## **Tempestuous Eden:**

**Tempestuous Eden** Heather Graham, 2013-04-23 From the New York Times bestselling master storyteller The Central American jungle is as hot and dangerous as Blair's attraction to the mysterious Craig RT Book Reviews After the untimely death of her husband Blair Morgan leaves her privileged life against the wishes of her father to work with the poor in Central America Focused on helping the people of this war torn region she's uneasy when journalist Craig Taylor suddenly appears Blair is determined to keep her true identity a secret but finds herself confiding in brave and confident Craig He has an agenda of his own and when he finally puts his plans into action both he and Claire must scramble to save their lives and their hearts This ebook features an illustrated biography of Heather Graham including rare photos from the author's personal collection

*Two Yorkshire Diaries* Arthur Jessop, Ralph Ward, 2013-04-18 These are insightful first hand accounts first published in 1952 of everyday life in rural Yorkshire in the mid eighteenth century

**Walking The Line** Stan Abbott, 2021-06-24 Widely known as England's most picturesque line the enduring Settle Carlisle Railway crosses the north Pennines between Yorkshire and Cumbria traversing stunning scenery from the Dales through the lonely and lofty fells to the limestone pavements of Westmorland and on into the lush green Eden Valley The line was built by the Midland Railway company in the 1870s to forge an independent route connecting its English network with Scotland Uniquely for a railway in the UK the entire infrastructure is a Conservation Area in its own right comprising viaducts stations bridges tunnels trackside structures and railway workers cottages By walking all or parts of the route from Settle to Carlisle you get the chance to get up close to this iconic railway's magnificent architecture And in the company of a knowledgeable guide you'll also discover centuries worth of local history and traditions Roman remains medieval castles the annual Appleby Horse Fair gathering and much more besides

*Hatfield and McCoy* Heather Graham, 2014-10-21 A psychic who connects with crime victims and a jaded FBI agent are unlikely partners as they team up to take down a serial kidnapper After narrowly avoiding a head on collision the first time they meet Julie Hatfield and Robert McCoy pray they never have to lay eyes on each other again Not going to happen The psychic and the FBI agent have just been named official partners in finding a missing child the third in a string of abductions that cross state lines Haunted by a shattering crime in his past McCoy is skeptical of Hatfield's special gifts until she starts reliving the crime through the eyes of the eight year old girl But it's only the beginning Because someone is targeting Hatfield someone who knows everything about her and not even McCoy will be able to protect the strangely compelling woman who is making him believe in love again This ebook features an illustrated biography of Heather Graham including rare photos from the author's personal collection

*The Writing of Natural Disaster in Europe, 1500-1826* Sandhya Patel, Sophie Chiari, 2022-12-12 This book explores reactions to and representations of natural disasters in early modern Europe The contributors illustrate how the cultural production of the period in manuals treatises sermons travelogues and fiction grappled with environmental catastrophe Crucially they interrogate how people in the early modern

era rationalized and mediated the threat of events like plagues great frosts storms floods and earthquakes A vital contribution to environmental history this book highlights the parallels between early modern responses to natural disaster and climate anxiety in our own era

**Must Love Christmas Cowboys** Diana Palmer, Heather Graham, 2025-09-30 Whether they're out on the range or working in town these men are rough rugged and ready for action They're true blue cowboys and the stars of these brand new Christmas novellas from New York Times bestselling authors Diana Palmer and Heather Graham set against the snowy backdrop of Colorado

**THE PERFECT GIFT** Diana Palmer Rancher Ty Blakeney has more than enough reasons to be grumpy Plus it's unseasonably cold Christmas decorations are up annoyingly early and now there's a wailing little boy on his property a frantic young woman chasing after him Ty recognizes her recently orphaned scraping by to raise her young brother Both of them as alone as he is But between the three of them along with a puppy in need of a home and the magic of the holidays they might just discover the gift of family comes in all kinds of packages

**CHRISTMAS CRIME AND A COWBOY** Heather Graham When successful New York artist Jessy Danson inherits her beloved late grandfather's Colorado property she's forced to tear herself away from her busy city life While she hopes to wrap things up in time to leave for Christmas her disinterest in the house's rich history baffles Wyatt McFarlane her grandfather's handsome neighbor But the house and Wyatt become exceptionally interesting when dangerous robbers break in determined that Jessy will lead them to a hidden treasure It's a good thing there's a hero right next door

**Psychomantic Scriptures** David Estrada,

**Traditional Fair Isle Knitting** Sheila McGregor, 2012-03-08 Over 70 pages of designs include patterns for mittens jerseys jackets hats more Practical advice on design and color provides endless variations and adaptations 31 halftones and 17 color illustrations

