Terrains Of The Heart Other Essays On:

Terrains of the Heart and Other Essays on Home Willie Morris, 1981 *Terrains of the Heart and Other Essays on Home* Willie Morris, 1981 **Willie Morris** Jack Bales, 2015-06-14 William Weaks Morris was a writer defined in large measure by his Southern roots A seventh generation Mississippian he grew up in Yazoo City frequently reminded of his heritage Spending his college years at the University of Texas and at Oxford University in England gave Morris a taste of the world and at the very least something to write home about This volume is a comprehensive reference work dealing with Willie Morris life and works It is also a literary biography based on hundreds of primary sources such as letters newspaper articles and interviews The principal focus is on Morris literary legacy which includes works such as *North Toward Home* *New York Days* and *My Dog Skip* *But Now I See* Fred Hobson, 1999-04-01 The term conversion narrative usually refers to a particular form of expression that arose in Puritan New England in the seventeenth century In that sense the purely religious the conversion narrative belongs to a rather remote history But in this lucid pathbreaking work Fred Hobson uses the expression in another sense in the realm of the secular to describe a much more recent phenomenon one originating in the American South and marking a new mode of southern self expression not seen until the 1940s Hobson applies the term racial conversion narrative to several autobiographies or works of highly personal social commentary by Lillian Smith James McBride Dabbs Katharine Du Pre Lumpkin Sarah Patton Boyle Will Campbell Larry L King Willie Morris Pat Watters and other southerners books written between the mid 1940s and the late 1970s in which the authors all products of and willing participants in a harsh segregated society confess racial wrongdoings and are converted in varying degrees from racism to something approaching racial enlightenment Indeed the language of many of these works is Hobson points out the language of religious conversion sin guilt blindness seeing the light repentance redemption and so forth Hobson also looks at recent autobiographical volumes by Ellen Douglas Elizabeth Spencer and Rick Bragg to show how the medium persists if in a somewhat different form even at the very end of the twentieth century *But Now I See* is a study both of this particular variety of the southern impulse to self examination and of those who seem to have retained the habit of seeking redemption even if of a secular variety Departing from the old vertical southern religion salvation centered with heaven as its goal these racial converts embrace a horizontal religion which holds that getting right with man is at least as important as getting right with God A refreshingly original treatment of racial change in the South Hobson s provocative work introduces a new subgenre in the field of southern literature Anyone interested in the history and literature of the American South will be fascinated by this searching volume *Southern Cultures* Harry L. Watson, Larry J. Griffin, 2008-04-28 What does redneck mean What s going to happen to the southern accent What makes black southerners laugh What is real country music These are the kinds of questions that pop up in this collection of notable essays from *Southern Cultures* the journal of the Center for the Study of the American South at the University of North Carolina at Chapel Hill Intentionally plural *Southern Cultures* was founded in

1993 to present all sides of the American South from sorority sisters to Pocahontas from kudzu to the blues This volume collects 27 essays from the journal's first fifteen years bringing together some of the most memorable and engaging essays as well as some of those most requested for use in courses A stellar cast of contributors discusses themes of identity pride traditions changes conflicts and stereotypes Topics range from black migrants in Chicago to Mexican immigrants in North Carolina from Tennessee wrestlers to Martin Luther King from the Civil War to contemporary debates about the Confederate flag Funny and serious historical and contemporary the collection offers something new for every South watcher with fresh perspectives on enduring debates about the people and cultures of America's most complex region Contributors Derek H Alderman East Carolina University Donna G Segner Alderman Greenville North Carolina S Jonathan Bass Samford University Dwight B Billings University of Kentucky Catherine W Bishir Preservation North Carolina Kathleen M Blee University of Pittsburgh Elizabeth Boyd Vanderbilt University James C Cobb University of Georgia Peter A Coclanis University of North Carolina at Chapel Hill Joseph Crespino Emory University Drew Gilpin Faust Harvard University Franklin Forts University of Georgia David Goldfield University of North Carolina at Charlotte Larry J Griffin University of North Carolina at Chapel Hill Adam Gussow University of Mississippi Trudier Harris University of North Carolina at Chapel Hill Patrick Huber University of Missouri Rolla Louis M Kyriakouides University of Southern Mississippi Melton McLaurin University of North Carolina at Wilmington Michael Montgomery University of South Carolina Steve Oney Los Angeles California Theda Perdue University of North Carolina at Chapel Hill Dan Pierce University of North Carolina at Asheville John Shelton Reed University of North Carolina at Chapel Hill Mart Stewart Western Washington University Thomas A Tweed University of North Carolina at Chapel Hill Timothy B Tyson Duke University Anthony Walton Bowdoin College Harry L Watson University of North Carolina at Chapel Hill Charles Reagan Wilson University of Mississippi C Vann Woodward 1908-1999

