**Alain Demurger**

## **Templars Selected Sources:**

The Templars Regine Pernoud, 2009-09-03 Foreword by Piers Paul Read For centuries historians and novelists have portrayed the Knights Templar as avaricious and power hungry villains Who were these medieval monastic knights whose exploits were the stuff of legend even in their own day Were these elite crusaders corrupted by their conquests which amassed them such power and wealth as to become the envy of kings Indignant at the discrepancies between the fantasies on which writers on history of every kind and hue have indulged themselves without restraint and the available evidence RTgine Pernoud draws a different portrait of these Christian warriors From their origins as defenders of pilgrims to the Holy Land to their dramatic finish as heretics burned at the stake Pernoud offers a concise but thorough account of the Templars contribution to Christendom

The Templars, 2002 The Templars and their Sources Karl Borchardt, Karoline Döring, Philippe Josserand, Helen Nicholson, 2017-01-20 Even 700 years after the suppression of the Order of the Temple and the execution of the last grandmaster Jacques de Molay there is no shortage of publications on this influential military order Yet unlike other medieval institutions the Templars are subject to speculative fiction and popular myth which threaten to swamp the fruits of scholarly endeavour Fortunately recent years have produced a thriving academic scholarship which is challenging these myths More and more sources are currently being edited particularly those for the trial of the Templars 1307 1312 Others are still awaiting indepth study among them surprisingly the greater part of the charters that cover more than 150 years of the Order s history The papers in this volume step into this gap and critically evaluate new directions in Templar studies on the basis of as yet unedited source material Open issues and desiderata regarding the sources are discussed and from a range of inspiring results a new status quaestionis is proposed that will not only provide a better understanding of the Order s archaeological economical religious administrative and military history but also set new points of departure for the editing of charters and administrative documents The papers here are grouped into six sections focusing on the headquarters of the Order its charters manpower and finance religious life and finally the suppression and the Order s afterlife

*A to Z of the Knights Templar* Gordon Napier, 2011-10-24 The Knights Templar was the foremost Military Order of the Crusades In about 1118 these warrior monks were appointed custodians of Temple Mount and defenders of Christian pilgrims in the Holy Land Endorsed by the Catholic Church in 1129 the Order became a favoured cause across Europe Templar knights distinguished by their white mantles with red crosses constituted some of the most disciplined and efficient fighting units in successive crusades The expanding Order acquired extensive estates in the West and served as financiers and advisors to the great and good In the East the Templars garrisoned cities and castles helping to sustain the Frankish presence in the Orient for almost two centuries Support for the Order faded after the final loss of the Holy Land King Philip IV of France seizing on the Templar s habitual secrecy plotted their destruction and confiscation of their assets Bending the Papacy to his will he secured the arrest and trial of Templars throughout Christendom on grounds of heresy and diabolical

corruption In France the Inquisition extracted damning confessions from the arrested brethren In 1312 under continuing pressure from the Philip Pope Clement V formally disbanded the Order Two years later the last Grand Master was burned alive in Paris after renouncing his confession The Order s suppression amid such sinister circumstances gave rise to myth and speculation which keeps the Templar name alive to this day This highly readable and informative A Z guide is an invaluable reference to the places people and themes of the Crusades the Knights Templars and their legacy **The Templars** Dan Jones,2018-09-18 An instant New York Times bestseller from the author of Crusaders that finally tells the real story of the Knights Templar Seldom does one find serious scholarship so easy to read The Times Book of the Year A faltering war in the middle east A band of elite warriors determined to fight to the death to protect Christianity s holiest sites A global financial network unaccountable to any government A sinister plot founded on a web of lies In 1119 a small band of knights seeking a purpose in the violent aftermath of the First Crusade set up a new religious order in Jerusalem which was now in Christian hands These were the first Knights Templar elite warriors who swore vows of poverty and chastity and promised to protect Christian pilgrims to the Holy Land Over the next 200 years the Templars would become the most powerful network of the medieval world spearheading the crusades pionerring new forms of finance and warfare and deciding the fate of kings Then on October 13 1307 hundreds of brothers were arrested imprisoned and tortured and the order was disbanded among lurid accusations of sexual misconduct and heresy But were they heretics or victims of a ruthlessly repressive state Dan Jones goes back to the sources to bring their dramatic tale so relevant to our own times to life in a book that is at once authoritative and compulsively readable [The Pocket A-Z of the Knights Templar](#) Gordon Napier,2014-04-07 The Knights Templar were among the most famous of Christian military orders Created after the First Crusade of 1096 and endorsed by the Catholic Church in 1129 the Order grew rapidly in membership and power Templar knights were some of the best equipped trained and disciplined fighting units of the Crusades But when the Holy Land was lost and the Templars suffered crushing defeats support for the Order faded and rumours about their secret initiation ceremony created mistrust When the Order suddenly disappeared disbanded by the Pope it gave rise to speculation and legends that have kept the name Templar alive From Abbasids to Zion The A Z of the Knights Templar is an invaluable reference of the places people and themes of the Crusades the Knights Templar and their legacy **Knights Templar Encyclopedia** Karen Ralls,2007-04-15 This authoritative sourcebook offers comprehensive information on Knights Templar history symbols key figures unanswered questions and more Who were the Knights Templar And how did they become the wealthiest multinational corporation in the medieval West These powerful crusaders of the late Middle Ages remain a source of fascination for their mysterious ways and their far reaching influence The knights of the Order of the Temple were not only warriors but also diplomats international banking experts advisors to popes and kings and much more Written by leading Templar authority and medieval historian Dr Karen Ralls Knights Templar Encyclopedia presents the history of the Order of the Temple in an accessible A to

