The Afterlives of Specimens Lindsay Tuggle, 2017-11-15 *The Afterlives of Specimens* explores the space between science and sentiment the historical moment when the human cadaver became both lost love object and subject of anatomical violence Walt Whitman witnessed rapid changes in relations between the living and the dead In the space of a few decades dissection evolved from a posthumous punishment inflicted on criminals to an element of preservationist technology worthy of the presidential corpse of Abraham Lincoln Whitman transitioned from a fervent opponent of medical bodysnatching to a literary celebrity who left behind instructions for his own autopsy including the removal of his brain for scientific study Grounded in archival discoveries *Afterlives* traces the origins of nineteenth century America's preservation compulsion illuminating the influences of botanical medical spiritualist and sentimental discourses on Whitman's work Tuggle unveils previously unrecognized connections between Whitman and the leading medical men of his era such as the surgeon John H Brinton founding curator of the Army Medical Museum and Silas Weir Mitchell the neurologist who discovered phantom limb syndrome Remains from several amputee soldiers whom Whitman nursed in the Washington hospitals became specimens in the Army Medical Museum Tuggle is the first scholar to analyze Whitman's role in medically memorializing the human cadaver and its abandoned parts

Ten Years in Washington. Life and Scenes in the National Capital, as a Woman Sees Them. By Mary Clemmer Ames ... Mary Clemmer, *The Papers of Ulysses S. Grant, Volume 20* Ulysses Simpson Grant, 1967

Chocolate City Chris Myers Asch, George Derek Musgrove, 2017-10-17 Monumental in scope and vividly detailed *Chocolate City* tells the tumultuous four century story of race and democracy in our nation's capital Emblematic of the ongoing tensions between America's expansive democratic promises and its enduring racial realities Washington often has served as a national battleground for contentious issues including slavery segregation civil rights the drug war and gentrification But D C is more than just a seat of government and authors Chris Myers Asch and George Derek Musgrove also highlight the city's rich history of local activism as Washingtonians of all races have struggled to make their voices heard in an undemocratic city where residents lack full political rights Tracing D C's massive transformations from a sparsely inhabited plantation society into a diverse metropolis from a center of the slave trade to the nation's first black majority city from *Chocolate City* to *Latte City* Asch and Musgrove offer an engaging narrative peppered with unforgettable characters a history of deep racial division but also one of hope resilience and interracial cooperation

Every Drop of Blood Edward Achorn, 2020-03-03 This vividly rendered Civil War history presents a lively guided tour of Washington during the 24 hours or so around Lincoln's swearing in Adam Goodheart Washington Post By March 4 1865 the Civil War had left intractable wounds on the nation Tens of thousands crowded Washington's Capitol grounds that day to see Abraham Lincoln take the oath for a second term and witness what was perhaps the greatest inaugural address in American history Lincoln stunned the nation by arguing that both sides had been wrong and that the war's unimaginable horrors might have been God's just

verdict on the national sin of slavery In *Every Drop of Blood* Edward Achorn reveals the nation's capital on that momentous day with its mud sewage and saloons its prostitutes spies reporters social climbing spouses and power hungry politicians Swirling around the complex figure of Lincoln a host of characters are brought to life from grievously wounded Union colonel Selden Connor to the embarrassingly drunk new vice president Andrew Johnson to poet journalist Walt Whitman from soldiers advocate Clara Barton and African American leader Frederick Douglass to conflicted actor John Wilkes Booth In indelible scenes Achorn captures the frenzy and division in the nation's capital at this crucial moment in America's history His story offers new understanding of our great national crisis and echoes down the decades to resonate in our own time

