## **Temple Festival Calendars Of Ancient Egypt:**

Temple Festival Calendars of Ancient Egypt Sherif El-Sabban,2000 The temple calendars of Ancient Egypt indicate the dates of religious festivals and the supplies needed for these and for the regular cult They reflect the attitudes of the Egyptians to the worship of their gods as a basic foundation of their lives the temple was the god s home on Earth and the daily food and drink offerings made to the deity were equivalent to the meals of his earthly worshippers For special festivals depending on the particular deity and the wealth of a particular temple special additional supplies were brought in and the custom became established of making calendars which listed the amount and variety of regular offerings the dates and names of the year s festivals and the extra provisions to be offered and enjoyed on those occasions **Ancient Egyptian**

**Temple Ritual** Katherine Eaton,2014-03-14 Large state temples in ancient Egypt were vast agricultural estates with interests in mining trading and other economic activities The temple itself served as the mansion or palace of the deity to whom the estate belonged and much of the ritual in temples was devoted to offering a representative sample of goods to the gods After ritual performances produce was paid as wages to priests and temple staff and presented as offerings to private mortuary establishments This redistribution became a daily ritual in which many basic necessities of life for elite Egyptians were produced This book evaluates the influence of common temple rituals not only on the day to day lives of ancient Egyptians but also on their special events economics and politics Author Katherine Eaton argues that a study of these daily rites ought to be the first step in analyzing the structure of more complex societal processes The Calendar of Ancient Egypt Melusine Draco,2018-10-24 The Calendar of Ancient Egypt This revised Book of Days has been compiled from Temple Festival Calendars of Ancient Egypt by Sherif el Sabban the Greek and Demotic Magical Papyri lodged in the British Museum the Bibliotheque Nationale in Paris the Staatliche Museum in Berlin the Rijksmuseum in Leiden the Sallier Papyrus IV and The Cairo Calendars currently lodged in the British and Cairo Museums The latter shows that although the document itself was made during the time of Rameses II it was a reprint of much earlier material For the ancient Egyptians every day was considered to have some magical significance which caused it to be good bad or partly good and partly bad and this calendar was compiled for purposes of religious observance By consulting the lists of lucky and unlucky days each individual could protect himself and his family against the danger of the day **Handbook of Egyptian Mythology** Geraldine
