Ten Little Niggers:

Ten Little Niggers TEN LITTLE NIGGERS.,1900 "Ten Little Niggers" Wulf-D. Schmidt-Wulffen,2012 Harmless and funny or racist In children s books we all remember the catchy melody and the controversy around insulting terms such as Negro and others terms What was the purpose of this To promote colonialism and exploitation or to serve as a means of education Where does such a thinking come from that downgrades Africans and Blacks Are these questions outdated Not at all In an immigration society we cannot avoid addressing such issues in everyday life as well as in education This book examines the issue in the form of children s literature Series Cultural Studies Kulturwissenschaft Estudios Culturales Etudes Culturelles Vol 41 **A Colonial Lexicon** Nancy Rose Hunt,1999-11-15 A Colonial Lexicon is the first historical investigation of how childbirth became medicalized in Africa Rejecting the colonial encounter paradigm pervasive in current studies Nancy Rose Hunt elegantly weaves together stories about autopsies and bicycles obstetric surgery and male initiation to reveal how concerns about strange new objects and procedures fashioned the hybrid social world of colonialism and its aftermath in Mobutu s Zaire Relying on archival research in England and Belgium as well as fieldwork in the Congo Hunt reconstructs an ethnographic history of a remote British Baptist mission struggling to survive under the successive regimes of King Leopold II s Congo Free State the hyper hygienic pronatalist Belgian Congo and Mobutu s Zaire After exploring the roots of social reproduction in rituals of manhood she shows how the arrival of the fast and modern ushered in novel productions of gender seen equally in the forced labor of road construction and the medicalization of childbirth Hunt focuses on a specifically interwar modernity where the speed of airplanes and bicycles correlated with a new mobile medicine aimed at curbing epidemics and enumerating colonial subjects Fascinating stories about imperial masculinities Christmas rituals evangelical humor colonial terror and European cannibalism demonstrate that everyday life in the mission on plantations and under a strongly Catholic colonial state was never quite what it seemed In a world where everyone was living in translation privileged access to new objects and technologies allowed a class of colonial middle figures particularly teachers nurses and midwives to mediate the evolving hybridity of Congolese society Successfully blurring conventional distinctions between precolonial colonial and postcolonial situations Hunt moves on to discuss the unexpected presence of colonial fragments in the vibrant world of today s postcolonial Africa With its close attention to semiotics as well as sociology A Colonial Lexicon will interest specialists in anthropology African history obstetrics and gynecology medical history religion and women s and cultural studies **Ten Little Niggers** Agatha Christie,1950 The N Word Jabari Asim,2008-08-04 A renowned cultural critic untangles the twisted history and future of racism through its most volatile word The N Word reveals how the term nigger has both reflected and spread the scourge of bigotry in America over the four hundred years since it was first spoken on our shores Jabari Asim pinpoints Thomas Jefferson as the source of our enduring image of the nigger In a seminal but now obscure essay Jefferson marshaled a welter of pseudoscience to define the stereotype of a shiftless child man with

huge appetites and stunted self control Asim reveals how nineteenth century science then colluded with popular culture to amplify this slander What began as false generalizations became institutionalized in every corner of our society the arts and sciences sports the law and on the streets Asim s conclusion is as original as his premise He argues that even when uttered with the opposite intent by hipsters and hip hop icons the slur helps keep blacks at the bottom of America s socioeconomic ladder But Asim also proves there is a place for the word in the mouths and on the pens of those who truly understand its twisted history from Mark Twain to Dave Chappelle to Mos Def Only when we know its legacy can we loosen this slur s grip on our national psyche **Ten Little Niggers** ,195? The N-Word in Music Todd M. Mealy,2022-05-04 The minstrelsy play song and dance Jump Jim Crow did more than enable blackface performers to spread racist stereotypes about Black Americans This widespread antebellum era cultural phenomenon was instrumental in normalizing the N word across several aspects of American life Material culture sporting culture consumer products house pets carnival games and even geographic landmarks obtained the racial slur as a formal and informal appellation Music it is argued was the catalyst for normalizing and disseminating those two ugly syllables throughout society well beyond the environs of plantation and urban slavery This weighty and engaging look at the English language s most explosive slur described by scholars as the atomic bomb of bigoted words traces the N word s journey through various music genres and across generations The author uses private letters newspaper accounts exclusive interviews and most importantly music lyrics from artists in the fields of minstrelsy folk country ragtime blues jazz rock n roll and hip hop The result is a reflective account of how the music industry has channeled linguistic and cultural movements across eras resulting in changes to the slur s meaning and spelling *Brudder Bones's Nigger Song Book: a collection of ... Ethiopian songs and choruses, etc* Brudder BONES,1869 *Ten Little Niggers* Agatha Christie Mallowan,1939 White on Black Jan Nederveen Pieterse,1992-01-01 White on Black is a compelling visual history of the development of European and American stereotypes of black people over the last two hundred years Its purpose is to show the pervasiveness of prejudice against blacks throughout the western world as expressed in stock in trade racist imagery and caricature Reproducing a wide range of illustrations from engravings and lithographs to advertisements candy wrappings biscuit tins dolls posters and comic strips the book challenges the hidden assumptions of even those who view themselves as unprejudiced Jan Nederveen Pieterse sets Western images of Africa and blacks in a chronological framework including representations from medieval times from the colonial period with its explorers settlers and missionaries from the era of slavery and abolition and from the multicultural societies of the present day Pieterse shows that blacks have been routinely depicted throughout the West as servants entertainers and athletes and that particular countries have developed their own comforting black stereotypes about blacks Sambo and Uncle Tom in the United States Golliwog in Britain Bamboula in France and Black Peter in the Netherlands Looking at conventional portrayals of blacks in the nursery in sexual arenas and in commerce and advertising Pieterse analyzes the conceptual roots of the stereotypes about them The images

that he presents have a direct and dramatic impact and they raise questions about the expression of power within popular culture and the force of caricature humor and parody as instruments of oppression

The Coloniality of Animal Monstrous Othering in Children's Books, Films, and Toys Donna Varga, 2024-08-19 The Coloniality of Animal Monstrous Othering in Children s Books Films and Toys examines how the portrayal of animals as physically distorted behaviorally depraved and intellectually defective serves to justify their debasement violation and destruction in materials directed toward young consumers The author argues that this animal monstrous Othering arises from the Eurocentric belief in humans natural superiority over animals and the right to categorize animals in accordance with a scale of worthiness that parallels the subjugation of racialized persons The chapters examine a variety of canonical figures like the dissolute wolf of Red Riding Hood stories and the disfigured titular character of the Wonky Donkey picture book alongside non canonical animals including reprobate pigs degenerate sharks self centered flamingos and wicked piranhas To counter this animal debasement Varga juxtaposes these readings with an examination of materials that articulate harmonious animal human interrelationships without dependence on styles of anthropomorphism that diminish animality
