Anthropology Clifford Wilcox, 2006-01-01 Relying upon close readings of virtually all of his published and unpublished writings as well as extensive interviews with former colleagues and students Robert Redfield and the Development of American Anthropology traces the development of Robert Redfield's ideas regarding social change and the role of social science in American society Clifford Wilcox's exploration of Redfield's pioneering efforts to develop an empirically based model of the transformation of village societies into towns and cities is intended to recapture the questions that drove early development of modernization theory Reconsideration of these debates will enrich contemporary thinking regarding the history of American anthropology and international development **Studies in American Folklife**, 1982 **Selected**

appearing in the year she died Amy Clampitt's themes are the very American ones of place and displacement She like her pioneer ancestors moved frequently but she wrote with lasting and deep feeling about all sorts of landscapes the prairies of her Iowa childhood the fog wrapped coast of Maine and places she visited in Europe from the western isles of Scotland to Italy's lush countryside She lived most of her adult life in New York City and many of her best known poems such as Times Square Water Music and Manhattan Elegy are set there She did not hesitate to take on the larger upheavals of the twentieth century war Holocaust exile and poems like The Burning Child and Sed de Correr remind us of the dark nightmare lurking in the interstices of our daily existence It is impossible to speak of Amy Clampitt's poetry without mentioning her immense lifelong love of birds and wildflowers a love that produced some of her most profound images like the kingfisher's burnished plunge the color of felicity afire which came glancing like an arrow through landscapes of untended memory to remind her of the uninhabitable sorrow of an affair gone wrong or the sun underfoot among the sundews so dazzling that looking you start to fall upward
