**English Classics in Audiovisual Translation** Irene Ranzato, Luca Valleriani, 2024-10-23 This collection explores the translation of dialogue from the adaptations of literary classics across audiovisual media engaging with the question of what makes a classic through an audiovisual translation lens The volume seeks to fill a gap on the translation of classic texts in AVT research which has tended to focus on contemporary media The book features well known British literary texts but places a special emphasis on adaptations of the works of Jane Austen and William Shakespeare figures whose afterlives have mirrored each other in the proliferation of film and television adaptations of their work Chapters analyze myriad modes of AVT including dubbing subtitling SDH and voice over to demonstrate the unique ways in which these modes come together in adaptations of classics and raise questions about censorship language ideologies cultural references translation strategies humor and language variation In focusing on translations across geographic contexts the book offers a richer picture of the linguistic cultural and ideological implications of translating literary classics for the screen and the enduring legacy of these works on a global scale This book will be of interest to scholars in audiovisual translation literary translation comparative literature film and television studies and media studies

**Language and the Law** Monwabisi K. Ralarala, Russell H. Kaschula, Georgina Heydon, 2022-06-14 *Language and the Law Global Perspectives in Forensic Linguistics from Africa and beyond* is the third volume in a series of books designed to contribute and respond to growing interest in forensic linguistics or language and the law on the African continent Drawing mostly on contexts where traditional African laws and Western laws are practised side by side and where there are discontinuities between local knowledge systems belief systems and language practices on the one hand and official languages of law discourse conceptualisation and jurisprudence documentation on the other the chapters in this volume problematise among other issues the mediation practices or lack thereof of language and legal processes discourse strategies and complexities in misinterpretations in second language

court contexts and the miscarriage of justice that these may entail

**The Cultural Semantics of Address Practices** Gian Marco Farese, 2018-08-15 This book presents a contrastive analysis of various forms of address used in English and Italian from the perspective of cultural semantics the branch of linguistics which investigates the relationship between meaning and culture in discourse The objects of the analysis are the interactional meanings expressed by different forms of address in these two languages which are compared adopting the methodology of the Natural Semantic Metalanguage The forms analyzed include greetings titles and opening and closing salutations used in letters and e mails in the two languages Noticeably the book presents the first complete categorization of Italian titles used as forms of address ever made on the basis of precise semantic criteria The analysis also investigates the different cultural values and assumptions underlying address practices in English and Italian and emphasizes the risks of miscommunication caused by different address practices in intercultural interactions Every chapter presents numerous examples taken from language corpora contemporary English and Italian literature and personal e mails and letters The book encourages a new innovative approach to the analysis of forms of address it proposes a new analytical method for the analysis of forms of address which can be applied to the study of other languages systematically In addition the book emphasizes the role of culture in address practices and takes meaning as the basis for understanding the differences in use across languages and the difficulties in translating forms of address of different languages Combining semantics ethnopragmatics intercultural communication and translation theory this book is aimed at a very broad readership which includes not only scholars in linguistics second language learners and students of cross cultural communication but virtually anyone interested in Italian and English linguistics as well as in cultural semantics The approach taken is interdisciplinary and brings together various fields in the social sciences linguistics anthropology cross cultural studies and sociology

**Sociolinguistic Perspectives** Charles Albert Ferguson, 1996 The work of the linguist Charles A Ferguson spans more than three decades and is remarkable for having been consistently at the forefront of scholarship on the relationship between language and society This volume collects his most influential and seminal papers each having expanded the parameters of sociolinguistics and the sociology of language Taken together they cover a wide range of topics and issues and more importantly reflect the intellectual progress of a founder of the sociolinguistic field The volume is divided thematically into four sections and an introduction by Thom Huebner outlines the evolution of Ferguson's ideas and the impact they have had on other scholars This book is essential reading for everyone interested in the field of sociolinguistics

