A Portrait of Brazil in the Twentieth Century MARK J. CURRAN, 2013-09-27 *A Portrait of Brazil in the Twentieth Century* The Universe of the Literatura de Cordel is Curran's most recent project The book in effect is the English version of a major work published in Brazil in Portuguese in 2011 *Retrato do Brasil em Cordel* Curran returns to Portrait for several reasons primary is his strong feeling that the amazingly broad view of Brazil in the twentieth century seen in the thousands of booklets in verse from the Cordel represents a major aspect of Brazilian culture in that century Second because there are many important bodies of folk popular verse in the Western tradition all distant relatives of the Greek and Roman epic traditions and because Brazil's folk popular poetry is one among them And because a very large reading public interested in such things does not know Portuguese this volume in English strives to make the tradition

available to such readers Finally the book in two volumes represents the cumulative efforts of research and writing of Professor Curran in a career of forty three years of scholarly research and teaching It reveals a unique portrait of Brazil and its people informative instructive and mainly entertaining

Myth and Ideology in Contemporary Brazilian Fiction Daphne Patai,1983 Analyzing the thematic and formal characteristics of six contemporary Brazilian novels this study explores the use of myth and its ideological implications The writers examined are Maria Alice Barroso Clarice Lispector Jorge Amado Carlos Heitor Cony Adonias Filho and Autran Dourado

The Writing and Publishing Journey Mark J. Curran,2023-02-22 The Writing and Publishing Journey is a summary and catalogue of all of Professor Curran's writings It includes the academic books

before retirement the academic and cultural books during retirement the experiments with fiction based on the former and a brief addendum of academic articles in research journals Each volume is introduced by the cover image in full color The abiding objective is to recall in a conversational way the when why and how of each book that is when it was written the circumstances of how and why it was written and perhaps most interesting the odyssey of getting it into print Any professor in Academia will relate to this endeavor and amateur writers and interested readers should enjoy the journey as well The Twentieth-Century Spanish American Novel Raymond Leslie Williams, 2009-07-21 A Choice Magazine Outstanding Academic Book Spanish American novels of the Boom period 1962-1967 attracted a world readership to Latin American literature but Latin American writers had already been engaging in the modernist experiments of their North American and European counterparts since the turn of the twentieth century Indeed the desire to be modern is a constant preoccupation in twentieth century Spanish American literature and thus a very useful lens through which to view the century's novels In this pathfinding study Raymond L Williams offers the first complete analytical and critical overview of the Spanish American novel throughout the entire twentieth century Using the desire to be modern as his organizing principle he divides the century's novels into five periods and discusses the differing forms that the modern took in each era For each period Williams begins with a broad overview of many novels literary contexts and some cultural debates followed by new readings of both canonical and significant non canonical novels A special feature of this book is its emphasis on women writers and other previously ignored and or marginalized authors including experimental and gay writers Williams also clarifies the legacy of the Boom the Postboom and the Postmodern as he introduces new writers and new novelistic trends of the 1990s *Brazil's Folk-Popular Poetry - a Literatura de Cordel* Mark J. Curran, 2010 Brazil's folk popular poetry a literatura de cordel is perhaps the most important and vibrant variant of poetry of the masses in western culture But not many people in the English speaking world know much about it Written by one of the most educated scholars on the subject Brazil's Folk Popular Poetry A Literatura De Cordel goes back to the craft's origins in Portugal in the 17th and 18th centuries and tells the story of how it developed and found a place in the hearts and minds of the people of Brazil Get ready to discover How Spain and France influenced the poetry Beautiful narrative poetry from forgotten poets who deserve to be rediscovered How the cordel spread from northeastern Brazil to the Amazon region to Rio de Janeiro and Sao Paulo in the South and later to Brasilia Why these poems are still relevant today And much more Become a fan of a poetry that documents religious beliefs views on national politics and thoughts on morality **Third World Literary Fortunes** Piers Armstrong, 1999 Where was Brazil in the so called Latin American literary Boom Third World Literary Fortunes posits a response contrasting the figures of Jorge Amado vulgar but uniquely successful in capturing Brazilian popular energies in literature and Joao Guimaraes Rosa Brazil's Joyce Teresa Batista cansada de guerra Jorge Amado, 1975 **Pop Culture Latin America!** Lisa Shaw, Stephanie Dennison, 2005-01-14 A survey of contemporary Latin American popular culture covering topics that range from music and

film to popular festivals and fashion Like no other volume of its kind Pop Culture Latin America captures the breadth and vitality of pop culture in Central and South America and the Caribbean exploring both familiar and lesser known aspects of its unique melange of art entertainment spirituality and celebrations Written by contributors who are scholars and specialists in the cultures and languages of Latin America the book focuses on the historical social and political forces that have shaped Latino culture since 1945 particularly in the last two decades Separate chapters cover music popular cinema mass media theater and performance literature cultural heroes religions and festivals social movements and politics the visual arts and architecture sports and leisure travel and tourism and language