The White House Looks South William Edward Leuchtenburg, 2005 At a time when race class and gender dominate historical writing Leuchtenburg argues that place is no less significant In a period when America is said to be homogenized he shows that sectional distinctions persist And in an era when political history is devalued he demonstrates that government can profoundly affect people's lives and that presidents can be change makers Jacket

Conversations with Willie Morris Willie Morris, 2000 In this first collection of interviews and profiles devoted to author Willie Morris Bales compiles 25 fascinating and incisive conversations some never before published with a man who confronted the turbulent issues of his generation

Lynch Street Tim Spofford, 1988 Describes the circumstances that led to a demonstration at Jackson State College and the shooting of two students by the police and discusses the impact of the tragedy

Religion in Mississippi Randy J. Sparks, 2011-09-23 In the 1600s Colonial French settlers brought Christianity into the lands that are now the state of Mississippi Throughout the period of French rule and the period of Spanish dominion that followed Roman Catholicism remained the principal religion By the time that statehood was achieved in 1817 Mississippi was attracting Methodists

Baptists Presbyterians and other Protestant evangelical faiths at a remarkable pace and by the twentieth century religion in Mississippi was dominantly Protestant and evangelical In this book Randy J Sparks traces the roots of evangelical Christianity in the state and shows how the evangelicals became a force of cultural revolution They embraced the poorer segments of society welcomed high populations of both women and African Americans and deeply influenced ritual and belief in the state s vision of Christianity In the 1830s as the Mississippi economy boomed so did evangelicalism As Protestant faiths became wedded to patriarchal standards slaveholding and southern political tradition seeds were sown for the war that would erupt three decades later Until Reconstruction many Mississippi churches comprised biracial congregations and featured women in prominent roles but as the Civil War and the racial split cooled the evangelicals liberal fervor and drastically changed the democratic character of their religion into arch conservatism a strong but separate black church emerged As dominance by Protestant conservatives solidified Jews Catholics and Mormons struggled to retain their religious identities while conforming to standards set by white Protestant society As Sparks explores the dissonance between the state s powerful evangelical voice and Mississippi s social and cultural mores he reveals the striking irony of faith and society in conflict By the time of the civil rights movement of the 1960s religion formerly a liberal force had become one of the leading proponents of segregation gender inequality and ethnic animosity among whites in the Magnolia State Among blacks however the churches were bastions of racial pride and resistance to the forces of oppression

Where Misfits Fit Thomas Michael Kersen, 2021-09-30 Winner of the 2021 Stanford M Lyman Distinguished Book Award from Mid South Sociological Association All regions and places are unique in their own way but the Ozarks have an enduring place in American culture Studying the Ozarks offers the ability to explore American life through the lens of one of the last remaining cultural frontiers in American society Perhaps because the Ozarks were relatively isolated from mainstream American society or were at least relegated to the margins of it their identity and culture are liminal and oftentimes counter to mainstream culture Whatever the case looking at the Ozarks offers insights into changing ideas about what it means to be an American and more specifically a special type of southerner In *Where Misfits Fit* Counterculture and Influence in the Ozarks Thomas Michael Kersen explores the people who made a home in the Ozarks and the ways they contributed to American popular culture Drawing on a wide variety of sources Kersen argues the area attracts and even nurtures people and groups on the margins of the mainstream These include UFO enthusiasts cults musical troupes and back to the land groups Kersen examines how the Ozarks became a haven for creative innovative even nutty people to express themselves a place where community could be reimagined in a variety of ways It is in these communities that *communitas* or a deep social connection emerges Each of the nine chapters focuses on a facet of the Ozarks and Kersen often compares two or more cases to generate new insights and questions Chapters examine real and imagined identity and highlight how the area has contributed to popular culture through analysis of the Eureka Springs energy vortex fictional characters like Li l Abner cultic activity environmentally

