Celebrating the Rest of Your Life David Yount, Provides baby boomers with practical strategies for infusing their daily lives with Christian spiritual vitality and hope and using traditional marriage vows as a blueprint encourages them to be their own caretakers and to be faithful to themselves Original ***Celebrating the Single Life*** David Yount,2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one's own presents unique challenges depending on one's age health and circumstances So the script for successful single living calls for different

strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group s special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles

Life Scientific Philosophy, Phenomenology of Life and the Sciences of Life Anna-Teresa

Tymieniecka,2013-03-09 This collection brings to the public the fruits of the groundlaying work on the philosophy phenomenology of life presented in some 30 volumes of the *Analecta Husserliana* and inaugurates a new phase in philosophy phenomenology a truly radical turn As Tymieniecka in her introduction puts it the time is ripe to abandon the prejudices against empiria and set aside in a second position the epistemological constitutive criterion of validity and truth without however abandoning it To the contrary recognising with our present culture the overwhelmingly superior validity of the pragmaticity test which science indubitably applies in its verification of technology philosophy phenomenology at last reaches the full significance of reality the fullness of the vital fact of life which comprises not only the works and enjoyment of the mind and the spirit but those of the bios and the cosmos too The full fledged dialogue with the hard core sciences opens up philosophy of life and the human creative condition draws together all the radiations of life into its field of inquiry Tymieniecka thus proposes a new *mathesis universalis* the dream of Leibniz and Husserl which can at least be fulfilled

that they may benefit the saints participating in many video trainings that are held throughout the earth The Announcements section includes fellowship concerning the use of the Bower House property in London UK 10 Things Every Minister's Wife Needs to Know Jeana Floyd, 2010 MINISTRY IS A CHALLENGING VOCATION EVEN IN THE BEST OF TIMES WHILE THE PASTOR OR YOUTH MINISTER IS THE PUBLIC FACE OF HIS CHURCH THERE IS SOMEONE ELSE WHO PLAYS A VITAL SUPPORTING ROLE BEHIND THE SCENES A ROLE THAT CAN BE CENTRAL TO ITS SUCCESS OR STRUGGLES BEING THE WIFE OF A PASTOR OR YOUTH MINISTER CAN BE TREMENDOUSLY REWARDING BUT IT IS ALSO A COMMITMENT OF TIME PERSONAL INVESTMENT AND PATIENCE JEANA FLOYD PROVIDES A CLEAR CONCISE AND HONEST VIEW OF THIS LIFE WITH INTERACTIVE TESTIMONIES INCLUDED FROM VARIOUS PASTORS WIVES AT THE END OF EACH CHAPTER THE BOOK SHARES POIGNANT AND POWERFUL INSIGHTS ANY WOMAN OR WIFE CAN APPRECIATE *Summa Theologiae, Prima Pars: Volume 1, The One God, QQ 1-26* Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 When Leo XII promulgated Aeterni Patris in 1879 he stipulated that the Leonine or official edition of the Summa should always be printed in conjunction with Cajetan's Commentary For five hundred years they were studied together Generations were trained by reading through the Summa article by article with Cajetan's commentaries in hand Early printed editions of the Summa typically included them in a Talmudic arrangement as marginal text running around each article by Aquinas This edition imitates that example Recently serious thinkers of all denominations and none have found new reasons to be interested in St Thomas His text is deceptively simple yet important issues are handled in every article sometimes below the surface Cajetan extracts these hidden issues and explains and elaborates on them with remarkable affinity to modern analytical philosophy Part of that affinity lies in the use of modal logic a tool whose importance was overlooked between the Renaissance and the twentieth century The time is ripe for an analytically inspired translation of Thomas hence this volume Never until now has Cajetan's Commentary been put into English in its entirety William Marshner's translation is consistent with fidelity to the technical force of the original The translator's footnotes acknowledge what empirical science has made obsolete in the work of St Thomas and also make clear how much today's science would have saved Thomas useless labor This volume will for the first time make Cajetan's help available to the modern reader
