Ten Million Dollar Getaway:

The Ten Million Dollar Getaway Doug Feiden, 1981-06-01 The 10,000,000 Dollar Getaway Doug Feiden, 2014-08-31

The money comes in once a month by plane untraceable bills totaling millions of dollars And these men are going to steal it The Lufthansa Heist was one of the most audacious and profitable crimes ever committed on U S soil It has been immortalized in movies like Goodfellas and The Big Heist The New York crime families contributed brains and muscle and on December 11 1978 these men stole almost ten million dollars Then the bodies started piling up Doug Feiden weaves this spellbinding tale of the crime and its bloody aftermath where the FBI started to piece together what had happened where paranoia make the risk greater than the reward and where witnesses were soon silenced for good **The Taking of New York City** Andrew Rausch, 2024-11-05 For a time in the 1970s New York City seemed to many to be genuinely on the cusp of collapse Plagued by rampant crime graft catastrophic finances and crumbling infrastructure it served as a symbol for the plight of American cities after the convulsions of the 1960s This tale of urban blight was reinforced wherever one looked whether in the news media memorably captured in the infamous New York Daily News headline Ford to City Drop Dead or the countless movies that evoked the era s uniquely gritty sense of dread The Taking of New York City is a history of both New York and some of the decade s most definitive films including The French Connection 1971 the first two Godfather movies 1972 1974 Taxi Driver 1976 Serpico 1973 Dog Day Afternoon 1975 and many more It was also an era in which the city wrestled with the racial tensions still threatening the tear the nation apart never more so than in Blaxploitation classics such as Shaft 1971 and Super Fly 1972 These films depicted the city that never sleeps as a grim violent place overridden with muggers pimps and killers Projected at drive ins and inside their local movie houses rural America saw New York as a nightmare a vile dystopia where the innocent couldn t rely on the local law enforcement who were seemingly all on the take If one took Hollywood s word for it the only way a person was able to find justice in 1970s New York City was by grabbing a gun and meting it out themselves Author Andrew Rausch meticulously separates fact and fiction in this illuminating book Attentive to the ways that New York s problems were exaggerated or misrepresented it also gives an unvarnished look at just how bad things could get in the Rotten Apple and how movies told that story to the country and the world *Cops and Robbers* John Townsend, 2006 Discover the risks robbers will take to steal money and how police use dogs to sniff out criminals **Checkered Past** Abby Gaines, 2009-04-01 NASCAR team owner Chad Matheson is most comfortable when he s in control But his control took a time out during a few days in Las Vegas and he impulsively wed hotel heiress Brianna Hudson The marriage lasted only one night though before they both had second thoughts Two years later Brianna holds the keys to a much needed sponsorship for Chad s team and Chad is determined to keep things between them strictly business But he knows he s fighting a losing battle Because where Brianna is concerned the atmosphere is anything but professional And the last thing he needs is anyone finding out that legally they re still Mr and Mrs **Bad Boy of Gospel Music** Russ

Cheatham,2010-03-05 I messed up Calvin Newton lamented after wasting thirty years and doing time in both state and federal prisons for theft counterfeiting and drug violations These were years of my life that I could have been singing gospel music During his prime he was super handsome athletic and charged with sexual charisma that attracted women to him like flies to honey Atop this abundance was his astounding voice the voice of an angel This book is his prodigal son story Audacious Newton never turned down a dare even if it meant climbing on the roof of a speeding car or wading into a freezing ocean As a boy boxer he was a Kentucky Golden Gloves champ who knocked his opponent in twenty three seconds By his late teens he had been recruited by the Blackwood Brothers the number one gospel quartet in the world In his mid twenties while he was singing Christian songs with the Oak Ridge Quartet Newton's mighty talent and movie star looks took him deep into hedonism reckless driving heavy romancing and addictive pill popping As 1950s rock n roll began its invasion of gospel he and two partners formed the Sons of Song the first all male gospel trio Long before the pop sound claimed contemporary Christian music the Sons of Song turned gospel upside down with histrionic harmony high styled tuxedos and Hollywood verve Their signature song Wasted Years foreshadowed Newton's punishing fall This biography looks back at the destructive lifestyle that wrecked a sparkling career When well into his sixties Newton turned his life around and was able to confront his demons and discuss his prodigal days He talked extensively with Russ Cheatham about his self destruction and the great personal expense of his own bad boy choices and late redemption In this candid biography one of gospel's all stars discloses a messed up life that vacillated between achievement and failure fame and infamy happiness and grief