*Record Series* Yorkshire Archaeological Society, 1952

**The Publishers Weekly**, 1923

**Suez 1956: The Inside Story of the First Oil War** Barry Turner, 2012-09-26 In October 1956 Britain France and Israel launched an attack on Egypt For each of the contenders there was much more at stake than the future of the Canal None of the combatants in the Suez campaign emerged in glory which may be why in recent years it has been largely relegated to academic studies But the events surrounding the invasion while combining the high drama with elements of political farce that make for a compelling story had a greater impact on world affairs than many more famous conflicts

**Shakespeare and the Environment: A Dictionary** Sophie Chiari, 2022-01-27 While our physical surroundings fashion our identities we in turn fashion the natural elements in which or with which we live This complex interaction between the human and the non human already resonated in Shakespeare's plays and poems As details of the early modern supra and infra celestial landscape feature in his works this dictionary brings to the fore Shakespeare's responsiveness to and acute perception of his environment and it covers the most significant uses of words related to this concept In doing so it also examines the epistemological changes that were taking place at the turn of the 17th century in a society which increasingly tried to master nature and its elements For this reason the intersections between the natural and the supernatural receive

special emphasis All in all this dictionary offers a wide variety of resources that takes stock of the green criticism that recently emerged in Shakespeare studies and provides a clear and complete overview of the idea imagery and language of environment in the canon     A Naturalist's Shetland J. Laughton Johnston,1999 One of Britain's natural treasures the Shetland Islands are spectacular with their varied geology wonderful landscape and special flora and fauna This book describes all the wildlife of Shetland and is illustrated with photographs and sketches     *The Scandal of the Century* Gabriel García Márquez,2019-05-14 The articles and columns in *The Scandal of the Century* demonstrate that his forthright lightly ironical voice just seemed to be there right from the start He's among those rare great fiction writers whose ancillary work is almost always worth finding He had a way of connecting the souls in all his writing fiction and nonfiction to the melancholy static of the universe Dwight Garner *The New York Times* From one of the titans of twentieth century literature collected here for the first time a selection of his journalism from the late 1940s to the mid 1980s work that he considered even more important to his legacy than his universally acclaimed works of fiction I don't want to be remembered for *One Hundred Years of Solitude* or for the Nobel Prize but rather for my journalism Gabriel García Márquez said in the final years of his life And while some of his journalistic writings have been made available over the years this is the first volume to gather a representative selection from across the first four decades of his career years during which he worked as a full time often muckraking and controversial journalist even as he penned the fiction that would bring him the Nobel Prize in 1982 Here are the first pieces he wrote while working for newspapers in the coastal Colombian cities of Cartagena and Barranquilla his longer more fictionlike reportage from Paris and Rome his monthly columns for Spain's *El País* And while all the work points in style wit depth and passion to his fiction these fifty pieces are more than anything a revelation of the writer working at the profession he believed to be the best in the world     *Bulletin* British Trust for Ornithology,1950     The United Nations Security Council and War ,2010-04-15 This is the first major exploration of the United Nations Security Council's part in addressing the problem of war both civil and international since 1945 Both during and after the Cold War the Council has acted in a limited and selective manner and its work has sometimes resulted in failure It has not been and was never equipped to be the centre of a comprehensive system of collective security However it remains the body charged with primary responsibility for international peace and security It offers unique opportunities for international consultation and military collaboration and for developing legal and normative frameworks It has played a part in the reduction in the incidence of international war in the period since 1945 This study examines the extent to which the work of the UN Security Council as it has evolved has or has not replaced older systems of power politics and practices regarding the use of force Its starting point is the failure to implement the UN Charter scheme of having combat forces under direct UN command Instead the Council has advanced the use of international peacekeeping forces it has authorized coalitions of states to take military action and it has developed some unanticipated roles such as the establishment of post conflict transitional administrations

international criminal tribunals and anti terrorism committees The book bringing together distinguished scholars and practitioners draws on the methods of the lawyer the historian the student of international relations and the practitioner It begins with an introductory overview of the Council s evolving roles and responsibilities It then discusses specific thematic issues and through a wide range of case studies examines the scope and limitations of the Council s involvement in war It offers frank accounts of how belligerents viewed the UN and how the Council acted and sometimes failed to act The appendices provide comprehensive information much of it not previously brought together in this form of the extraordinary range of the Council s activities This book is a project of the Oxford Leverhulme Programme on the Changing Character of War

**Down in New Orleans** Heather Graham, 2021-09-28 I didn t do it Those are the words Ann Marcel s ex husband Jon mutters the day he staggers through her front door covered in blood Five years after their divorce Ann and Jon remain good friends still living in Jon s beloved New Orleans hometown But her relationship to both is about to take a life changing turn Because Jon is charged with murdering a stripper And to save him Ann will have to immerse herself in the darkest corners of the Big Easy searching its erotic clubs and seamy jazz spots for clues To complicate matters there s the magnetic lieutenant determined to bring Jon to justice Ann can t seem to throw him off her trail or out of her dreams But despite that troubling distraction Ann has bigger concerns Soon she s not only embroiled in a fight for Jon s freedom but for her own life
