Ten Tough Trips:

Ten Tough Trips William W. Bevis, 1990 A collection of essays on the culture of the Western United States features ten unique perspectives on the American frontier *Fifty Years After The Big Sky* William E. Farr, William W. Bevis, 2001 Writers historians and public intellectuals from James Welch and Mary Clearman Blew to Dan Flores William W Bevis and Daniel Kemmis explore A B Guthrie s life and legacy in *Fifty Years after The Big Sky* New Perspectives on the Fiction and Films of A B Guthrie Jr Best known for his novels *The Big Sky* and *The Way West* and as the author of the screenplay for the movie classic *Shane* A B Guthrie is a much loved but under studied Montana author There has been almost no serious study of Guthrie s work until now This wide ranging anthology examines this beloved western author in multiple contexts Essays examine Guthrie s relationship with the movie industry how the Cold War influenced Guthrie s work how people in his hometown of Choteau Montana and others close to him remember the man and how the myths that lie at the core of Guthrie s fiction haunt today s Montanans **A Companion to the Literature and Culture of the American West** Nicolas S. Witschi, 2014-02-03 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America s western states Offers a comprehensive approach to the wide range of cultural expressions originating in the west Focuses on the intersections complexities and challenges found within and between the different historical and cultural groups that define the west s various distinctive regions Addresses traditionally familiar icons and ideas about the west such as cowboys wide open spaces and violence and their intersections with urbanization and other regional complexities Features essays written by many of the leading scholars in western American cultural studies **Encyclopedia of the American Novel** Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this

Modernism and Mildred Walker Carmen A. Pearson, 2008-07-01 Modernism and Mildred Walker is the first full length critical study of the major fictional works of this American author whose life spanned the twentieth century 1905 98 and whose literary production spanned almost three quarters of a century A highly regarded chronicler of New England and the American West she is also appreciated for her portrayal of women characters and the complexity of women s roles Long beloved by readers of Montana fiction Mildred Walker s novels have been dismissed by some critics as only of regional interest and as Carmen Pearson argues have not been explored and appreciated from other critical perspectives and by other audiences In this persuasive new study Pearson offers a new and decidedly western interpretation of Modernism as a critical tool and proposes a variety of readings and interpretations designed to emphasize the relationship between cultural production in the West and modernism She encourages readers and students of literature to reappraise Walker s work and to undertake further critical studies of their own **Montana Legacy** Harry W. Fritz, Mary Murphy, Robert R. Swartout, 2002 A rich and varied tapestry Montana Legacy looks at the people cultures places and events that shaped present day Montana

from Plentywood to Butte Great Falls to Virginia City and Billings to Browning Designed to make you think about Montana history in a new way this anthology features sixteen essays chosen for their relevance readability and scholarship The volume s editors carefully selected topics that range across two centuries from the fur trade to power deregulation and expose Montana s cultural and geographical diversity Join them in this exploration of Montana s past and gain a better understanding of Montana s future 6 x 9 392 pages b w photos **The Rockies in First Person** Ron McFarland, 2014-01-10

The autobiography has not always been acknowledged as true literature Since 1970 however American memoirs have revealed themselves as a respectable literary genre distinct with an inimitable literary voice and a unique capacity to intersect narration and reflection This study focuses critical attention on ten memoirs from the northern U S Rockies including Utah Colorado Wyoming Montana and Idaho By comparing memoirs representing states that share similar demographic ecological and socio economic characteristics this historic and literary analysis reveals both commonalities and divergences among American Western memoirs Each chapter compares two books of similar thematic concerns ranging from regional values and rural evolution to dynamic landscapes and the experiences of American Indians **Charles M. Russell** Raphael James Cristy, 2004 Well known for his sketches paintings and sculptures of the Old West Charles M Russell 1864 1926 was also an accomplished author in the humorous genre known as local color Raphael Cristy sorts Russell s writings into four general categories serious Indian stories men encountering wildlife cattle range characters and nineteenth century westerners facing twentieth century challenges Russell s art is often misinterpreted as mere longing for a fading open range west but his writings tell a different story Cristy shows how Russell amused his peers with stories that also delivered sharp observations of Euro American suppression of Indians and humorous treatment of wilderness and range issues plus the emergence of women and urbanization as bewildering agents of change in the modern West A welcome departure from the usual biographies and coffee table volumes on Russell and his art Cristy deals with an important yet relatively unexplored aspect of the career of one of the most influential interpreters of the American West Byron Price Director C M Russell Center for the Study of Art **Department of the Interior and Related Agencies Appropriations for 1995: Justification of the budget estimates: Indian Health** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1994 **A Companion to the Regional Literatures of America** Charles L. Crow, 2008-04-15 The Blackwell Companion to American Regional Literature is the most comprehensive resource yet published for study of this popular field The most inclusive survey yet published of American regional literature Represents a wide variety of theoretical and historical approaches Surveys the literature of specific regions from California to New England and from Alaska to Hawaii Discusses authors and groups who have been important in defining regional American literature **Native Homelands along the Lewis & Clark Trail , Reading the West** Michael Kowalewski, 1996-02-23

