s Tail **Campus**, 1981 Love, Accidentally Jaime Clevenger, 2021-11-01 Sure lesbians love to bring a U Haul on the second date But what happens when the U Haul crashes For Amelia Stone it s a literal question as much as a figurative one When plans to move in with her girlfriend go sideways she s left with more questions about their future than answers It doesn t help that she s spending far more time with the paramedic who came to her rescue than the woman she s supposed to be in love with When Finn Douglas responds to a routine traffic accident the last thing she s looking for is love But something about Amelia pulls her in The more time they spend together the more it feels like Amelia might be The One If only Amelia didn t have her life all planned out with a woman who isn t Finn A Mile High City Romance **The Horrible** John Edward Lawson, 2019-11-30 Lawson s second poetry collection mixes the humorous with the grotesque in a bizarre collection of new and previously published poetry This volume showcases his more story like poems many of which are favorites at his readings Appearances by Pee Wee Herman the hook hand of urban legend and the Egyptian god Anubis will have you laughing despite yourself This second edition contains over 30 pages of bonus material featuring Lawson at his most bizarre and irreverent Collected poetry from previous publications The Horrible gives you tiny tastes of the horrific dementia and wonderfully imagined regurgitations of Lawson s own nightmare bucket He leaves you with images that will remain long after you ve finished reading something akin to shadows in the aftermath of an A Bomb Kelli Owen for HorrorWeb *Chinese* Jasper Becker, 2015-08-10 A lively first hand portrait of Chinese society by a veteran British resident correspondent It starts at the bottom of the pyramid with a picture of the very poorest and ends with an account of the wealthy ruling elite The book was written in 1998 but is still relevant today as the basic structure of Chinese society has not changed and the issues and challenges remain the same It shows how China works in the context both of its long history and its more recent Communist past *Letters to the Editor of Cthulhu Sex Magazine* Oliver Baer, 2019-09-25 *Discouraging at Best* John Edward Lawson, 2019-11-30 Already known for his works of speculative fiction author John Edward Lawson uses *Discouraging at Best* to take a look at the real world On the pages within are five interlinked tales that when pieced together paint a panorama of apathy greed and manipulation We follow the self inflicted plight of working class families and their efforts to step on others in the race to get ahead We watch the petty wars of Nobel laureates We become immersed in the minds of those caught in an ankle biters rebellion We are drawn into the intrigues and incompetence of those pulling the strings at the highest level of government And ultimately we wonder why Here the absurdity of the mundane expands exponentially creating a tidal wave that sweeps reason away For those who enjoy satire bizarro literature or a good old fashioned slap to the senses *Discouraging at Best* offers extra helpings of each The content of the stories moves from profoundly disturbing to surrealistically hysterical giving the book a manic texture John Edward Lawson has written a powerful work with *Discouraging at Best* Its stories are strong enough to stand on their own but when taken in the thematic context of the rest of the book they reveal added levels of meaning Raw Dog Screaming Press has a real winner on their

hands a disturbing thought provoking wildly humorous book Highly recommended Jeff Burk for The Dream People A genuinely funny yet serious collection demonstrating that satire is indeed the vital blood of bizarre fiction and it should be read by anyone who shares the opinion that America is a ship of fools that is slowly sinking and all one can do is sigh and laugh at the sight of its going down disheartened but amused Bust Down the Door and Eat All the Chickens Providing the reader with a mosaic like narrative comprised of different voices and perspectives Lawson s approach is both imaginative and hilarious in its pairings juxtapositions and contrasts Discouraging at Best is an accomplished and enjoyable read A fabulous introduction to John Edward Lawson s work as well as a treat for long time fans these stories are stylistically innovative and engaging Highly recommended Midwest Book Review **One Hot Summer** Melissa Cutler,2016-04-05 Welcome to Dulcet Texas home of the legendary Briscoe Ranch Resort where one woman will discover that even love is bigger in the Lone Star State Celebrity wedding planner Remedy Lane is Hollywood royalty until a scandal sends her packing to the wilds of Texas She has a knack for leaving disaster in her wake but she s determined to reboot her career at Briscoe Ranch a luxury resort known for extravagant weddings Little does she know that weddings don t happen at the resort without the approval of the town s cowboy swaggering too hot for his own good fire chief Micah Garrity ONE HOT SUMMER Micah knows trouble when he sees it and all it takes is one glimpse of Remedy s princess airs for him to know he s met his match Too bad he can t stop thinking about her even when she brings about one disaster after another at the resort He and Remedy clash at every turn but they can t stop the sparks flying between them They come from such different worlds does love stand a chance or will this fire burn too hot for either of them to handle Don t miss the first book in Melissa Cutler s One and Only Texas series

A Product of Their Time Wayne Ward,2017-02-15 A unique breed of men and women emerged from the latter part of the nineteenth century Some risked their lives on the footropes of sailing ships others rose to prominence in industry politics and government Many forged new lives in far off lands but all were joined by a common thread to grasp a rapidly changing world and claim a niche in history Olaf Johansson sailed halfway around the world to find his destiny on the banks of a river of little significance when compared to the great waterways of the world but for an arid continent a vital artery of commerce Along its crumbling red clay banks and verdant redgum forests old penal colonies strove for nationhood eventually achieving independence though never fully casting off the yoke of its old colonial master A Product of Their Time is a saga of survival men and women overcoming the brutal and iron fisted rule of privilege class and authority The Unfinished Garden Barbara Claypole White,2012-08-28 A mesmerizing tale of fear loss and love a novel as beautiful and complex dark and light sweet and sensuous as Tilly s beloved garden Joanne Rendell author of The Professors Wives Club James Nealy is haunted by irrational fears and inescapable compulsions A successful software developer he s thrown himself into a new goal to finally conquer the noise in his mind And he has a plan He ll confront his darkest fears and build something beautiful a garden When he meets Tilly Silverberg he knows she holds the key even if she doesn t think so After her husband s death gardening

became Tilly's livelihood and her salvation Her thriving North Carolina business and her young son Isaac are the excuses she needs to hide from the world So when oddly attractive incredibly tenacious James demands that she take him on as a client her answer is a flat no When a family emergency lures Tilly back to England she's secretly glad With Isaac in tow she retreats to her childhood village which has always stayed obligingly the same Until now Her best friend is keeping secrets Her mother is plotting Her first love is unexpectedly temptingly available And then James appears on her doorstep Away from home James and Tilly forge an unlikely bond tenuous at first but taking root every day And as they work to build a garden together something begins to blossom between them despite all the reasons against it I found the writing style in *The Unfinished Garden* reminiscent of Rosamunde and Robin Pilcher As a fan of both I truly enjoyed this book Julie Kibler author of *Calling Me Home*

The Paradise War Stephen Lawhead, 2010-08-24 From the dreaming spires of Oxford Lewis Gillies drives north to seek a mythical creature in a misty glen in Scotland Expecting little more than a weekend diversion Lewis finds himself in a mystical place where two worlds meet in the time between times and in the heart of a battle between good and evil The ancient Celts admitted no separation between this world and the Otherworld the two were delicately interwoven each dependent on the other *The Paradise War* crosses the thin places between this world and that as Lewis Gillies comes face to face with an ancient mystery and a cosmic catastrophe in the making