Z format This authoritative sourcebook features a wealth of information on the key Templar people places events symbols organization daily life beliefs economic empire trial and more It includes photos and illustrations an extensive bibliography a historical timeline and a list of major European Templar sites      The Persecution of the Knights Templar Alain Demurger,2019-01-01 The trial of the Knights Templar is one of the most infamous in history Accused of heresy by the king of France the Templars were arrested and imprisoned had their goods seized and their monasteries ransacked Under brutal interrogation and torture many made shocking confessions denial of Christ desecration of the Cross sex acts and more This narrative follows the everyday reality of the trial from the early days of scandal and scheming in 1305 via torture imprisonment and the dissolution of the order to 1314 when leaders Jacques de Molay and Geoffroy de Charnay were burned at the stake Through first hand testimony and written records of the interrogations of 231 French Templars this book illuminates the stories of hundreds of ordinary members some of whom testified at the trial as well as the many others who denied the charges or retracted their confessions This is a deeply researched and immersive account that gives a striking vision of the relentless persecution and the oft underestimated resistance of the once mighty Knights Templar      **The Templars** Geordie Torr,2020-04-03 Shrouded in myth and conspiracy the history of the Knights Templar is little understood Geordie Torr pulls fact from fiction revealing the astonishing tale of this military religious order that dominated the politics of the medieval Middle East Initially created to protect Christian pilgrims to the Holy Land in the wake of the First Crusade the Templars soon became an institution of incredible power possessing wealth and influence throughout the courts of Europe Yet just two centuries later they dramatically fell as its members were accused of heresy and burned at the stake Set against the dramatic backdrop of the wars between Christians and Muslims this illustrated book brings to life the legacy of this secretive order and the characters who defined the era      The Templars Jochen Burgtorf,Shlomo Lotan,Enric Mallorquí-Ruscalleda,2021-04-14 As the oldest of the military religious orders and the one with an unexpected and dramatic downfall the knighthood of the Templars continues to fascinate academics and students as well as the public at large A collection of fifteen chapters accompanied by a historical introduction The Templars The Rise Fall and Legacy of a Military Religious Order recounts and analyzes this community s rise and establishment in both the crusader states of the eastern Mediterranean and the countries of western Europe during the twelfth and thirteenth centuries reflects on the proceedings launched against it and its subsequent fall 1307 1314 and explores its medieval and post medieval legacy including an assessment of current research pertaining to the Templars and suggestions for future explorations Showcasing a wide range of methodological approaches and primary source materials this volume unites historical art historical theological archaeological and historiographical perspectives and it features the work and voices of scholars from various academic generations who reside in eight different countries Israel France Italy Spain the United Kingdom Germany Poland and the United States of America      *The Oxford Dictionary of the Christian Church* Andrew Louth,2022-02-17 Uniquely authoritative

and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCS has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader *The Real History Behind the Templars* Sharan Newman, 2007-09-04