The American West of myth and legend has always exerted a strong hold on the popular imagination and the essays in

Reading the West examine some of the basis of that fascination Reading the West first published in 1996 is a collection of critical essays by writers independent scholars and critics on the literature of the American West in the last two centuries It showcases new ways of reading and understanding western writing Arguing for the importance of place in literature these essays explore what makes representative literary works western They also explore the multicultural and ecological dimensions of western writing This volume helps enrich our understanding of a distinguished body of literary work which has sometimes been unjustly ignored It deals not only with literature but with the changing conception of the West in the American imagination

Many Wests David M. Wrobel, Michael C. Steiner, 1997 What does it mean to live in the West today Do people tend to identify with states with regions or with the larger West This book examines the development of regional identity in the American West demonstrating that it is a regionally diverse entity made up of many different wests Great Plains Southwest Rocky Mountains and more in which American regionalism finds its fullest expression These fourteen original essays tell how a sense of place emerged among residents of various regions and how a sense of those places was developed by people outside of them Wrobel and Steiner first offer a compelling overview of the West's regional nature then thirteen other rising or renowned scholars from history American Studies geography and literature tell how regional consciousness formed among inhabitants of particular regions All of the essays address the larger issue of the centrality of place in determining social and cultural forms and individual and collective identities Some focus on race and culture as the primary influences on regional consciousness while others emphasize environmental and economic factors or the influence of literature Some even examine western regionalism in areas that lie beyond the West as it has traditionally been conceived Each of the contributors believes that where a people live helps determine what they are and they write not only about the many wests within the larger West but also about the constant state of flux in which regionalism exists Many books speak of the West as a place but few others deal with the West's different places Many Wests presents a vision of the West that reflects both the common heritage and unique character of each major subregion building on the revisionist impulse of the last decade to help redirect New Western History toward an appreciation of regional diversity and integrate scholarship in the regional subfields It is a book for everyone who lives in studies or loves the West for it confirms that it is home to very different peoples economies histories and regions

Singing an Indian Song Dorothy R. Parker, 1994-11-01 One of the foremost Native American intellectuals of his generation 1904-77 D Arcy McNickle is best known today for the American Indian history center that carries his name at the Newberry Library in Chicago and for his novels The Surrounded Runner in the Sun and Wind from an Enemy Sky A historian and novelist he was also an anthropologist Bureau of Indian Affairs official during the heady days of the Indian New Deal teacher and founding member of the National Congress of American Indians The child of a M tis mother and white father he was an enrolled member of the Flathead Tribe of Montana But first and largely by choice he was a Native American who sought to restore pride and self determination to all Native American people

Based on a wide range of previously untapped sources this first full length biography traces the course of McNickle's life from the reservation of his childhood through a career of major import to American Indian political and cultural affairs. In so doing it reveals a man who affirmed his own heritage while giving a collective Indian voice to many who had previously seen themselves only in a tribal context. Department of the Interior and Related Agencies Appropriations for 1995 United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1994

