Maurice C., 2024-04-25 The shift in moral standards across the world has changed dramatically in the last eighty years The shift has not been good for society and the influence of Satan has grown Once a God-fearing and loving society we are now a God-ignoring and self-satisfying nation The Ten Commandments once considered vital are now treated as less than ten suggestions We have moved so far away from a God-centered world that I suspect He will do something dramatic to regain our attention We have probably passed the point of no return in our relationship with our Creator Mary and many Saints have warned that we need to return to Him and I believe that only some divine intervention will bring us home to Him My children and grandchildren didn't have the religious education we had Most of them can't answer the question Why did God make you So I am asking you who had a solid religious education and belief to share that education

with the young people I have taken on the job of praying my children and grandchildren into heaven If you agree please join me Ask the Father in Jesus s name to bring us home for eternity Live and share the reason God made you Tell the children what you learned to know Him to love Him and serve Him This is the purpose of our existence Share it with the ones we love deeply We live in His world No matter what man tries to do He is still and always will be in charge In my judgment the only power strong enough to coordinate all the confusion we ve seen in the world today is Satanic power Satan is constantly on the attack but we have the power on our side to overcome his influence In the end Jesus will triumph coming in glory His love and mercy is endless and will be shared by those who make an effort to do the will of the Father The sisters taught us about the sacraments Talk to your children and grandchildren about them Encourage them to go to confession and to attend mass and God will take care of them Don t be afraid He put us here and now for a reason and I believe the reason is for us to help each other to know love and serve Him Let s pray them into heaven with us It has been two years getting this book to print The changes in the world condition over that time has deteriorated significantly Knowing the reason of our existence has become even more crucial than it was two years ago The Russians have invaded Ukraine and their action threatens world safety Mary warned us of this threat over one hundred years ago We are past time in listening to her words of warning This week in March 2022 the Ukrainian bishops are pleading with the Pope to consecrate Russia to Mary While we wait to see how the world situation unfolds we might renew our own consecration to Mary and to the Sacred Heart of Jesus The world is praying for peace I believe it is time to do more than to ask God for favors It is time past time to add actions to our prayers taking Tom s example by the practice of fasting and other forms of self sacrifice I need to stop asking and to start doing He doesn t need my sacrifice but He loves my surrender I witnessed a beautiful sign on the first Friday of March The morning mass usually has thirty five or so attendees On this last first Friday there were over 120 People are responding to Mary s call If you haven t joined her yet please do for your benefit your children s benefit and for the salvation of the world Thank you again
