Igbo Mediators of Yahweh Culture of Life Philip Chidi Njemanze, 2015-08-14 Igbo Mediators of Yahweh Culture of Life is a travel in time to where it all began The book shows that the creator Yahweh was in full communication with his earliest created people the Igbos who lived his culture of life God shares one language with the Igbos through which he gave them the enlightenment of civilization for humanity This civilization was documented in the Igbo pictographic writings called hieroglyphics which have remained unknown until this first ever exposition by this book It traces this history from the earliest pictographic writings dating back four thousand years ago in the caves in present day Gabon the rock paintings in the Sahara desert dating back 45 000 BC and in the Chauvet caves in France dating back 35 000 BC The hieroglyphics in ancient Egypt are for the first time explained in their original Igbo language with English translations The original Igbo text of the Holy Scriptures is unveiled in a manner that brings true contextual understanding of the teachings of the prophets and the gospels Using ethnolinguistics anthropology and archaeology the exact origins of ancient biblical Israel was uncovered with specific names and locations of all the Jewish towns and villages as they existed then and to the present day in Igbo land Nigeria The location of the palace of King David and King Solomons temple are revealed to be existing in Owerri Imo State The exact place of the birth of Jesus Christ the place where he lived worked was crucified and buried are all uncovered in this book The discovery of highly developed Igbo technologies in ancient Egypt that were looted by Napoleon in 1799 and now

used for reverse engineering to obtain many of the present day technologies including electric battery aircraft systems space shuttle submarines helicopters and others are demonstrated The origin of the Igbos of Europe China and the Americas are unveiled The UFOs writings obtained at Roswell in hieroglyphics were explained and the author postulates a fascinating hypothesis that there are Igbos in another nearby galaxy The book illustrates the intensifying struggle from the beginning of time between Gods Culture of Life and the Culture of Death The book traces the prolife struggle against the Culture of Death which though very much apparent in our time has never eclipsed the enlightenment of the civilization of the Culture of Life This book has fundamentally rewritten the World History as we know it The book claims that the Igbos are the Chosen People of God The Igbos civilized the world as Pharaohs of ancient Egypt the Kings of ancient Israel the Greeks the Phoenicians Etruscans Iberians Carthaginians Mayans Olmecs ancient Chinese ancient Russians Babylonians and Jewish authors of the Holy Bible The spread of the Culture of Life provoked persecution and genocide against Igbos to this day This is a Great Book of the Secrets of World Civilization Read it **Unity** ,1914 **Child Life and Religious Growth** Edna Madison Bonser,1928 **God in 3D** Colin Green,2019-12-11 This groundbreaking book sets out fresh arguments that common views on the doctrine of the Trinity are mistaken on three counts One the idea of the Trinity can t be found explicitly in Scripture Two it is a mystery irrational to the human mind Three the classical creeds of the church are the best place to start These old ideas break down in light of recent research in biblical studies Writing in plain English the author sets out where the Trinity can be found in Hebrew and Christian Scripture that it is rational and understandable and that there are biblical ways of understanding it that are easier to get across than the classical creeds This book offers what many interested in teaching or learning about the Trinity have lacked up to now And it will be a great help to those who are unsure how to communicate the idea of the Trinity in ways that the nonspecialist can understand For the scholar interested in biblical and early church studies recent insights from temple theology and name theology produce a fresh perspective that will stimulate further discussion on this important subject In the temple of God we find the triune God **Navigating Languages, Literacies and Identities** Vally Lytra,Dinah Volk,Eve Gregory,2016-06-10 Navigating Languages Literacies and Identities showcases innovative research at the interface of religion and multilingualism offering an analytical focus on religion in children and adolescents everyday lives and experiences The volume examines the connections between language and literacy practices and social identities associated with religion in a variety of sites of learning and socialization namely homes religious education classes places of worship and faith related schools and secular schools Contributors engage with a diverse set of complex multiethnic and religious communities and investigate the rich multilingual multiliterate and multi scriptal practices associated with religion which children and adolescents engage in with a range of mediators including siblings peers parents grandparents religious leaders and other members of the religious community The volume is organized into three sections according to context and participants 1 religious practices at home and across generations 2 religious education classes and

Richard Wells,2012-10-01 Many in the church have forgotten the Psalms They may still be read but the rich history of using them as the backbone of Christian worship from the earliest days of the church until the 19th century is unknown For some the thought of praying or singing the Psalms alone or with others is entirely foreign In this we are out of step with our forebears in the faith we are an oddity

in the history of the church and duly suffer for it Drawn by the rich spiritual depth produced in so many who have invested themselves in the Psalms *Forgotten Songs* seeks to reclaim the content in various areas of worship This book first examines biblical and historical foundations for the use of the Psalms in worship The Old Testament and New Testament are revisited noting the nature and purpose of the Psalms and how they were used Examples of the Psalms being employed by the Church Fathers and throughout the Reformation are also explored The second section of the book examines specific ways of using the Psalms in our worship today These aren't abstract ideas or suggestions but are examples from the personal and corporate lives of individuals who have been significantly impacted by the Psalms From group singing of the Psalms to praying Psalms publicly and privately to pastoral care and the place of lament *Forgotten Songs* will help others remember to actively use the Psalms in their own worship lives individually and corporately Contributors include such academicians and authors as Craig A Blaising Douglas Bond Randall Bush Jack Collins Chad Davis J Michael Garrett James H Grant Jr James Richard Joiner Ray Ortlund Leland Ryken Calvin Seerveld Justin Wainscott and John D Witvliet along with editors Ray Van Neste and C Richard Wells

Faulkner's Marginal Couple John N. Duvall, 2014-07-03 Is William Faulkner's fiction built on a fundamental dichotomy of outcast individual versus the healthy agrarian community The New Critics of the 1930s advanced this view and it has shaped much Faulkner criticism However in Faulkner's Marginal Couple John Duvall posits the existence of another possibility alternative communities formed by deviant couples These couples who violate normal gender roles and behaviors challenge the either/or view of Faulkner's world The study treats in detail the novels Light in August The Wild Palms Sanctuary Pylon and Absalom Absalom as well as several of Faulkner's short stories In discussing each work Duvall challenges the traditional view that Faulkner created active men who follow a code of honor and passive women who are close to nature Instead he charts the many instances of men who are nurturing and passive and women who are strong and sexually active These alternative couples undermine a common view of Faulkner as an upholder of Southern patriarchal values thus countering the argument that Faulkner's fiction is essentially misogynist This new approach drawing on semiotics feminism and Marxism makes Faulkner more accessible to readers interested in ideological analysis It also stresses the intertextual connections between Faulkner's Yoknapatawpha and non-Yoknapatawpha fiction Perhaps most importantly it uncovers what the New Criticism concealed namely that Faulkner's fiction traces the full androgynous spectrum of the human condition