The medieval historian who revealed The Real History Behind the Da Vinci Code uncloaks the Templars In the year 1119 these noblemen found their calling as protectors of the faithful on a dangerous pilgrimage to newly conquered Jerusalem Now historian Sharan Newman elucidates the mysteries and misconceptions of the Templars from their true first founding and role in the Crusades to more modern intrigues including Were they devout knights or secret heretics Did they leave behind a fantastic treasure hidden to this day How did they come to be associated with the Holy Grail Did they come to America before the time of Columbus Does the order still exist [Templars in Bologna: A Multidisciplinary Approach](#) Giampiero Bagni, 2024-03-12 This book is the first to use a multidisciplinary approach to study the Knights Templars of Bologna Italy Archaeological scientific historical and archival sources are combined to consider the Templars in the context of Bologna's growing economic and political power during this period A complete picture of urban and suburban Templar properties in Bologna is provided detailing lucrative activities such as Templar land use agricultural innovations and wine production Because the Crusades were influential in this era and directly impacted the urbanization of the city the Bolognese Templars are also studied in relation to the five other military orders in Bologna including the understudied Crucifers and Knights of the Blessed Virgin Mary Many formerly unexplored historical and archival sources are integrated with scientific data from this project's archaeological excavations and architectural surveys of the Templar House in Bologna allowing for its precise dating and the development of an architecturally accurate 3D film reconstruction of this property Particular attention is also given to the Order's rise and fall under the ecclesiastical governance of the archbishops of Ravenna as well as the Templar trial conducted by Archbishop Rinaldo da Concorezzo In addition the biography of the famous Templar brother Peter of Bologna is explored due to his considerable impact on the events of the Templar trial of 1310 While many

Freemasons believe Peter of Bologna escaped from the Paris trial and went to Scotland in 1313 bringing information crucial to that organization's founding the research included here suggests that Peter returned to Bologna instead serving as a Hospitaller until his death in the city in 1329 This book therefore suggests alternative conclusions regarding Peter of Bologna's death and legacy based on the latest available interdisciplinary research      **TEMPLARS Who were they? Where did they go? Vol 2 of 2** Diana Jean Muir,2019-01-28 Much has been written about the Knights Templar their code of conduct their way of life the battles and political machinations that took place the trials which ended their order and the 9 men who founded their order and the one who commanded them at the end Jacques de Molay While some work has been done to identify the men and women who served as Templars in individual kingdoms and countries this is the first comprehensive work to merge all of them together and to review the commanderies where they served Volume 2 of this series identifies the commanders seneschals treasurers drapers turcopoliers and more in Spain Portugal Switzerland Italy Rhodes Malta Cyprus Jerusalem Outremer Turkey Greece Armenia Syria Egypt Germany Poland and the Netherlands and the commanderies and fortresses that they built Tour the castles and fortresses that they commanded and learn how each area played a part in the Crusades      **The Oxford Handbook of Christian Monasticism** Bernice M. Kaczynski,2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely      The Templar Papers Oddvar Olsen,2006-01-01 The Templar papers author and historian Oddvar Olsen has assembled a veritable Who's Who of experts to unravel the mystery      *A Brief History of the Knights Templar* Helen Nicholson,2014-03-07 Much has been written about the Knights Templar in recent years A leading specialist in the history of this legendary medieval order now writes a full account of the Knights of the Order of the Temple of Solomon to give them their full title bringing the latest findings to a general audience

Putting many of the myths finally to rest Nicholson recounts a new history of these storm troopers of the papacy founded during the crusades but who got so rich and influential that they challenged the power of kings      **The Routledge**

**Companion to the Crusades** Peter Lock, 2013-04-15 A compilation of facts figures maps family trees summaries of the major crusades and their historiography the Routledge Companion to the Crusades spans a broad chronological range from the eleventh to the eighteenth century and gives a chronological framework and context for modern research on the crusading movement Not just a history of the Crusades but an overview of the logistical economic social and biographical history this is a core text for students of history and religious studies      The Military Orders Jochen Schenk; Mike Carr, 2016

The Hidden Jew Marcus Edward Bond , 2024-07-08 In a quiet hospital room a son sits by his father s bedside where whispered words reveal a hidden truth David Cohen s life is forever altered as his father shares a long guarded secret his family s Jewish heritage What follows is a journey of self discovery identity and the courage to embrace a heritage long kept in shadows As David grapples with this revelation he navigates through challenges confronts societal prejudices and finds strength in community This is the story of David s quest to understand who he truly is and the profound impact it has on his family his faith and his place in the world
