

At times it seems that each living experience must be, in some way, a meaningful gift from God.

While immediately confronted by our GI experience we were perhaps unaware of the richness that was merging into our awareness. The life we lived, the feelings that pervaded our days and nights, may have been the beginning of something which we will one day understand in the time of our civilian living.

Perhaps this Review may serve as a sort of memory chain leading into and out of our GI days. If we follow that chain it might be that we, and the ones we left at home, will achieve through our memories, and our reactions, an

increased depth of living that will repay us in the fullness of our separations.

Prepared for the men of the 24th, and its families, at the instance of Lieut. Colonel Bernard and Chaplain Sanders.
