Temptation African American:

The African American Odyssey Bilal R. Muhammad, 2011-12-05 The African American Odyssey is a literary compilation of a portrait combined with a strong compelling chronological history and discussion of the African American plight from an African American perspective It also entails many significant aspects of African American struggles achievements and wondering about in a country that adamantly refuses to see African Americans Propelled by enthusiasm anguish and deep concern for the magnitude of social and economic despaired conditions African Americans find themselves in today the author is obsessed with confronting the pervasive challenges of systemic and institutionalized white supremacy unjustified evil racist oppression suffering and unnecessary social and economic misery perpetrated against African Americans by a hatefully hostile government determined to marginalize or exterminate them Exasperatingly Muhammad expressively takes the reader on a journey through centuries of convoluted wondering while illustrating to them the events that produced the African American experience He conclusively shares his hope skepticism and cautious optimism for the future of African Americans
