Nwaneri,2012-10-09 OUR MISSION IN THESE SIX BOOKS 1 Growing Decline in World Peace We started our long journey in these six Books with an expression of concern over the growing decline in world peace Our Mission throughout our Six Books had therefore focused on our views on how the state of World Peace can be advanced 2 Enhancing unity between Christianity and Secularity We expressed at the beginning of our first Book that one major source of the growing decline in world peace is the on going wars and crises between the Religious and Secular worlds of today This source of global crises had been acknowledged in a recent conference of global Religious Leaders held in Assisi at the invitation of Pope Benedict XVI The Conference participants resolved unanimously to address this source of crises in world peace Global Secular Leaders had also expressed much concern on the growing decline in world peace They did so again at the last meeting of the United Nations General Assembly in New York 3 Our Mission to contribute to Pope Benedict XVI's New Evangelization In our view the recent launching of the New Evangelization by Pope Benedict XVI reflected in part the resolution of Religious Leaders in the Assisi Conference to find ways of addressing the growing decline in world peace due partly to Religious conflicts with Secularity across the world The Pope called on all Lay members of the Catholic Church and Christians in general to contribute to the success of the Popes New Evangelization PCNE As we expressed throughout our six books our mission in these Books is to respond to the call by Pope Benedict XVI 4 Military and Secular Perspectives on the Religious and Secular Peace We stated clearly from the start that our contribution would reflect on the military and secular aspects of the growing conflicts between Christianity and Secularity using the global experience

in both sectors by our Author throughout his career We had to take these perspectives because we must identify the source leadership and strategies in the wars and conflicts between the Religious and Secular worlds Unless we know the leaders in the conflicts and their missions we cannot achieve any progress in resolving these wars and crises and enhance the level of world peace 5 My Background A few words of introduction on my background may enable the Reader understand my perspectives in these Books I started the project of writing the Books because I am convinced that I can contribute to the PCNE by bringing my African background in Nigeria education at the London School of Economics and exposure to global secular governance through my position as a former Economic Adviser with The U K Government and a Senior Economist at The World Bank 6 Is anything wro American Book Publishing Record Cumulative, 1950-1977 R.R.