The Essential West Elliott West, 2012-11-09 Scholars and enthusiasts of western American history have praised Elliott West as a distinguished historian and an accomplished writer and this book proves them right on both counts. Capitalizing on West's wide array of interests this collection of his essays touches on topics ranging from viruses and the telegraph to children bison and Larry McMurtry. Drawing from the past three centuries West weaves the western story into that of the nation and the world beyond from Kansas and Montana to Haiti Africa and the court of Louis XV. Divided into three sections the volume begins with conquest. West is not the first historian to write about Lewis and Clark but he is the first to contrast their expedition with Mungo Park's contemporaneous journey in Africa. The Lewis and Clark expedition West begins is one of the most overrated events in American history and one of the most revealing. The humor of this insightful essay is a chief characteristic of the whole book which comprises ten chapters previously published in major journals and magazines but revised for this edition and four brand new ones. West is well known for his writings about frontier family life especially the experiences of children at work and play. Fans of his earlier books on these subjects will not be disappointed. In a final section he looks at the West of myth and imagination in part to show that our fantasies about the West are worth studying precisely because they have been so at odds with the real West. In essays on buffalo Jesse James and the McMurtry novel *Lonesome Dove* West directs his formidable powers to subjects that continue to shape our understanding and often our misunderstanding of the American West past and present.

Under the Big Sky Jackson J. Benson, 2009-05-01 Author of *The Way West* and the screenplay for the classic *Shane* among many other timeless stories icon of Western literature A. B. Guthrie Jr brought a blazing realism to the story of the West. That realism came out of the depth of Guthrie's historical research and an acuity that had seldom been seen in the work of Western novelists. The small Montana town that figures in several of Guthrie's books is clearly patterned after the town where he grew up Choteau on the eastern front of the Rocky Mountains. Biographer Benson illuminates Guthrie's upbringing and education the influence of his intellectually inclined father his work as a newspaperman in Kentucky and his time at Harvard University. Animated by the observations of friends family and fellow authors this intimate account offers rare insight into the life and work of a remarkable writer and into the making of the literary West. Illuminative Moments in Pacific Northwest Prose Richard W. Etulain, 2024-03-12 Richard W. Etulain examines the emergence of Pacific Northwest prose beginning in the early nineteenth century up to the present. The book provides an introductory overview to a vast subject through illuminative moments that

illustrate major shifts in the literary history of the region The book s focus is on novels histories and other nonfiction works that trace Pacific Northwest prose in chronological order through three periods the frontier regional and post regional eras Etulain provides extensive coverage of the writings of notable authors including novelists Frederic Homer Balch and Mary Hallock Foote offering an understanding of frontier romantic and Local Color Writers He also explores the works of H G Merriam and novelist H L Davis illustrating regional prose writings Finally Etulain includes a panoply of writers who exemplify an emphasis on gender race and ethnicity and environmental texts from the post WWII period Illuminative Moments in Pacific Northwest Prose delivers a first time overview of the region s literary contributions that will interest both scholars and general readers alike

Rooted at the Edge Donna L. Erickson, 2025 Rooted at the Edge paints a portrait of a ranching community in a threatened landscape steeped in history conflict and beauty In this narrative nonfiction work Donna L Erickson explores the hilly skirt of ground at the northern boundary of Missoula Montana separating the town from the wilderness beyond The North Hills region represents the critical and often highly personal issues at play at the edge of many western towns The urban rural fringe is both valuable and vulnerable Across the West rural lifestyles are increasingly compromised by suburbanization economic hardship and family dynamics a way of life and a way of work are vanishing Ranchland may be simultaneously cherished by a family for the life its members have made there and coveted by urban neighbors for open space Community residents may love a place for its scenery and wildlife habitat while others wish it converted to a commercial parking lot Complex ecological relationships can be bulldozed in a single afternoon And the threats of climate change and shifting populations compromise the edge even more In the tension between love and loss Erickson wrote this story of a landscape s soft contours piney ridges shady draws and grassy slopes and its potential disappearance under an expanding city Rooted at the Edge conveys in a way that statistics cannot what s at stake when ranches at the urban fringe are threatened

Borneo Log William W. Bevis, 1995 There the rainforest is being cut rapidly local corruption and greed siphon off most of the profit native rights and land uses are being obliterated and much of the fine timber is shipped to Japan to become plywood forms for concrete that are thrown away after two uses
