## **Ten Thousand Days Of Thunder:**

**10,000 Days of Thunder** Philip Caputo, 2011-11-15 It was the war that lasted ten thousand days The war that inspired scores of songs The war that sparked dozens of riots And in this stirring chronicle Pulitzer Prize winning journalist Philip Caputo writes about our country's most controversial war the Vietnam War for young readers From the first stirrings of unrest in Vietnam under French colonial rule to American intervention to the battle at Hamburger Hill to the Tet Offensive to the fall of Saigon 10 000 Days of Thunder explores the war that changed the lives of a generation of Americans and that still reverberates with us today Included within 10 000 Days of Thunder are personal anecdotes from soldiers and civilians as well as profiles and accounts of the actions of many historical luminaries both American and Vietnamese involved in the Vietnam War such as Richard M Nixon General William C Westmoreland Ho Chi Minh Joe Galloway Dr Martin Luther King Jr Lyndon B Johnson and General Vo Nguyen Giap Caputo also explores the rise of Communism in Vietnam the roles that women played on the battlefield the antiwar movement at home the participation of Vietnamese villagers in the war as well as the far reaching impact of the war's aftermath Caputo's dynamic narrative is highlighted by stunning photographs and key campaign and battlefield maps making 10 000 Days of Thunder THE consummate book on the Vietnam War for kids *Some Rise by Sin* Philip Caputo, 2017-05-09 New York Times bestselling author Philip Caputo tells the story of a Franciscan priest struggling to walk a moral path through the shifting and fatal realities of an isolated Mexican village The Mexican village of San Patricio is being menaced by a bizarre cultish drug cartel infamous for its brutality As the townspeople try to defend themselves by forming a vigilante group the Mexican army and police have their own ways of fighting back Into this volatile mix of forces for good and evil and sometimes both steps an unlikely broker for peace Timothy Riordan an American missionary priest who must decide whether to betray his vows to stop the unspeakable violence and help the people he has pledged to protect Riordan's fellow expatriate Lisette Moreno serves the region in a different way as a doctor who makes house calls to impoverished settlements advocating modern medicine to a traditional society wary of outsiders To gain acceptance she must keep secret her rocky love affair with artist Pamela Childress whose troubled emotions lead Moreno to question their relationship Together Lisette and Riordan tend to their community But when Riordan oversteps the bounds of his position his personal crisis echoes the impossible choices facing a nation beset by instability and bloodshed Based on actual events propelled by moral conflict and animated by a keen and discerning sensibility *Some Rise by Sin* demonstrates yet again Philip Caputo's generous and insightful gifts as a storyteller *In the Shadows of the Morning* Philip Caputo, 2014-05-06 Philip Caputo's passion for travel and adventure was inspired by the works of Joseph Conrad Jack London and Herman Melville and through the years this passion led to a rugged writer's life filled with hair raising experiences in the jungles of Vietnam the rubble of Beirut and the savannas of Africa *In the Shadows of the Morning* collects Caputo's essays for the first time each imbued with the powerful and memorable writing for which he has become so well known In *The Ahab*

Complex Caputo recalls a life and death struggle with a majestic giant blue marlin off the coast of Florida whose quarter ton body lit up as if a gigantic light had flashed in the water He recounts his travels in Kenya s largest national park among the only lions to have a natural tendency to stalk and eat human beings and where the accounts of their gruesome escapades invaded his dreams In the title piece he reflects on a harrowing trip down the Alaskan river that nearly claimed his son s life nature s indifference to human loss and an evocative account of letting go In the Shadows of the Morning is a fascinating journey through a lifetime of profound experiences Adventurers and lovers of great writing will welcome this collection of finely crafted essays by one of America s most gifted writers

**Crossers** Philip Caputo,2010-10-19 When Gil Castle loses his wife he retreats to his family s sprawling homestead out west a forsaken part of the country where drug lords have more power than police Here Castle begins to rebuild his life even as he uncovers some dark truths about his fearsome grandfather When a Mexican illegal shows up at the ranch terrified after a border crossing drug deal gone bad Castle agrees to take him in Yet his act of generosity sets off a flood of violence and vengeance a fierce reminder that we never truly escape our history Spanning three generations of an Arizona family Crossers is a blistering novel about the brutality and beauty of life on the border

**The Longest Road** Philip Caputo,2013-07-16 In The Longest Road one of America s most respected writers takes an epic journey across America Airstream in tow and asks everyday Americans what unites and divides a country as endlessly diverse as it is large Standing on a wind scoured island off the Alaskan coast Philip Caputo marveled that its Inupiat Eskimo schoolchildren pledge allegiance to the same flag as the children of Cuban immigrants in Key West six thousand miles away And a question began to take shape How does the United States peopled by every race on earth remain united Caputo resolved that one day he d drive from the nation s southernmost point to the northernmost point reachable by road talking to everyday Americans about their lives and asking how they would answer his question So it was that in 2011 in an America more divided than in living memory Caputo his wife and their two English setters made their way in a truck and classic trailer hereafter known as Fred and Ethel from Key West Florida to Deadhorse Alaska covering 16 000 miles He spoke to everyone from a West Virginia couple saving souls to a Native American shaman and taco entrepreneur What he found is a story that will entertain and inspire readers as much as it informs them about the state of today s United States the glue that holds us all together and the conflicts that could cause us to pull apart
