Light Warriors Joshua Mills,2025-02-25 Spiritual warfare is a battle against the dark forces of the enemy It is a fight that has eternal consequences It is serious business and rightly so But have we been so focused on the darkness that we have overlooked the Light Many of us exhaust ourselves striving against Satan in our own strength unknowingly employing the enemy s own tactics rather than resting in Christ s triumphant finished work These methods frustrate us and keep us from experiencing victory and deliverance That is all about to change as we move from being victims of the darkness to becoming victorious warriors of the light Best selling author Joshua Mills explains that in these momentous times God wants us to recover His original plan for spiritual warfare He is providing us with a higher revelation with better tools for overcoming so we can release His powerful light When the light shines darkness must flee Light warriors choose to stand in the light and not back down from the darkness As you learn how to become a spiritual light warrior you will release healing activate angels and disarm demons be set ablaze with God s power live in heavenly light and shift atmospheres for spiritual victory Working Together Emile Noel,Émile Noël,1996