*Linguistic Variation in the Shakespeare Corpus* Ulrich Busse, 2002 This study investigates the morpho syntactic variability of the second person pronouns in the Shakespeare Corpus seeking to elucidate the factors that underlie their choice The major part of the work is devoted to analyzing the variation between you and thou but it also includes chapters that deal with the variation between thy and thine and between ye and you Methodologically the study makes use of descriptive statistics but incorporates both quantitative and qualitative features drawing in particular on research methods

recently developed within the fields of corpus linguistics socio historical linguistics and historical pragmatics By making comparisons to other corpora on Early Modern English the work does not only contribute to Shakespeare studies but on a broader scale also to language change by providing new and more detailed insights into the mechanisms that have led to a restructuring of the pronoun paradigm in the Early Modern period *Burning Issues in Afro-Asiatic Linguistics* Ghil'ad Zuckermann, 2014-07-24 This refereed volume is a collection of selected scholarly articles resulting from research conducted for the first international Australian Workshop on Afro Asiatic Linguistics AWAAL held on 11-13 September 2009 at the State Library of Queensland Cultural Centre Stanley Place South Bank Brisbane as well as at the Great Court the University of Queensland St Lucia Brisbane The University of Queensland has been home to scholars and linguists such as Georges Perec Eric Partridge and Rodney Huddleston World class papers were delivered by established academics and promising postdoctoral fellows and doctoral students from all over the globe including Australia Cameroon Canada Eritrea France Germany Hungary India Israel Italy Jordan Lebanon Morocco Poland Saudi Arabia United Arab Emirates United Kingdom and United States They all analysed languages and cultures belonging to the Afro Asiatic family e.g. Egyptian Berber Cushitic Omotic Chadic and Semitic It's not all about you Bettina Kluge, María Irene Moyna, 2019-11-15 The twenty first century has seen a surge in cross linguistic research on forms of address from increasingly diverse and complementary perspectives The present edited collection is the inaugural volume of Topics in Address Research a series that aims to reflect that growing interest The volume includes an overview followed by seventeen chapters organized in five sections covering new methodological and theoretical approaches variation and change address in digital and audiovisual media nominal address and self and third person reference This collection includes work on Cameroonian French Czech Dutch English from the US UK Australia and Canada Finnish Italian Mongolian Palenquero Creole Portuguese Slovak and Spanish in its Peninsular and American varieties By presenting the work in English the book offers a bridge among researchers in different language families It will be of interest to pragmatists sociolinguists typologists and anyone focused on the emergence and evolution of this central aspect of verbal communication Address in Portuguese and Spanish Martin Hummel, Célia dos Santos Lopes, 2020-07-20 The volume provides the first systematic comparative approach to the history of forms of address in Portuguese and Spanish in their European and American varieties Both languages share a common history e.g. the personal union of Philipp II of Spain and Philipp I of Portugal the parallel colonization of the Americas by Portugal and Spain the long term transformation from a feudal to a democratic system in which crucial moments in the diachrony of address took place To give one example empirical data show that the puzzling late spread of Sp.usted you formal polite and Pt.voc you across America can be explained for both languages by the role of the political and military colonial administration To explore these new insights the volume relies on an innovative methodology as it links traditional downstream diachrony with upstream diachronic reconstruction based on synchronic variation Including theoretical reflections as well as fine grained empirical

studies it brings together the most relevant authors in the field      **Language Loyalty, Continuity and Change** Rakhmiel Peltz, Harold F. Schiffman, 2006-01-01 This short volume provides a comprehensive and synoptic view of Joshua A Fishman's contributions to international sociolinguistics The two integrative essays provide readers with the essential understandings of Fishmanian sociolinguistics and his contributions to Yiddish scholarship An up to date comprehensive bibliography prepared by Gella Schweid Fishman as well as Fishman's own concluding sentiments complement the integrative essays

**Politeness Across Cultures** F. Bargiela-Chiappini, D. Kádár, 2010-12-08 This is the first edited collection to examine politeness in a wide range of diverse cultures Most essays draw on empirical data from a wide variety of languages including some key languages in politeness research such as English and Japanese as well as some lesser studied languages such as Georgian

**Words and Processes in Mambila Kinship** David Zeitlyn, 2005-01-01 Words and Processes in Mambila Kinship presents a set of studies of the way that Mambila speakers in Cameroon talk about themselves and their kin Author David Zeitlyn employs conversational analytic methods to further the study of kinship terminologies This book takes an important step toward a new synthesis between the practice of ethnography and the study of language while presenting African natural language data still rare in mainstream linguistics in an accessible format      It's different with you Nicole
