coming out in the open soon to introduce themselves They are already here actually ever since our Mama Gaia or Mother Earth existed Forget the wrong indoctrinations we learned from schools And what I taught as a teacher then was wrong too It is because I was not awakened yet then I began my awakening this October of the year 2017 This book attempts to solve give solutions or suggest ideas that will make us realize that all people on this planet earth is of one race And that is the whole HUman race From the HU god race We are all extraterrestrials This is disclosure in the first degree We HUmans need to wake up We are not alone The ETs or extraterrestrials as we know it in movies are real And they are going to reveal themselves very soon even maybe before or after this book is published They all come from other stars in the intergalactic outer space just as we do Believe it or not There is no need to brand someone as the brown race black race white race yellow race and so on and so forth HUmans are not limited by their skins pigments nothing to be brushed off Just keep an open mind Our prime creator is of 221 energy frequency and when that huge energy blew up it took many forms according to Dolores Cannon It is time to awaken to the reality that the prime creator of all made us all one The divine father and divine mother gods had made the human beings race to be the same persons We all have the same lives to live the same air to breathe one planet earth to live on one body to live We are going to even ascend to the stars where we came from We better believe this There is a saying that a house divided on its own cannot stand How true and fitting this is for humanity If we have to survive as a human specie who are all magnificent we better change our consciousness or thinking We as wonderful human beings all belong to the great human race We all are extraterrestrials This is disclosure written by a Pleiadian from a previous life existence This book will make you realize how important it is to stop the limiting and discriminating descriptions we have described one another We all need to learn Reject what is bad and take what is only good Leave the limiting and ancient profiling of one another behind never to come back Welcome the new consciousness in our higher selves We are all powerful extraterrestrials
