Ten Commandments For The Long Haul:

Ten Commandments for the Long Haul Daniel Berrigan, 2009-04-02 I have a sense that the times themselves apart from more or less deliberately created crises render strong things fragile and fragile things mortally endangered The times themselves are a permanent crisis So writes Daniel Berrigan in this journal of reflections and musings from the late 1970s First published in 1981 this book traces Berrigan's work after his release from Danbury Prison in 1972 for his part in the Catonsville Nine antiwar demonstration from his experiences in Palestine Northern Ireland and France where he lived with Thich Nhat Hanh to his experiences as a teacher in Manitoba and Berkeley Throughout Berrigan ponders the commands of Christ the struggle to be faithful to these commands and why so few take them seriously With wit and wisdom Berrigan shares his faith journey and encourages us to stay faithful to that journey to be peacemakers for the long haul **Seeds of the Spirit** Richard H. Bell, Barbara L. Battin, 1995-01-01 This book brings together a selection of classic spiritual writings from the twentieth century's most inspirational authors Arranged thematically this book is ideal for use as a spiritual primer for laity and clergy alike and is also helpful for sermon preparation The topics include alienation and loneliness holiness and spirituality justice and kindness purity of heart humility and renunciation spiritual presence and incarnation and worship gratitude and joy Challenging and engaging these writings will invite us to explore and deepen our sense of the sacred in our everyday lives Selections are from the work of Karl Barth Daniel Berrigan Dietrich Bonhoeffer Martin Buber Dorothy Day Matthew Fox Gustavo Gutierrez Dag Hammarskjöld Vaclav Havel Abraham Heschel Martin Luther King Jr Madeleine L. Engle C. S. Lewis Thomas Merton Mother Teresa of Calcutta Henri Nouwen Brother Roger of Taizé Dorothee Soelle Simone Weil and many others A short biography of each writer is included **Sin and Forgiveness** Kay Carmichael, 2019-09-16 Originally published in 2003 Western attitudes to crime were in the past rooted in concepts of sin and therefore of hopes for redemption and forgiveness So what happens to offenders and society as a whole in a world where people no longer talk of sin but of evil If hopes of redemption go too will revenge take the place of forgiveness Kay Carmichael explores these dilemmas in this topical and provocative book She traces the stories of Myra Hindley Mary Bell Sarah Payne James Bulger and his killers comparing public responses to such crimes in various Western countries Art and literature are examined for the light they throw on the evolution of our ideas about sin and forgiveness from Rembrandt to Nathaniel Hawthorne Samuel Becket Dali and writings inspired by the Holocaust Turning to our own day Carmichael discusses the emergence of structural sins or iniquities in which we may all find ourselves involved poverty slavery violence and war are her themes Her analysis leaves her sceptical about many contemporary appeals for forgiveness but hopeful about ideas of restorative justice *The Lifestyle Investor: The 10 Commandments of Cash Flow Investing for Passive Income and Financial Freedom* Justin Donald, 2022-02-10 We all want to make more money that too with minimum effort and without too much hassle Ever wondered what life would be like if we had a simple proven system to create cash flow and generate real wealth with little

Standing on the Promises or Sitting on the Premises? Rev. James W. Moore, 2007-05-01 Are you standing on the promises or just sitting on the premises Do you claim and embrace and celebrate the great promises of God that are underscored again and again in the Bible Or do you sit lifelessly and listlessly on the remote edges of the church responding halfheartedly to its message In this new edition of his inspiring book James W Moore awakens us with these questions and reminds us of the awesome promises of God that are found in the Bible On page after page of the Scriptures God gives us generous and gracious promises that we can claim and rely on The author shows that

when we fail to lean on God and trust in these promises we open ourselves to many frustrating embarrassing even painful experiences Yet when we truly stand on the promises we discover the richness and fullness that God intended for our lives This new edition of the book includes a study guide *Plowshares* Kristen Tobey, 2016-09-01 In September 1980 eight Catholic activists made their way into a Pennsylvania General Electric plant housing parts for nuclear missiles Evading security guards these activists pounded on missile nose cones with hammers and then covered the cones in their own blood This act of nonviolent resistance was their answer to calls for prophetic witness in the Old Testament They shall beat their swords into plowshares and their spears into pruning hooks Nation shall not take up sword against nation they shall never again know war *Plowshares* explores the closely interwoven religious and social significance of the group's use of performance to achieve its goals It looks at the group's acts of civil disobedience such as that undertaken at the GE plant in 1980 and the *Plowshares* behavior at the legal trials that result from these protests Interpreting the Bible as a mandate to enact God's kingdom through political resistance the *Plowshares* work toward symbolic disarmament with the aim of eradicating nuclear weapons *Plowshares* activists continue to carry out such divine obediences against facilities where equipment used in the production or deployment of nuclear weapons is manufactured or stored Whether one agrees or disagrees with their actions this volume helps us better understand their motivations logic identity and ultimate goal
