Ten Parables of Jesus Workbook Jamie Buckingham, 1988-03 Jamie Buckingham tells about the parables on the location where they occurred

10 Parables of Jesus Workbook Jamie Buckingham, 1988-12-11 God has many ways of teaching us Jesus taught by example Men looked at how He lived and decided to walk that way also He also taught by precept speaking directly to people But His favorite way of teaching was through the use of the parable He loved to tell with spiritual meaning Jesus was a master storyteller Unlike most storytellers however He did not tell his stories to entertain He told stories to teach He wanted His listeners to learn about God about God's Kingdom about God's Son and about themselves The stories He told were filled with humor common sense biting satire and deep spiritual truth They prodded They stimulated They answered questions They raised questions But always they pointed men toward God's highest way for the lives of the listeners This workbook is designed to be used with the video messages found at www.JamieBuckinghamMinistries.com Each segment runs about 12 minutes In this study of 10 parables of Jesus you'll visit the sites where Jesus was when He told His marvelous stories In one session you'll stand with me high above the ruins of an ancient inn along the notorious road from Jerusalem to Jericho where a despised Samaritan stopped to render aid to a dying man after the religious people passed him by You will visit the ancient stone towers in the middle of an olive grove where the father stood and waited for his prodigal son to return home You will visit a deep wadi where Jesus might have stood as He told the story of the two houses one built on the sand and the other on the rock You will also visit the Western Wall where Jesus stood when he told the parable of the two men who went into the Temple to pray You will meet yourself in one or all of these parables And hopefully the person you see will then call out to God for change and growth Welcome to the wonderful world of the story Welcome to the wonderful heart of the Storyteller

Parables Workbook John F. MacArthur, 2016-03-01 Jesus was a master storyteller and the parables He told were ingeniously simple word pictures Some of them were no more than fleeting remarks about commonplace incidents objects or persons In fact the most compact of all Jesus short stories does not even fill a complete verse of Scripture Yet the all were filled with profound spiritual lessons that He wanted His listeners to hear and understand Jesus told these parables so they would clearly comprehend His message about the kingdom of God and the reason He had come to earth In the Parables Workbook master expositor and Bible commentator John MacArthur draws on his years spent studying and explaining the Word of God to guide readers through some of the most famous and influential short stories that Jesus told Each session contains the following Biblical focus the primary passages on which the session draws Another look questions to facilitate review of content in the book Biblical connections questions that focus on the main Bible passage Highlighting the lesson questions that focus on the central teaching points Lasting implications questions to help draw out personal conclusions Daily assignments five sets of questions that reflect on the parable the point the purpose the principles and the practical application This workbook has been designed to enhance readers experience of reading the book and is intended

both for individual use and for study in a small group setting **Four Portraits, One Jesus Workbook** Mark L. Strauss, 2020-03-24 This workbook accompanies Mark L. Strauss's *Four Portraits, One Jesus*. Following the textbook's structure, it offers readings from the Gospels, activities, and exercises designed to support the student's learning experience and enhance their comprehension of what can be known from the Gospels about the central defining subject of Christianity: Jesus of Nazareth. *Four Portraits, One Jesus* is a thorough yet accessible introduction to the four biblical Gospels and their subject: the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss illuminates these four books, addressing the following important areas: First, he addresses the nature, origin, methods for study, and historical, religious, and cultural backgrounds of the Gospels. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels. **The Scandal of the Kingdom Workbook** Dallas Willard, 2024-10-15 What does it mean to live in the kingdom of God in our day-to-day lives? A runaway son. A woman's frantic search for a coin. A farmer paying hired help. Jesus relied on ordinary situations like these to communicate extraordinary truths about following after him. Of course, not everyone who heard Jesus' parables understood what they meant. Even the disciples at times had to ask Jesus to explain the point of a story that he had just told. Jesus was always willing to explain the meaning to them, and any others who sought to understand the mysteries of God's kingdom. He does the same for like-minded seekers today. *The Scandal of the Kingdom Workbook*, based on the teachings of the late beloved author Dallas Willard, will aid you in this kind of exploration of many of the parables that Jesus told. Each lesson will help you understand the heart behind a parable, how Jesus used it to communicate the realities of God and life in his kingdom, and how it is still revolutionary, even scandalous, in showing you the way in which God invites you to lead your life. This workbook is designed for use with *The Scandal of the Kingdom* by Dallas Willard. Each of the fifteen lessons in this workbook includes these sections: Hearing What Jesus Said, The truths that Jesus was revealing, Thinking About What Jesus Said, How those truths apply to you, Responding to What Jesus Said, What actions to take. **The Spiritual DNA of a Church on Mission - Workbook** Bob Burton, 2020-01-15 As a companion to *Spiritual DNA of the Church On Mission*, this workbook will provide teaching outlines, questionnaires, and other practical helps aimed at equipping pastors and church staff to prepare their churches to engage missionally in their communities. *Workbook for Lectors, Gospel Readers, and Proclaimers of the Word® 2017 USA* Marielle Frigge, OSB, PhD, Elaine Park, SSL, STD, Douglas Leal, Workbook provides this year's Scripture readings for Sundays and holy days in large print for practice, along with commentaries, advice for proclamation, pronunciation aids, and also the Responsorial Psalm for meditation and context. A great resource for ongoing formation when studied each week.
