicky, 2017 This volume collects all of Fay Zwicky's poetry including previously uncollected and unpublished poems It reveals an erudite passionate and highly inventive poet whose consummate control of her craft places her at the summit of Australian poetry Westerly, 1994 **The World's Most Ridiculous Animals** Philip Bunting, 2023-11-28 This witty quirky colourfully illustrated and fact filled book features some of the most absurd and flamboyant animals on the planet The second title in the series from the hilarious Philip Bunting is filled with facts about some of the weirdest creatures in the natural world The antagonist voice speaking through cheeky annotations points out the apparent ridiculousness of each creature's features while the narrator's voice describes the evolutionary reasons or advantages for each animal's extraordinary characteristics With hilarious text throughout and bright contemporary illustrations this guide to ridiculous animals contains funny labelled diagrams and will help teach kids about evolution by studying some of its most wild products Quirky Creatures is a series dedicated to seeking out the weird and wonderful denizens of the natural world and explaining why they are so strange from the ridiculous to the truly terrifying Also available in this series is The World's Most Pointless Animals and The World's Most Atrocious Animals **Writing in Australia** Gerd Dose, Bettina Keil, 2000 This volume is concerned with the process of deconstructing self-sufficient Anglo-Australian national identity and sheds light on the intense and sustained efforts of Australian writers to contribute to the country's self-definition as a post-colonial and multi-cultural society against the traditional predominance of a white British culture that aims at cultural homogeneity Another focus of the book is on the unique experience of Australian landscape and nature which has been a major subject of Australian writing since the 19th century and as a theme has never lost its topicality book cover
