Love Never Fails Chuck D. Bayles,2011-05-17 A smart samurai once wrote More than anything you must set your heart on strategy and earnestly stick to the way Strategy is a policy or plan on how to approach situations It is a line of attack with the ultimate goal of improvement At the heart of two thousand year old Christianity and the teachings of Christ is a divine love extended toward us that we are to emulate It is one of the few explicit portrayals of God s very nature It like God is infallible perfect and foolproof It is a plan on how to think that never fails

A Spell For Old Bones Eric Linklater,2011-12-01 When the giants fell old bones revived there is the rubric for Eric Linklater s new story first published in 1949 There may be no historical foundation for his tale of a fantastic war in the First century A D between the giant Furbister and the abominable Od McGammon his neighbour in the south west of Scotland but their quarrel which provides a background to the engaging love story of the willful poet Albyn and the delightful Princess Liss has a real enough interest and no small significance in our equally strange world of today Would love cure all our troubles Love indeed has a power that is almost infinite But man especially if he is a willful poet has the habit of dissatisfaction an eye that looks critically at love itself And here in this tale of some very modern primitives love makes the running but fails to win the race A new departure

for Linklater Well he often makes new departures and here though he is serious at bottom his seriousness is nicely garnished with wit and sometimes at the mercy of humour The fascination of the story carries its outlandishness as lightly as a feather