minded communes and the development of rockabilly music and near communal rock bands such as Black Oak Arkansas

The Mississippi Encyclopedia Ted Ownby, Charles Reagan Wilson, Ann J. Abadie, Odie Lindsey, James G. Thomas Jr., 2017-05-25 Recipient of the 2018 Special Achievement Award from the Mississippi Institute of Arts and Letters and Recipient of a 2018 Heritage Award for Education from the Mississippi Heritage Trust The perfect book for every Mississippian who cares about the state this is a mammoth collaboration in which thirty subject editors suggested topics over seven hundred scholars wrote entries and countless individuals made suggestions The volume will appeal to anyone who wants to know more about Mississippi and the people who call it home The book will be especially helpful to students teachers and scholars researching writing about or otherwise discovering the state past and present The volume contains entries on every county every governor and numerous musicians writers artists and activists Each entry provides an authoritative but accessible introduction to the topic discussed The Mississippi Encyclopedia also features long essays on agriculture archaeology the civil rights movement the Civil War drama education the environment ethnicity fiction folklife foodways geography industry and industrial workers law medicine music myths and representations Native Americans nonfiction poetry politics and government the press religion social and economic history sports and visual art It includes solid clear information in a single volume offering with clarity and scholarship a breadth of topics unavailable anywhere else This book also includes many surprises readers can only find by browsing [The Outlier](#) Kai Bird, 2021-06-15 Important a landmark presidential biography Bird is able to build a persuasive case that the Carter presidency deserves this new look The New York Times Book Review An essential re evaluation of the complex triumphs and tragedies of Jimmy Carter s presidential legacy from the expert biographer and Pulitzer Prize winning co author of American Prometheus Four decades after Ronald Reagan s landslide win in 1980 Jimmy Carter s one term presidency is often labeled a failure indeed many Americans view Carter as the only ex president to have used the White House as a stepping stone to greater achievements But in retrospect the Carter political odyssey is a rich and human story marked by both formidable accomplishments and painful political adversity In this deeply researched brilliantly written account Pulitzer Prize winning biographer Kai Bird deftly unfolds the Carter saga as a tragic tipping point in American history As president Carter was not merely an outsider he was an outlier He was the only president in a century to grow up in the heart of the Deep South and his born again Christianity made him the most openly religious president in memory This outlier brought to the White House a rare mix of humility candor and unnerving self confidence that neither Washington nor America was ready to embrace Decades before today s public reckoning with the vast gulf between America s ethos and its actions Carter looked out on a nation torn by race and demoralized by Watergate and Vietnam and prescribed a radical self examination from which voters recoiled The cost of his unshakable belief in doing the right thing would be losing his re election bid and witnessing the ascendance of Reagan In these remarkable pages Bird traces the arc of Carter s administration from his aggressive domestic agenda to his

controversial foreign policy record taking readers inside the Oval Office and through Carter's battles with both a political establishment and a Washington press corps that proved as adversarial as any foreign power Bird shows how issues still hotly debated today from national health care to growing inequality and racism to the Israeli Palestinian conflict burned at the heart of Carter's America and consumed a president who found a moral duty in solving them Drawing on interviews with Carter and members of his administration and recently declassified documents Bird delivers a profound clear-eyed evaluation of a leader whose legacy has been deeply misunderstood The Outlier is the definitive account of an enigmatic presidency both as it really happened and as it is remembered in the American consciousness **Southern Writers** Joseph M.

