and responsive to the sacred within to an instinct an intuition a sixth sense a deep voiceless voice that can be heard even in a crowd This inner guide may at times call us to live apart from others but it surely summons us to follow a road less traveled that is to turn away from the conventional wisdom of society those ways of thinking believing and behaving that go unquestioned busy is good more is better success equals wealth Welcome to a refreshing version of spirituality Beauty Roger Housden, 2012-11-13 When Roger Housden decided to travel to Iran and finally see the subject of his youthful fascination he was in his sixties By then he thought he had seen the world He was wrong It was a guest that changed him forever In Iran Housden met with artists writers film makers and religious scholars who embody the long Iranian tradition of humanism and shared with him their belief in scholarship and artistry From the bustle of modern Tehran to the paradise gardens of Shiraz to the spectacular mosques and ancient palaces of Isfahan Housden met Iranians who were warm welcoming generous intellectually curious and altogether alive with their love for one another and for the faith and tradition that holds them together Saved by Beauty weaves a richly textured story of many threads It is a deeply poetic and perceptive appreciation of a culture that has endured for over three thousand years while it also portrays the creative and spiritual cultures within contemporary Iran While there Roger Housden was brought face to face with the reality that beauty and truth deceit and violence are inextricably mingled in the affairs of human life and was forever altered by it Worth Living Roger Housden, 2005-12-06 Conventional wisdom says Roger Housden tells us that nobody goes to heaven for having a good time Seven Sins for a Life Worth Living then is a refreshing liberating and decidedly welcome dose of unconventional wisdom that awakens us to the simple delights and transformative joys of the world around us With elegance gentle humor and remarkable openness Housden takes us along as he recalls his personal journey toward an appreciation of what he calls the Seven Pleasures The Pleasure of All Five Senses The Pleasure of Being Foolish The Pleasure of Not Knowing The Pleasure of Not Being Perfect The Pleasure of Doing Nothing Useful The Pleasure of Being Ordinary and The Pleasure of Coming Home Housden writes for instance of submitting to the ultimate folly of falling in love of celebrating our imperfections of coming to understand the virtues of the Slow Food movement while enjoying an all afternoon lunch in a small French village and of discovering in a Saharan cave that however extraordinary our surroundings we are human a glorious nothing much to speak of and learning to be at peace with the notion Such pleasures may be suspect in today s achievement driven tightly scheduled relent lessly self improving conspicuously consumptive culture but surely the greater sin lies in letting them slip away moment by precious moment The purpose of this book says Housden is to inspire you to lighten up and fall in love with the world and all that is in it Reading it is a pleasure indeed When you die God and the angels will hold you accountable for all the pleasures you were allowed in life that you denied yourself Roger Housden author of the bestselling Ten Poems series presents a joyously affirmative warmly personal and spiritually illuminating meditation on the virtues of opening ourselves up to pleasures like being foolish not being perfect and doing nothing useful the pleasure of not
