

An aerial photograph of a dry, cracked landscape with a prominent, winding river or stream that meanders through the terrain, creating a series of loops and curves. The ground is light-colored and heavily textured with cracks, while the water in the river is a darker, silty blue.

the brilliant success of the Atlantic cable has driven it entirely out of the public mind Most readers are familiar with the principal facts in the history of this enterprise from its organisation to its ultimate abandonment but only a few even of its original projectors know anything about the work which it accomplished in British Columbia Alaska and Siberia the obstacles which were met and overcome by its exploring and working parties and the contributions which it made to our knowledge of an hitherto untravelled unvisited region Its employees in the course of two years explored nearly six thousand miles of unbroken wilderness extending from Vancouver Island on the American coast to Bering Strait and from Bering Strait to the Chinese frontier in Asia The traces of their deserted camps may be found in the wildest mountain fastnesses of Kamchatka on the vast desolate plains of north eastern Siberia and throughout the gloomy pine forests of Alaska and British Columbia Mounted on reindeer they traversed the most rugged passes of the north Asiatic mountains they floated in skin canoes down the great rivers of the north slept in the smoky plogs of the Siberian Chukchis chook chees and camped out upon desolate northern plains in temperatures of 50 and 60 below zero The poles which they erected and the houses which they built now stand alone in an encircling wilderness the only results of their three years labour and suffering and the only monuments of an abandoned enterprise *Tent Life in Siberia, and Adventures Among the Koraks and Other Tribes in Kamtchatka and Northern Asia - Scholar's Choice Edition* George Kennan,2015-02-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Tent Life in Siberia** George Kennan,1910 *Tent Life in Siberia, and Adventures Among the Koraks and Other Tribes in Kamtchatka and Northern Asia* George Kennan,1870 Author s experiences in Kamchatka and neighboring regions when working on Siberian sector of projected Western Union telegraph link across Bering Strait 1865 67 *Tent Life in Siberia, and Adventures Among the Koraks and Other Tribes in Kamtchatka and Northern Asia. ...
