Designing A Program To Nurture Great Men of Faith, Character and Service in the Local Church Rev. Dr. Charles Falcone, 2014-03-05. This thesis is written to investigate the gender gap that exists in current church membership throughout Western Christianity. Numerous studies have established that throughout all Christian churches in the United States, women outnumber men in attendance and membership. This paper is written with the hope of understanding the causes for disproportional involvement of men in the local church. We will investigate the factors of theological climate in the mainline church, sociological factors revolving around the Christian family, changing notions of work, vocation, and gender roles, and sociological factors of health and longevity. Our goal is to see an awakening in the masculine spirit at the church where the author currently serves.

Devotions for Couples Patrick M. Morley, 1998. Best selling author Patrick Morley has compiled a series of thought provoking, spirit nourishing devotional readings for couples.

A Man's Guide to the Spiritual Disciplines Patrick Morley, 2008-09-01. Spiritual disciplines are to the believer what medical school is to the doctor. A man came up to me at a conference where I was speaking and said, "Pat, do me a favor. Tell me how to be good. I already know how bad I am." That statement captures the intent of this book and the purpose of the spiritual disciplines. Spiritual strength, like surgical skill or athletic excellence, requires training and practice. To become the kind of man who walks with God and wields Christ's influence in your world, you'll want to begin a consistent regimen of spiritual exercises. In *A Man's Guide to the Spiritual Disciplines*, Patrick Morley highlights twelve habits that will strengthen your walk with Christ, including: Experiencing God in creation, Letting the Bible change your life, Learning the power of prayer, Grasping God's greatness through worship, Gaining strength through Sabbath, Thriving because of fellowship, Succeeding through wise counsel. And more. By presenting each discipline with a concise overview, several examples, and application ideas to get you going, this powerful guidebook will help you develop the maturity every man of God was designed to reflect.

Reflections of God's Work Paul McLean, 2010-08-23. This work by Paul McLean is a deep, weekly devotional that is both introspective and interactive. It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues. By use of a weekly instead of a daily study, this devotional allows an opportunity to go deeper with God by narrowing the reader's focus on particular biblical principles that impact his or her personal sphere. McLean vigorously maintains that Bible study, deep personal analysis, and prayer are critical anchors in weathering any of life's storms while at the same time producing Christian growth and maturity. They are also the pillars from which growth, life balance, and fulfillment are achieved. This book is interactive through the use of journaling thoughts.

impressions and messages received through connecting with God's word Bible during the week Essentially the reader evaluates his or her life by answering in journalistic form pointed and personal life questions McLean believes that prayer and contemplative study play critical roles in the process of hearing from God This devotional can also be used as a study guide for group sharing and personal growth Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders he was changed and shaped by God for a higher purpose
