indexed Not illustrated 1892 edition Excerpt action the moon appeared to exert over the human brain in all her phases In one phase which is only another name for polarity she was noticed as peculiarly affecting the brains of insane persons hence the name lunatic from Luna the moon For thousands of years men have kept records of effects upon human actions and events attributed to the different positions of the planets of our solar system and hundreds of volumes have been written upon the subject but never to my knowledge did any such publications advance the true idea of why and how this mysterious governing force acts until I published a little work entitled Elementary Astrology some fifteen years since Then for the first time was realized the true principal of astral magnetism I quote from page 14 of that work Each globe becomes a vast magnet revolving in space sending forth its magnetic influence to other planets and not only affecting the magnetism of the inert matter composing those planets but affecting likewise the minds thoughts and actions of their inhabitants Each planet gives forth a magnetism peculiar to itself and as individuals when brought into contact with their fellows receive various magnetic impressions from different persons so the planets bring their magnetic power to bear on all mankind in all possible combinations Thus I claim the honor of being the first one to bring together all these well known and correlating facts uniting them under the general term of Astral Magnetism and giving to the mystic force a definite place and mathematical expression I have invented nothing new I have simply arranged certain correlating scientific facts so that the chain is complete from the cause to the effect So we need not **Religion of the Stars, Or, the Temple Lectures** Olney H.

Richmond,1950 **The Mystic Test Book or the Magic of the Cards** Olney H. Richmond,2018-09-10 The publication of this work was we might say forced upon us by the demand before even a page of manuscript was prepared for the press The demand was caused by members of the Temple who recognized the necessity of a printed text book from which they could study the meanings of the cards and their indications under the seven planets These brothers and sisters naturally wished to perfect themselves in emblem reading as rapidly as possible and they could not so perfect themselves without a full and complete set of tables that they could study and refer to at will The next trouble that arose was the question of expense as aside from the printing engraving binding electrotyping and matters of that kind the author s time was and is now so valuable that the item far overbalances those mentioned It was finally decided that the most feasible plan was to get out enough copies to supply more than our immediate membership and to sell them to outsiders under certain restrictions