Flora,Amber Vogel,2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up-to-date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty-first century What constitutes a southern writer is always a matter for debate Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject College Football and American Culture in the Cold War Era Kurt Edward Kemper,2009-07-08 Waging the Cold War's ideological battles on the

gridiron In the Deep Heart's Core Craig Edward Clifford,1985 **Mississippi Government and Politics** Dale Krane,Stephen D. Shaffer,1992-01-01 The authors of Mississippi Government and Politics go beyond the stereotyped view of the Magnolia State to consider the dramatic social economic and political changes taking place there in recent years Yet the past is inextricably bound up with the present as Dale Krane and Stephen D. Shaffer make clear in developing their central theme the ongoing clash in Mississippi between traditionalists intent on preserving the status quo and progressives who have grown up with the civil rights movement Based in part on public opinion polls measuring the attitudes of Mississippians over a decade Mississippi Government and Politics presents a vivid social history and analysis of the state's executive legislative and judicial branches Krane and Shaffer have contributed chapters on the culture of Mississippi the origins and evolution of its ruling class and efforts to modernize the economy and to bring more blacks and poor whites into the power structure Krane writes about the struggle over public policy or who gets what and the highly ambivalent attitude of Mississippians

toward the federal government Shaffer addresses the shifting allegiances of political parties in the state and the role of interest groups in effecting change The contributors include leading political scientists and public administrators Tip H Allen Jr looks at the century old much amended constitution and Douglas G Feig considers the dominance of the legislature and the winds of change blowing through it Thomas H Handy describes the traditionally weak governorship Diane E Wall threads her way through the antiquated judicial system Edward J Clynnh sizes up tax Policy and Gerald Gabris delves into the dynamics of local government The result is the most comprehensive and authoritative book on Mississippi political culture in many years

The southern writers quiz book ,1999-01-01 *A Companion to the Literature and Culture of the American South*
Richard Gray,Owen Robinson,2008-04-15 From slave narratives to the Civil War and from country music to Southern sport this Companion is the definitive guide to the literature and culture of the American South Includes discussion of the visual arts music society history and politics in the region Combines treatment of major literary works and historical events with a survey of broader themes movements and issues Explores the work of Edgar Allan Poe Mark Twain William Faulkner Zora Neale Huston Flannery O Connor and Eudora Welty as well as those black and white male and female who are writing now Co edited by the esteemed scholar Richard Gray author of the acclaimed volume *A History of American Literature* Blackwell 2003

In Faulkner's Shadow Lawrence Wells,2020-08-10 What happens when you marry into a family that includes a Nobel Prize winner who is arguably the finest American writer of the twentieth century Lawrence Wells author of *In Faulkner's Shadow* A Memoir fills this lively tale with stories that answer just that In 1972 Wells married Dean Faulkner the only niece of William Faulkner and slowly found himself lost in the Faulkner mystique While attempting to rebel against the overwhelming influence of his in laws Wells had a front row seat to the various rivalries that sprouted between his wife and the members of her family each of whom dealt in different ways with the challenges and expectations of carrying on a literary tradition Beyond the family stories Wells recounts the blossoming of a literary renaissance in Oxford Mississippi after William Faulkner's death Both the town of Oxford and the larger literary world were at a loss as to who would be Faulkner's successor During these uncertain times Wells and his wife established Yoknapatawpha Press and the quarterly literary journal the Faulkner Newsletter and Yoknapatawpha Review In his dual role as publisher and author Wells encountered and befriended Larry Brown Barry Hannah Willie Morris and many other writers He became both participant and observer to the deeds and misdeeds of a rowdy collection of talented authors living in Faulkner's shadow Full of personal insights this memoir features unforgettable characters and exciting behind the scene moments that reveal much about modern American letters and the southern literary tradition It is also a love story about a courtship and marriage and an ode to Dean Faulkner Wells and her family