A Slave in the White House Elizabeth Dowling Taylor, 2012-01-03 New York Times Bestseller A fascinating portrait of one of the men enslaved by James and Dolley Madison and his journey toward freedom Publishers Weekly Paul Jennings was born into slavery on the plantation of James and Dolley Madison in Virginia later becoming part of the Madison household staff at the White House Once he was finally emancipated by Senator Daniel Webster later in life he would give an aged and impoverished Dolley Madison his former owner money from his own pocket write the first White House memoir and see his sons fight with the Union Army in the Civil War He died a free man in northwest Washington at seventy five Based on correspondence legal documents and journal entries rarely seen before this amazing portrait of the times reveals the mores and attitudes toward slavery of the nineteenth century and sheds new light on famous figures such as James Madison who believed the white and black populations could not coexist as equals General Lafayette who was appalled by this idea Dolley Madison who ruthlessly sold Paul after her husband's death and many other since forgotten slaves abolitionists and civil right activists A portrait of a remarkably willful ambitious opportunistic and in his own way well connected American You could also call it the American dream Fortune A great historical biography Houston Style Magazine A must read The Daily Beast Thorough research an important story of human struggle determination and triumph The Dallas Morning News The Destructive War Charles Royster, 2011-09-14 From the moment the Civil War began partisans on both sides were calling not just for victory but for extermination And both sides found leaders who would oblige In this vivid and fearfully persuasive book Charles Royster looks at William Tecumseh Sherman and Stonewall Jackson the men who came to embody the apocalyptic passions of North and South and re creates their characters their strategies and the feelings they inspired in their countrymen At once an incisive dual biography hypnotically engrossing military history and a cautionary examination of the American penchant for patriotic bloodshed *The Destructive War* is a work of enormous power **United States Senate Catalogue of Graphic Art**, 2006 From Cincinnati to the Colorado Ranger - the Horsemanship of Ulysses S. Grant Denise M. Dowdall, 2012-11-14 Ulysses Grant the highest ranking general of the American Civil War and 18th president of the United States was a surprisingly reluctant soldier and an even more reluctant president But he was always an enthusiastic horseman Rich with anecdote humour and humanity *From Cincinnati to the Colorado Ranger* tells of the extraordinary

collection of horses that inhabited Grant's world From the placid plough horses of his youth to the brave war chargers that carried the destiny of the nation on their backs From the pampered trotters of the Gilded Age to the exotic stallions whose blood enriched a new breed of American horse The story of these horses more than illuminates the life and culture of a great American

The President Shall Nominate Mitchel A. Sollenberger, 2008 A comprehensive and path breaking study of what happens behind the scenes before presidents publicly announce to the Senate and thus the nation their nominees for federal positions

Ladies and Gentlemen of the Civil Service Cindy Sondik Aron, 1987 Drawing from workers applications testimonies and other primary documents this book examines the changing roles of federal civil servants during the crucial period between 1860 and 1900 as they formed part of the first white collar bureaucracy in the United States

Mary Lincoln for the Ages Jason Emerson, 2019-04-19 In this sweeping analytical bibliography Jason Emerson goes beyond the few sources usually employed to contextualize Mary Lincoln's life and thoroughly reexamines nearly every word ever written about her In doing so this

book becomes the prime authority on Mary Lincoln points researchers to key underused sources reveals how views about her have evolved over the years and sets the stage for new questions and debates about the themes and controversies that have defined her legacy Mary Lincoln for the Ages first articulates how reliance on limited sources has greatly restricted our understanding of the subject evaluating their flaws and benefits and pointing out the shallowness of using the same texts to study her life Emerson then presents more than four hundred bibliographical entries of nonfiction books and pamphlets scholarly and popular articles journalism literature and juvenilia More than just listings of titles and publication dates each entry includes Emerson's deft analysis of these additional works on Mary Lincoln that should be used but rarely have been to better understand who she was during her life and why we see her as we do The volume also includes rarely used illustrations including some that have never before appeared in print A roadmap for a firmer more complete grasp of Mary Lincoln's place in the historical record this is the first and only extensive analytical bibliography of the subject In highlighting hundreds of overlooked sources Emerson changes the paradigm of Mary Lincoln's legacy

A Sisterhood of Sculptors

Melissa Dabakis, 2020-05-01 This project is made possible through support from the Terra Foundation for American Art When Elizabeth Cady Stanton penned the Declaration of Sentiments for the first women's rights convention held in Seneca Falls New York in 1848 she unleashed a powerful force in American society In A Sisterhood of Sculptors Melissa Dabakis outlines the conditions under which a group of American women artists adopted this egalitarian view of society and negotiated the gendered terrain of artistic production at home and abroad Between 1850 and 1876 a community of talented women sought creative refuge in Rome and developed successful professional careers as sculptors Some of these women have become well known in art historical circles Harriet Hosmer Edmonia Lewis Anne Whitney and Vinnie Ream The reputations of others have remained until now buried in the historical record Emma Stebbins Margaret Foley Sarah Fisher Ames and Louisa Lander At midcentury they were among the first women artists to attain professional stature in the American art world while achieving international fame in Rome London and other cosmopolitan European cities In their invention of modern womanhood they served as models for a younger generation of women who adopted artistic careers in unprecedented numbers in the years following the Civil War At its core A Sisterhood of Sculptors is concerned with the gendered nature of creativity and expatriation Taking guidance from feminist theory cultural geography and expatriate and postcolonial studies Dabakis provides a detailed investigation of the historical phenomenon of women's artistic lives in Rome in the mid nineteenth century As an interdisciplinary examination of femininity and creativity it provides models for viewing and interpreting nineteenth century sculpture and for analyzing the gendered status of the artistic profession
