Termination Dust:

Termination Dust Sue Henry, 2015-06-08 Alaska is a great place to visit and a bad place to die It is said that when the first snow of early winter the termination dust starts to fall it s time for visitors to leave Alaska s wonders behind For some it s already too late Jim Hampton s Yukon vacation takes a turn for the worse when he discovers a prospector s diary from the 1800s And it dies when the rugged outdoorsman is arrested for the gruesome slaying of a controversial ex Senator But Alex Jensen isn t convinced of Hampton s guilt And the dedicated state trooper is ready to track the bitter truth through the treacherous snows of the Yukon wilderness and in the pages of a mysterious hundred year old journal which describes crimes remarkably similar and deadly *Ice Ages and Interglacials* Donald Rapp, 2019-04-13 This book provides a detailed review of terminations of ice ages including a very attractive theory based on dust deposits on ice sheets While other books on ice ages are mostly short popular and non technical the only book that attempts to deal with the broad issues of what we know about past ice ages and why they occur is the book by Muller and MacDonald M M published by Praxis However despite its many good features this book suffers from an inordinate emphasis on spectral analysis a lack of coverage of new data and a very confusing sequence of chapters As a result the data and theory are so intimately entwined that it is difficult to separate one from the other This volume provides an independent and comprehensive summary of the latest data theories and analysis This third edition of what has become the premier reference and sourcebook on ice ages addresses recent topics and includes new references new data and a totally new greatly expanded treatment of terminations of ice ages **Doyle Flynn's Alaskan Environmental Crime Story** Roany Phelan, 2012-08 Doyle Flynn disbarred Alaska environmental lawyer afflicted by depression recently divorced is haunted by ghosts both living and dead Fate in the form of an aged Chinese businessman from Doyle s past gives to Doyle the opportunity for deliverance from his transgressions present and past The opportunity comes in the form of an assignment uniquely suited to Doyle s conscientious nature grit and training in environmental law The issue is whether Doyle confronted by threats internal and external can beat the odds and break the cycle of self destruction he has been heretofore unable to rise above Where better to test Doyle s resolve than in the Alaska he inhabits *A Venture In Faith* Carol Weishampel, Ed.D., 2009-05-01 Stalked by her abusive ex husband and in fear for her life Leah Gray plans an escape Leah s faith in God and in humanity shattered when she is forced out of her comfort zone she secretly purchases a used motor home as a mobile hide out and prepares to pursue a search for a meaningful life Intrigued by her father s stories of building the Alaska Highway Leah determines to flee into the Alaska wilderness On her road trip from Texas to Alaska she encounters empowering women who encourage her on her road to self discovery Leah s fear of men intensifies when she is forced to trust Barret an Alaskan mountain man Can Leah stop running and find healing and love and return to her faith in God Termination Dust Susanna Mishler, 2014 Susanna J Mishler pays meticulous attention to the elements of a ravishing damaged stern but fragile world she uncovers real beauty in the linkages And makes real beauty too

Treadwell Gold Sheila Kelly, 2011-02-15 A century ago Treadwell, Alaska was a featured stop on steamship cruises, a rich up-to-date town that was the most prominent and proud in all Alaska. Its wealth, however, was founded on the remarkably productive gold mines on Douglas Island, and when those caved in and flooded in the early decades of the twentieth century, Treadwell sank into relative obscurity. Treadwell Gold presents first-person accounts from the sons and daughters of the miners, machinists, hoist operators, and superintendents who together dug and blasted the gold that made Treadwell rich. Alongside these stories are vintage photos that capture both the industrial vigor of the mines and the daily lives that made up Treadwell society. The book will fascinate anyone interested in Alaskan history or the romance of gold mining's past.
