Mother Teresa of Calcutta Leo Maasburg,Leo-Maximilian Maasburg,2011-01-01 Mother Teresa s life sounds like a legend The Albanian girl who entered an Irish order to go to India as a missionary and became an Angel of the Poor for countless people She was greatly revered by Christians as well as Muslims Hindus and unbelievers as she brought the message of Christian love for one s neighbor from the slums of Calcutta to the whole world Fr Leo Maasburg was there as her close companion for many decades traveling with her throughout the world and was witness to countless miracles and incredible little known occurrences In this personal portrait of the beloved nun he presents fifty amazing stories about her that most have never heard wonderful and delightful stories about miracles small and great that he was privileged to experience at Mother Teresa s side Stories of how without a penny to her name she started an orphanage in Spain and at the same time saved a declining railroad company from ruin and so many more They all tell of her limitless trust in God s love of the way the power of faith can move mountains and of hope that can never die These stories reveal a humorous gifted wise and arresting woman who has a message of real hope for our time It s the life story of one of the most important women of the 20th century as it s never been told before

Something Beautiful for God Malcolm Muggeridge,1986-10-01 No woman alive today has inspired so many with her simplicity of faith and compassion so all encompassing As she daily embraces the least of the least in her arms Mother Theresa challenges the whole world to greater acts of service and understanding in the name of love First published in 1971 this classic work introduced Mother Theresa to the Western World As timely now as it was then Something Beautiful for God interprets her life through the eyes of a modern day skeptic who became literally transformed within her presence describing her as a light which could never be extinguished
