Corn on the mountains, sermons John Robertson (of the Gorbals tabernacle, Glasgow.), 1891 If It Is To Be, It Is Up To Me To Do It Don McCabe, 1999-07 , **A to Zoo** Carolyn W. Lima, John A. Lima, 1989 A guide to 12 000 titles cataloged under 700 subjects and indexed by author title and illustrator Get a Life John L. Werrill, 2006-05-01

Autobiographical writing has a particular value as a literary form especially when as seems clear the written style is quite to the point lucid and communicates well The richly detailed and colorful account of the life loves and friendships built up around the most extraordinary life of John L Werrill The panorama of experience trials determination effort to succeed in a worldly competitive arena is richly textured well observed and not without more than the usual touch of spice and intrigue No matter what obstacle the writer seldom says no to anything especially on any or all challenges that he faces along the way compelling the reader to remain with him as each incident unravels Working up the chain of command in a ship's galley John's efforts are relentless imaginative creative inspiring and not without his inherent humor which carries him over many seemingly insurmountable issues and ongoing incidents Seldom he is boring and slow to think plus without a definitive plan of future life we can learn a good lesson of achievement and a sense of purpose as one reads From one arena to the other aboard cruise liner's of mammoth proportions the Chef de Cuisine is held in high regard as well he should and John continues on his helter skelter journey to the eventual pinnacle but not without stark reminders of daily life's realities unfazed by many who would prefer the home comforts he left behind To luxury spacious yachts with no limits on time demand and satisfaction for the very rich and some famous we get a very rare insight into the daily goings on both on shore in sumptuous homes around the globe Sailing to parts unknown on a whim Immaculate turn out undeniable hilarity to keep one guessing from the beginning to the end One might very well feel out of breath when you have read it Book Reviews I found this book to be quite delightful In all of Mr Werrill's travels and experiences given his writing style I felt I was right there with him In his colorful and careful descriptions of his life one was left with a feeling of what's next for this very adventurous gentleman He left me with a sense of my own personal longing to write of my adventures Who knows perhaps you'll have another interesting book to publish one day I thoroughly enjoyed this read and certainly would buy any future books written by Mr Werrill

Marlene Cooper Williams Readers Comments 1 Uproarious antics and escapades with shipmates employers colleagues and lovers 2 Rivals and surpasses Benny Hill in being rather risqué and absolutely hilarious 3 Always the sense of family especially Mother Louise 4 Uncanny ability to think on his feet to avert nearly all matters of trouble virtually rendering himself unscathed nearly every time 5 Strong sense of faith and three true loves Beverly Kirsten and mother 6 One event after another stealing your breath one moment with an OMG then total laughter 7 Life onboard ship private yachts and in the servitude of some of San Francisco's wealthiest 8 Left with the feeling of having been that fly on the wall witnessing one man's life that goes beyond all others 9 When asked Is there anything you have not done anywhere you

have not been and anyone you have not met the simple answer would be NO 10 John L Werrill should receive an honorary professorship and hit the lecture circuit especially at the commencement of universities he simply has so much to share of life experiences which most people could not possibly envision 11 An unbelievable sense of sadness upon Mr Werrill's admission of a deep depression as he searches for his true SELF 12 Having been there done that from top to bottom front to back and in between there is renewal 13 Yes there should be a movie but who would play this **Natural Reading** Lew Anna Ball,1906 *The Horseshoers' Journal* ,1911 Special Committee Reports Charity Organisation Society (London, England),1886 **Western Field** ,1905 **Dance of the Winnebagos** Ann Charles,2011-10-13 When Claire's grandfather and his army buddies converge in the Arizona desert it's her thankless job to keep them out of trouble with the opposite sex But when she finds a human leg bone and partners with a reluctant geotechnician to dig up secrets from the past trouble finds her If she doesn't stop digging she could wind up dead
